

Summer Meal Programs

Meals for Children When School Is Out

California's summer nutrition programs can help feed your children healthy meals during the summer months. The summer meal sites are located throughout California. Look for a site near you!

Visit the California Department of Education Food Program Web page at <http://www.cde.ca.gov/ds/sh/sn/summersites.asp>.

On the Web page, you will find a map of California. Click on your county and see the list of sites serving free meals as a part of the summer nutrition program in your area.

The list includes the name, address, and telephone number for each site so you can call for additional information.

**You can also call the Hunger Hotline at 1 (866) 3HUNGRY.
For Spanish Language Hunger Hotline call 1-877-8-HAMBRE.**

The summer nutrition programs serve all children through age eighteen. The programs also operate activities that are safe and fun. Children receive complete, wholesome meals, and parents receive help to stretch their food dollars.
