1. On pg. 9 of the RFP, it states that we have to complete Document B to demonstrate existing or planned collaboration. Where can I access Document B? It is not included in the RFA Forms A-G zipped file. I only see an Exhibit B for the Budget.

The sentence on page 9 should have been written as: “Describe how you would encourage collaboration with the goal of serving California families and complete Document A to demonstrate existing or planned collaboration.” There is no Document B.

2. What form of documentation is required if our Agency plans to receive training? Is formal training available, or do we access the online video tutorials and slides found on the Consumer Financial Protection Bureau website?

Prior to formal execution of the grant, awarded agencies will be required to sign documentation certifying staff has been adequately trained via the resources found on the Consumer Financial Protection Bureau website or by other means deemed adequate by the Office of Child Abuse Prevention upon review.

3. On pg. 7 in the list of requirements, Collaborative Participants is listed as its own item. I just want to make sure there’s no required document for this section, and the information should be included in Document A?

There is no required document for this section on page 7. Please disregard #5 on this list. Information on collaborative partners should be included in Document A.

4. We saw this announcement about additional Economic Empowerment Program grants and are wondering if agencies like ours who are currently in the contracting process for this programming for an April (?) 2018 – March (?) 2020 time period are also eligible to apply for this September 2018 – August 2020 round of funding or are you just seeking additional agencies to provide these services throughout the state in the 9/18 – 8/2020 round?

The Economic Empowerment Grant 2nd Edition is the same funding opportunity as the previous Economic Empowerment Grant. Per the RFA: “Applicants are limited to one application. No duplicate applications will be accepted.”
