

IHSS Stakeholders Workgroup Meeting On Regulations Development

Thursday, February 3, 2005

9:00 a.m.-12:30 p.m.

1321 Garden Hwy, Sacramento, California

Outcomes

- All workgroup members will have the opportunity to contribute to the direction and formation of CDSS' IHSS regulations as provided in existing statutes and therefore, impact the services to California's aged, blind, and disabled population.
- The workgroup will adopt an initial working Charter to include the purpose, structure, membership, roles and responsibilities, and meetings.
- The workgroup will develop an initial work plan to include identification of high-level interests in regulations, identification of issues, initial prioritization, and the identification of timeframes.
