CALFRESH CAN MAKE IT EASIER TO EAT HEALTHY

People without a home have the same right to get CalFresh as anyone else.

Who is without a home?

Any person who:

- Has no fixed, regular place to sleep at night
 - Lives in a shelter, an armory or a welfare hotel
 - Lives in a half-way house
 - Is living in another person's home for less than 90 days
- OR
- Lives in a place that people do not usually live (for example, a person without a home might live in a doorway, a lobby, a bus station, a hallway or a car)

Did you know?

- You don't need an address to apply for CalFresh.
- People without a home can use their CalFresh benefits at the same places as other people who receive CalFresh.
- If your entire household is without a home, you don't need to turn in a quarterly report.
- No one should be told they can't get CalFresh simply because they do not have a photo ID. To prove who you are, you can use:

- Work or school ID
- ID card for health benefits
- ID from another social services program such as CalWORKS
- Wage stubs
- Birth Certificate
- Voter Registration Card
- If you do not have an ID, counties must help you to get the right paperwork or ID. This may take two steps. For example, you may need to get a birth certificate in order to get an ID.
