9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

CDSS released ACL 13-70 reassigned CalWORKs aid codes from 3A and 3C to K1 and 3F for cases with TANF Timed out and Drug/Fleeing Felon unaided members. With the change to these aid codes the Department of Child Support Services has informed CWDs that they will no longer recoup the child support payments being paid to recipients in these aid codes and will be issuing the full Child Support Payments collected directly to these families.

Under current regulations, child support payments that are received by a CalWORKs household directly from a non household member and which must be turned over to the DCSS are exempt as income in the PA CalFresh budget.

How will the direct child support payment from the DCSS be used in the PA CalFresh budget for these CalWORKs households?

10. REQUESTOR'S PROPOSED ANSWER:

In CalFresh, since these child support payments will be received directly by a household member from someone outside the home (DCSS) and can be reasonably anticipated for the upcoming SAR payment period will be budgeted as unearned income in the PA CalFresh budget.

11. STATE POLICY RESPONSE *(CFPB USE ONLY)*:

The State concurs with the proposed response.
