## GROUP PLANNED ACTIVITIES

| FACILITY NAME |  |
| :--- | :--- |
| FACILITY ADDRESS |  |
| POPULATION SERVED | AGE RANGE |

NOTE: Facilities must develop activities to meet the needs of the resident. (Health and Safety Code, Sections 1501, 1530 and 1569.30.) This guide is to assist you to identify activities available to the resident, and should be kept current. Residents should be encouraged to help plan, prepare and evaluate the activities. Planning includes use of space, equipment, community resources, volunteers and hired staff. This form may be used to calendar events.
INSTRUCTIONS: Complete each section as activities pertain to residents in your facility.
