DEAR HEALTH CARE PROVIDER:

The California Work Opportunity and Responsibility to Kids (CalWORKs) program requires that non-exempt individuals participate in work, training, or educational activities for 32 or 35 hours (for one or two-parent households, respectively) per week. CalWORKs participants must make "satisfactory progress" in their activities.

We ask your help in evaluating this individual by providing us with information regarding how his/her mental or physical condition will affect the ability to participate in a work/training program. With this information, we can better assign the participant to an appropriate activity. It will also help us to determine if the participant's condition will enable him/her to participate or successfully complete 32 or 35 hours per week of work and/or training requirements.

Please complete Section 2 of the attached form and sign (or have your authorized representative sign) the Certification in Section 3. Please also complete the Physical Capacities and/or Mental Capacities form(s), as appropriate.

Thank you for your assistance.
