

FFY 2013 FANOut Meetings

(Food Access, Nutrition Education and Outreach Committee)

Action Worksheet

What can you do to advance obesity prevention, SNAP-Ed and Cal Fresh Outreach in California?

As you participate at FANOut, please take note on different ways you may take action based on the information you glean from these meetings.

- Can you sign-on to support letters to add, continue, or enhance funding recommendations related to obesity prevention, SNAP-Ed, and/or Cal Fresh at the local, state, and federal level?
- Can you promote Policy, Systems, and Environmental changes related to obesity prevention at the local, state, and federal level?
- Can you share a toolkit from CDSS and/or the *Network for a Healthy California* with local and regional partners?

Below is a worksheet to collect ideas and thoughts about what you might do.
