The Foster Family Agency listed below is authorized by the Community Care Licensing Division of the State Department of Social Services to recruit, train, select and certify for exclusive use certain homes that meet state licensing standards and are suitable for the Foster Family Agency's placement need. A residential home selected and approved for exclusive use for the reception and care of children placed by the Foster Family Agency is exempt from the requirement of licensure, but must otherwise meet licensing standards. This form is used as an authorization by the Foster Family Agency to verify that a selected home is certified for exclusive placement. The original is to be posed or maintained in the home.
