RID is a national membership organization representing the professionals who facilitate communication between people who are deaf or hard of hearing and people who can hear. Interpreters serve as professional communicators in a vast array of settings such as: churches, schools, courtrooms, hospitals and theaters, as well as on political grandstands and television. RID has a tri-fold approach to the standards it maintains for membership: First RID strives to maintain strict adherence to a nationally recognized industry standard for testing. They also have a certified maintenance program for interpreters so that they may

continue their skill development. Thirdly, RID has an ethical practices system in conjunction with the National Association of the Deaf (NAD).
