The county is changing your case from Quarterly Reporting to Annual Reporting. Below are the changes that are effective October 1, 2012.

**Reporting Rules**

Before, you turned in a QR 7 every 3 months. **As of October 1, 2012, you will only need to complete an annual redetermination/recertification (RD/RC).** If you have earned income and you receive CalFresh benefits, then you have an RC every 6 months.

Just like Quarterly Reporting, you will receive an appointment letter in the mail when your RD/RC is due. If you miss your RD/RC appointment and don’t make it up by the end of the month, **your aid will stop.**

**Example:** On March 18, 2013, you receive an appointment letter from the county that says your RD/RC appointment is on April 4, 2013. If you miss the appointment and don’t make it up by the end of the month, your case will be discontinued.

**Welfare to Work Reporting Rules**

Although you no longer have to submit a QR 7, you may still have to submit other reports to the county. For example: If you are working and report your work hours to the county, you will still have to do that if the county asks you to.

**Changes to the Income Reporting Threshold (IRT) Rules**

The IRT is the amount of total monthly income that you have to report **within 10 days.** By “total monthly income” we mean any money your household gets. The County will tell you your IRT amount and any time your IRT changes, the county will let you know in writing.

**For CalWORKs:** The amount of income that you have to report within 10 days is changing. The IRT is based on your total income and the number of people in your household. Before, we would stop your benefits if your total income was over the IRT. Under the new rule, when you report income over your IRT, the county may lower or stop your benefits.

**Example:** If your IRT is $900 and you get income of $800 you do not have to report the change until your next RD/RC. If you get income of $901 or more you must report it to your worker within 10 days. Your benefits will go down or stop. If your benefits go down, the county will give you a new IRT.

**For CalFresh:** Before, you did not have an IRT. Effective October 1, 2012, you will have to report within 10 days anytime your source of income changes, anytime your total monthly income starts or stops, anytime your earned income changes by more than $100, or anytime your unearned income changes by more than $50.

**Mandatory Reporting Rules**

For CalWORKs, mandatory reporting rules are the same as under Quarterly Reporting, with one addition: you must report within ten days anytime someone moves into or out of your household.

For CalFresh, in addition to the income reporting requirements, you must also report within 10 days anytime you move, changes to your rent or utility costs (only if you move), any change in the amount of any court-ordered child support, or anytime someone moves into or out of your household.

**Voluntary Reporting Rules are the same.** Voluntary reports may increase your benefits.
