Your CalWORKs Reporting Rules Have Changed. **Please Read This Carefully.**

As of _____ (date), your CalWORKs case will change from Semi-Annual Reporting to Annual Reporting. This is because your case no longer includes aid for an adult. You will no longer have to complete the SAR 7 once a year. You will now only have to report once per year on your annual redetermination form (SAWS 2 PLUS).

This won't be new as these were on-going SAR cases.

This notice has details on the Annual Reporting requirements. Ask your worker or call the County if you have questions about what to report and when.

You will get a separate notice about any changes to your CalFresh reporting requirements.

Reporting Rules

Under Annual Reporting you have no form you have to fill out and return other than the annual redetermination.

You still will get an appointment letter in the mail when your redetermination is due. Your aid will stop if you miss your redetermination appointment and don't make it up by the end of the month.

Example: On March 18, you get an appointment letter from the county that says your redetermination appointment is on April 4. If you miss the appointment and don't make it up by the end of the April, your case will be discontinued April 30th.

Income Reporting Threshold (IRT) Rules

You still need to report within 10 days if your total monthly income is more than the IRT amount. You have to report the income to the County **within 10 days**. By "total monthly income" we mean **any** money you get. Any time your IRT amount changes, the County will tell you in writing what the new income level is.

Under Annual Reporting, when you report income over your IRT, the County may lower or stop your benefits.

Example: If your IRT is \$900 and you get income of \$800 you do not have to report the change until your next redetermination. If you get income of \$901 or more, you must report it to the county within 10 days. Your benefits will go down or stop. The County will give you a notice 10 days before the change. If your benefits are lowered, the County will also tell you your new IRT amount.

Mandatory Reporting Rules

Under Annual Reporting, you must report anytime someone moves into or out of your home. Annual Reporting rules say you **MUST** report the following mid-year changes, verbally or in writing, within 10 days of the change:

- income over the IRT;
- someone moves into or out of your household;
- address changes;
- fleeing felon status; or
- a court finding that anyone violated a condition of probation or parole.

Voluntary Reporting Rules

There is no change to CalWORKs voluntary reporting rules under Annual Reporting. You may voluntarily report any information (such as a decrease in income) that may increase your grant amount.

Welfare-to-Work Reporting Rules

If you get Welfare-to-Work services, you must continue to turn in all other reports and verifications required by the county. You need to turn in this proof to keep getting services like child care, transportation, and money for books.
