ALL COUNTY LETTER (ACL) NO. 18-43

TO: ALL COUNTY WELFARE DIRECTORS
    ALL CALWORKS PROGRAM SPECIALISTS
    ALL CALFRESH COORDINATORS
    ALL CONSORTIA PROJECT MANAGERS
    ALL WELFARE-TO-WORK COORDINATORS

SUBJECT: CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS (CalWORKs): REVISED NOTICE OF ACTION MESSAGES: M40-107(C), M40-107(D) AND M40-107(G)

In the years immediately following the passage of SB 72 and SB 1041, the California Department of Social Services (CDSS) has released a series of ACLs intended to ensure clients maximize their time on aid. SB 72 reduced the CalWORKs time-on-aid clock to the current 48 months and SB 1041 implemented the Welfare-to-Work (WTW) 24-month time clock. To further the goal of improving clients’ time on aid experience, in partnership with welfare advocates, the CDSS collaborated to improve a set of time on aid Notice of Action (NOA) messages.

This ACL transmits three revised CalWORKs NOA messages to County Welfare Departments (CWDs):

- M40-107(c) – Time On Aid Between 42nd and 46th Month;
• M40-107(d) – Time on Aid to Former CalWORKs Recipients; and
• M40-107(g) – CalWORKs 48th Month on Aid.

The CDSS revised these NOA messages based on input and feedback from CWDs and advocates. These revised NOA messages will remind clients of the importance of understanding their Temporary Assistance to Needy Families (TANF) and CalWORKs 48-Month Time Limit.

**Detailed description of the specific changes to the NOA messages**

**M40-107(c) – “Time On Aid Between 42nd and 46th Month”** notifies clients they are six months from the end of the CalWORKs 48-month time limit as required by MPP sections 40-107(C) and 40-107(D). This is intended to facilitate a dialogue between the CWD and client in anticipation of the client transitioning off aid, modifying his or her plan if the assessment indicates it is necessary or to obtain an extension, if eligible.

The specific revisions to the M40-107(c) were as follows:

- Changing recipient language from the specific “you” to a blank fillable line enabling multiple addresses;
- Removal of the previous table showing months that were counted and not counted (this table has been replaced by a box that provides dates, the number of months exempted and the reason for the exemption);
- Modification of how months are tabulated showing how many months the client was aided, total months exempt, months used against on the CalWORKs 48-month time limit and months remaining on the CalWORKs 48-month time limit;
- Edits to the child support recoupment section for increased readability; and
- New instructions to reflect the changes.

**M40-107(d) – “Time on Aid to Former CalWORKs Recipients”** informs former CalWORKs recipients applying for aid in other states of the total number of months of TANF received in California.

The specific revisions to the M40-107(d) were as follows:

- Edits to the initial information section for increased readability;
- Addition of a general statement informing clients about TANF aid being the federal version of CalWORKs;
- A paragraph stating that CalWORKs and TANF counts may be different;
- Addition of an explanation that TANF has fewer exemptions than CalWORKs;
- Removal of the previous table showing months that were counted and not counted (this table has been replaced by a box that provides dates, the number of months exempted and the reason for the exemption); and
- New instructions to reflect the changes.
M40-107(g) – “48th Month on Aid” informs an adult recipient that s/he has reached the 48-month time limit and is no longer eligible for aid.

The specific revisions to the M40-107(g) were as follows:

- Changing months of time on aid from 60 to 48 months;
- Explanation that cash aid will be decreasing;
- Addition of who has been removed from the grant, causing the decrease of discontinuance;
- Addition of language explaining how an exception can be requested;
- Removal of the previous table showing months that were counted and not counted (this table has been replaced by a box that provides dates, the number of months exempted and the reason for the exemption); and
- New instructions to reflect the changes.

If automation of these revised NOAs is not completed by consortia before the effective date, counties will need to use alternative means of noticing clients until programming is completed.

MESSAGE:

The State where you applied for aid has asked the County about the number of months you got CalWORKs.

Federal law limits adults to 60 months of "TANF" aid. CalWORKs is California's TANF program and grants aid for 48 months unless you had an exemption or had months unticked for child support payments that repaid a month's full grant.

Your California count for CalWORKs may be different than the TANF count of the count in your new State. If you have questions, contact your worker.

The County provided the following information:

As of __________, the County has determined that _______________ used _____ months of your lifetime 48-month time limit of CalWORKs cash aid.

Here's why:

You got TANF-funded aid in California:

from ________ to ________ = _____ months.
from ________ to ________ = _____ months.
from ________ to ________ = _____ months.

Total: _____ = _____ months.

The months that did not count toward the TANF 60-month time limit are shown on the next page.
CalWORKs does not count (exempt) months for more reasons than federal TANF rules. The months that did not count toward the TANF 60-month time limit are:

<table>
<thead>
<tr>
<th>Date(s)</th>
<th># months:</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>

<tr>

</tbody>
</table>

**INSTRUCTIONS:** Use at the time a former CalWORKs recipient applies for aid in another state to inform the former recipient of the total number of months that s/he received TANF-funded in California.

Complete the following:
- Date of notification.
- Name of the adult recipient.
- Total number of months of TANF-funded aid used (i.e., counted toward the time limit).
- Period(s) of time the family was eligible to receive aid (excludes the period of discontinuance and suspense months, but includes zero basic grant (ZBG) months.)
- Number of months that did not count toward the time limit (i.e., TANF exemptions and sanctioned months). Put the year, number of months, and reason(s) that did not count on page two.
MESSAGE:

As of ________________, the County is changing your family’s cash aid from $______ to $______. We have removed ______________________ from the grant. The new amount of cash aid is for the [___] remaining eligible members of your family. The new cash aid amount is figured on the next page.

Here’s why:
As of ________________, ____________, has used 48 months of CalWORKs cash aid. Adults cannot get CalWORKs cash aid after 48 months unless they meet an exception to the time limit. We have no record of your meeting an exception. **If you disagree, ask for a hearing.**

You may be able to get aid for yourself after 48 months. The reasons are listed on form CW 2190A, sent out with this notice. Fill out and return this form to the County any time you think you qualify for an exception.

You got CalWORKs aid:

from __________ to __________ = _____ months.
from __________ to __________ = _____ months.
from __________ to __________ = _____ months.
We did not count the months listed below toward the 48-month CalWORKs time limit.

If you were exempt, the month(s) did not count toward the CalWORKs 48-month time limit. These months are listed on the next page.
The list on this page includes months that are exempt due to child support collection. The last page(s) shows how child support was applied to exempt month(s).

You may also have months that are exempt because of child support collection. If you do, these months will be included in your next notice.

No child support was collected for children in your AU.
