

IHSS Training Participant Travel Reimbursement

Individual Training Participants - or - Counties Seeking Reimbursement for Employee's Travel to participate in IHSS Training

Our California Department of Social Services/Adult Services partners recently sent a memo to all county IHSS managers to specify the circumstances under which travel reimbursement will be extended to cover expenses incurred by participants in trainings conducted by the IHSS Training Academy at San Diego State University. (Please see Attachment A which is a copy of the memo that lays out specific detail.)

In short, **only mileage and hotel are reimbursed** (at state rate—see Attachment B) when a training participant's place of business is more than 50 miles one way away from the training venue.

In general, this includes:

- Mileage and Parking to and from training venue that is over 50 miles one way from the participant's place of business
- **Hotel** for overnight stays (the day prior to each training day or meeting) when travel is over 50 miles one way and start time requires overnight stay
- Airfare, Rail, Meals, and Incidentals are not covered

Please note that <u>original</u> receipts and <u>original</u> signatures are required for reimbursement of travel. Individual participants or their counties will be reimbursed for up to actual expenses, not to exceed state rate guidelines in Attachment B.

Individual training participants or their county must book and pay for their own/employee's travel. IHSS Training Academy staff is not able to book hotel rooms for training participants.

When Prior Approval is/is not Required from CDSS:

- If travel is within the same region, no prior approval required.
- If travel is over 50 miles one way and the participant is traveling from the region where their place of business is located to a different region in which the training is taking place, <u>prior CDSS approval is required</u>. Approval email must be attached when submitting reimbursement request.

Travel Reimbursement Procedures

<u>Step 1</u>: Secure Necessary Forms (Individual and Counties)

The Vendor Information Form, as well as Travel Reimbursement Forms and Templates will be provided to you for this fiscal year 15/16 and for any future fiscal years. If you prefer, you may download the forms using this link: http://www.foundation.sdsu.edu/forms/index.html#ap

Forms to Download:

- 1. Vendor Information Form- STANDARD FORMAT
- 2. Travel Reimbursement Request Form 2016-STANDARD FORMAT
- 3. Mileage Reimbursement Form 2016-STANDARD FORMAT

Step 2: Complete and Return the Vendor Information Form (Individual and Counties)

Individuals requesting reimbursement for their travel, and counties requesting reimbursement for expenses incurred by employees to attend IHSS Academy training, must complete a Vendor Information Form (VIF). (See Attachment D.) Counties must only submit one VIF for their County.

On the right hand side of the form under "Vendor Activity" please check "OTHER" and insert "Reimbursement for travel to IHSS training". Individuals/Counties must submit a VIF only once, or when information changes.

San Diego State University requires this information from all individuals and counties seeking reimbursement in order to responsibly document and track payments. Although this document states it is in lieu of a W9, travel reimbursement is not a taxable income.

Once completed, the VIF should be returned to:

SDSU Research Foundation Purchasing Department 5250 Campanile Drive San Diego, CA 92182-1946 Fax: (619) 594-4212 Phone: (619) 594-6891

<u>Step 2a</u>: Complete and Return the Travel Reimbursement –or—Mileage Reimbursement Form (Individuals ONLY)

The *Travel Reimbursement Form 2016* is used in most circumstances. The *Mileage Reimbursement* Form is used when the <u>only</u> expense a participant is requesting reimbursement for is mileage using personal vehicle (for example travel to a training over 50 miles one way on a single day—no hotel claimed.)

NOTE: The Travel Reimbursement Form will include mileage when other travel expenses are also incurred.

Instructions for completing the Travel Reimbursement Form 2016:

PLEASE SIGN THIS FORM UNDER SIGNATURE OF TRAVELER.

See Attachment E and note highlights in yellow that indicate the areas that the traveler must fill out.

Attachment E is a sample Travel Reimbursement Form 2016 with instructions to show you how to fill out the form.

Instructions for completing the Mileage Reimbursement Form 2016:

PLEASE SIGN THIS FORM UNDER SIGNATURE OF TRAVELER.

See Attachment F and note highlights in yellow that indicate the areas that the traveler must fill out.

<u>Step 2b</u>: Prepare one invoice for all training participants from one County (Counties ONLY)

Counties should use their own established process for travel advances and/or reimbursement to individual employees who participate in IHSS trainings. Then request reimbursement for mileage and/or hotel stays within the state rate that you paid for employees by submitting an invoice that includes:

- Payable to: Name & Address
- Person submitting form with contact information
- Full Name(s) of employees for whom reimbursement is requested
- Date & Location of IHSS training attended by employees listed
- Itemized listing of charges for mileage and hotel up to state rate
- Original receipts

<u>Step 3</u>: Attach required documentation; Make a copy for your records; and Submit (Individual and Counties)

As previously noted, original receipts must be attached. For any receipt smaller than $8 \frac{1}{2} x$ 11, please tape to an $8 \frac{1}{2} x$ 11 sheet of paper. CDSS approval email must be included as well. Sign and date as indicated.

It is highly suggested that you make and retain a copy for your own records.

Individuals may submit completed travel reimbursement to their respective Regional Coordinator onsite at the completion of a training/meeting or mail appropriate travel reimbursement form and receipts within two weeks of training completion to (Counties must mail/fax VIF to SDSURF and mail invoice to Program Manager, see below):

QUALITY ASSURANCE & IMPROVEMENT BUREAU

SUBJECT: IHSS TRAINING ACADEMY (IHSSTA) TRAVEL REIMBURSEMENT

The California Department of Social Services (CDSS), Adult Programs Division (APD), Quality Assurance and Improvement Bureau (QA&IB), Training and Development Unit (T&DU), provides the following general travel reimbursement guidelines for county social services staff when participating in IHSSTA classes. The following information will help ensure the appropriate county social services staff attend IHSSTA trainings in the most cost-effective manner.

- Know which region your county belongs to in order to attend the appropriate trainings in your region (see attached regional map).
- Travel reimbursement is authorized under certain circumstances by CDSS and is restricted to mileage and lodging. County social services staff will be reimbursed in accordance with State travel reimbursement rules and policies as specified below.
 - If the training participant must travel 50 miles or more one way within their region, travel will be reimbursed by San Diego State University Research Foundation (SDSURF). No prior CDSS approval required.
 - If the participant needs to travel more than 50 miles one way <u>and</u> the training falls outside the participant's region, travel reimbursement (mileage and/or lodging) requires CDSS' pre-approval. (Requests should be made directly to CDSS, who will inform requestor and the IHSSTA of their decision.)

Travel Reimbursement Process

- SDSURF will provide a Travel Reimbursement Claim form to each county participant at the training site. (Hotel reservations, if needed—and pre-approved by CDSS –are to be made by the training participant, or through the county process. SDSURF does not make hotel reservations for training participants.)
- All claims must be submitted directly to SDSURF with the original receipts attached at the final day of training or no later than two weeks after completion of training.

Travel Reimbursement Pre-Approval Process

- If county social services staff need to attend training outside of their region due to a conflict in their schedule and/or because there are a limited number of available trainings remaining that fall outside of their region, an approval request must be obtained from CDSS within two weeks of the training start date, or sooner. These requests must be sent to IHSS-Training@dss.ca.gov, and include the following components:
 - Reason for the request;
 - Which region the individual resides in (including the address of the county IHSS office where s/he works);
 - Which region s/he is requesting to attend the training in;
 - Whether *mileage only* or mileage **and** lodging reimbursement are requested.
 - Upon receiving the approval from CDSS, email notification will be provided to SDSURF and the county social services participant to coordinate the process for travel reimbursement.

Additional questions and/or concerns may be emailed to IHSS-Training@dss.ca.gov.

INSTRUCTIONS FOR VENDOR INFORMATION FORM

PURPOSE OF FORM

Section 6109 of the Internal Revenue Service (IRS) code requires you to provide your correct taxpayer identification number (TIN) to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you. San Diego State University Research Foundation requests that the Vendor Information Form be used in lieu of IRS form W-9.

DETERMINE U.S. VS FOREIGN STATUS

U.S Person - Use this form only if you are a U.S. person (including a resident alien) to provide your correct TIN to the requestor, and when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Nonresident Alien - Do <u>not</u> use this form. Instead, use IRS form W-8, Certification of Foreign Status of Beneficial owner for U.S. Tax Withholding. See IRS Publication 515, "Withholding of Tax on Nonresident Aliens and Foreign Entities" for more information.

DETERMINE STATE OF CALIFORNIA RESIDENCY STATUS - RESIDENT OR NONRESIDENT

Each corporation, individual/sole proprietor, partnership, estate or trust doing business in the State of California must indicate their residency status along with their taxpayer identification number.

A **corporation** will be considered a "resident" if it has a permanent place of business in California. The corporation has a permanent place of business in California if it is organized and existing under the laws of this state or, if a foreign corporation has qualified to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in this state only if it maintains a permanent office in this state that is permanently staffed by its employees.

For **individuals/sole proprietors**, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.

For withholding purposes, a **partnership** is considered a resident partnership if it has a permanent place of business in California. An **estate** is considered a California estate if the decedent was a California resident at the time of death and at least one trustee is a California resident.

More information on residency status may be obtained by calling the Franchise Tax Board at the numbers listed below:

From within the United States, call......1-800-852-5711 From outside the United States, call......1-800-854-6500 For hearing impaired with TDD, call.....1-800-822-6568

ARE YOU SUBJECT TO NONRESIDENT WITHHOLDING?

Payments made to nonresident vendors, including corporations, individuals, partnerships, estates and trusts, are subject to withholding. Nonresident vendors performing services in California or receiving rent, lease or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for state income taxes. However, no withholding is required if total payments to the vendor are \$1,500 or less for the calendar year.

A nonresident vendor may request that income taxes be withheld at a lower rate or waived by sending a completed form FTB 588 to the address listed below. A waiver will generally be granted when a vendor has a history of filing California returns and making timely estimated payments. If the vendor activity is carried on outside of California or partially outside of California, a waiver or reduced withholding rate may be granted. For more information, contact:

Telephone: 916-845-4900 FAX: 916-845-4831

If the Franchise Tax Board has authorized a waiver or reduced rate of withholding, attach a copy to this form.
