ACIN I-58-13

9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

ACIN I-58-13 answer to question 5 states that "income verification, e.g. pay stubs, is not required to be included with the SAR 7 if information on the SAR 7 is consistent with what was previously reported." Is there a threshold for what constitutes "consistent" income that needs to be verified on a SAR 7 like there is for change reporting households ($50 for unearned income or $100 for earned) or would an increase/decrease in any amount mean that verification would have to be provided to make a complete SAR 7?

10. REQUESTOR'S PROPOSED ANSWER:

No, the requirement is that verification of income be provided when first reported or there is a change in the amount of income (63-508.45). Therefore an income change of as little as $1 (or less) would mean that the income needs to be re-verified.

11. STATE POLICY RESPONSE *(CFPB USE ONLY)*:

CDSS concurs with the proposed response.
