

## **C. COUNTY SOCIAL SERVICES OFFICES**

The County Social Services offices in California serve as a delivery channel for many direct state services. An individual with a visual impairment may contact the county in which he/she resides to determine eligibility for services. Some of these services, which are coordinated at the County Social Service offices, are Medi-Cal benefits and In-Home Supportive Services (IHHS). A listing of these County Social Services offices is below.

### **ALAMEDA COUNTY**
