Your transportation payment calculation is shown on this notice.

Mileage can be paid only if there is no public transportation available, or if driving your car costs the same or less than public transportation. Public transportation is available when it takes two hours or less round trip to get you from your home to your activity on time. Time going to and from your child's school or child care is not counted in how long it takes you to get to your activity. If you drive your car even though public transportation is available, you will be paid at the public transportation rate or the mileage rate, whichever is lower.

Unless it is an emergency, you need to tell your worker at least ten days before you change your transportation arrangement.

## YOUR HEARING RIGHTS

You have the right to ask for a hearing if you disagree with any county action. You have only 90 days to ask for a hearing. The 90 days started the day after the county gave or mailed you this notice. If you have good cause as to why you were not able to file for a hearing within the 90 days, you may still file for a hearing. If you provide good cause, a hearing may still be scheduled.

If you ask for a hearing before an action on Cash Aid, Medi-Cal, CalFresh, or Child Care takes place:

- Your Cash Aid or Medi-Cal will stay the same while you wait for a hearing.
- Your Child Care Services may stay the same while you wait for a hearing.
- Your CalFresh benefits will stay the same until the hearing or the end of your certification period, whichever is earlier.

If the hearing decision says we are right, you will owe us for any extra Cash Aid, CalFresh or Child Care Services you got. To let us lower or stop your benefits before the hearing, check below:
