Where to Use Your EBT Card

Anyplace where you see the quest mark throughout California and across the country.

The Quest® mark is the sign you will see on store doors, check-out lanes, and ATM machines that tells you that your EBT Card can be used at that store or machine. There are special pictures on the Quest® mark that tell you what benefits you can use. Look for the Quest® mark at the store before you shop.

About Your PIN
- Your four secret numbers are called a Personal Identification Number or PIN for short.
- Every time you use your card, you will need to use your PIN or your card will NOT work and you will NOT be able to use your benefits
- Keep your PIN to yourself. Avoid telling other people your PIN.

How to Keep Your PIN Safe

- Keep your PIN secret. NEVER give your PIN to your caseworker, family members, store cashiers or anyone else unless you want them to be able to get ALL your benefits.
- NEVER use your PIN if you think someone is watching you.
- When you use your EBT Card, you have up to four tries to enter your PIN. If your fourth try is incorrect, you will not be able to use your card again until after midnight. If you cannot remember your PIN, call Customer Service (the phone number is listed on the back of your card). Customer Service does NOT know your PIN, but will help you change your PIN.
- If someone learns your PIN without your OK, call the Customer Service number right away or visit your public welfare office to change your PIN.
- If someone takes your card and knows your PIN, they can use your benefits! Call Customer Service immediately to cancel your card. If benefits are taken by someone else before you call Customer Service, YOUR BENEFITS WILL NOT BE REPLACED.

Know Your Balance
The best way to keep track of how much you have left to spend in your EBT food benefit and/or cash benefit accounts is to know your balance. The best way to know your balance is to keep your last receipt.

What Will Happen if the POS Device is Not Working

If you want to purchase eligible food items and the POS device is not working or there is not one at the store, the cashier will fill out a paper voucher. Some merchants like mobile vendors do not have POS devices. The cashier will write in your EBT Card number and the amount you are spending. DO NOT give the cashier your PIN. The cashier will call to see if you have enough benefits in your account to buy the food. If there is enough in your account, you will be asked to sign the voucher and will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from the balance shown on your last EBT receipt. This will give you the current amount in your account.

You cannot use a voucher to get money from your cash benefits account.

Remember, you cannot get cash from your EBT food benefits.

ATM Safety Tips

• Always put your card in a safe place after using it.
• Have your EBT card ready.
• Choose a well-lit ATM in a place where you feel safe (like inside a store).
• Stand so that no one can see the PIN you use.
• Count your money if you feel it is safe.
• Put your cash, card, and receipt away quickly.

If your card is lost or stolen, call Customer Service right away. They will put a lock on your card and tell you how to get a new card. It’s important that you call Customer Service as soon as possible! It may take up to seven business days to get a new card.
