SUBJECT: GUIDANCE ON THE IMPLEMENTATION OF THE AFFORDABLE CARE ACT OF 2010

REFERENCE: ALL COUNTY INFORMATION NOTICE (ACIN) I-37-13

The purpose of this All County Information Notice (ACIN) is to provide counties and stakeholders with recently published Medi-Cal Eligibility Division Letters (MEDIL) that relate to the Affordable Care Act of 2010.

Interoperability between programs is an essential goal that has been emphasized with the implementation of the Affordable Care Act 2010. This concept provides a seamless experience for customers and streamlines existing processes. As part of the California Department of Social Services (CDSS) continuous effort to coordinate human services programs (also known as "Horizontal Integration") the Department is sending ACINs containing MEDIL communications to additional stakeholders and counterparts.

Below is a brief description and links to new MEDIL communication documents:

MEDIL I 13-07 - Extension of Former Foster Care Children's (FFCC) Program
The purpose of this letter is to provide counties with the Department of Health Care Services' (DHCS) instructions on implementing the provisions of Assembly Trailer Bill (AB) 82.
Medi-Cal Eligibility Division Information Letter I 13-07

MEDIL I 13-09 - Pre-orders for the single streamlined paper application, revised PUB 68 and revised MC 219 form. The purpose of the letter is to request that counties pre-order the referenced forms which are being updated. Pre-ordering forms will aid DHCS to ensure vendors have an adequate form supply for open enrollment to begin October 1, 2013.
Medi-Cal Eligibility Division Information Letter I-13-09

CDSS will continue disseminating forthcoming MEDIL communications as they are issued. If you have any questions, please contact the Welfare to Work Division via e-mail at acahi@dss.ca.gov.

Sincerely,
