SUBJECT: ADOPTION ASSISTANCE PROGRAM (AAP) RATES

REFERENCE: WELFARE AND INSTITUTIONS CODE (W&IC) SECTIONS 16121(a) AND (g); ALL COUNTY LETTERS (ACL) 11-74, 12-45 AND 13-63

This letter is to inform counties, district offices and other interested parties of the California Necessities Index (CNI) increase to be applied to the AAP basic rate. Refer to ACL 11-74 for the AAP basic rate methodology as stated in W&IC section 16121(a). The adjusted schedule of rates in this letter reflects the CNI increase of 2.17% for Fiscal Year (FY) 2014-2015, effective July 1, 2014. In addition, this letter reflects the CNI increase to be applied to Dual Agency rates, effective July 1, 2014. The negotiated AAP rate continues to be based on the child's needs and the circumstances of the family and may include the Specialized Care Increment (SCI), if eligible. The SCI rate is calculated by adding the SCI to the basic rate; therefore, recipients who receive this rate will also receive the CNI increase to the basic rate. The adjusted schedules of AAP basic rates stated on the following pages are to be used when determining the maximum eligible initial and subsequent AAP basic rate.

The CNI increase is not applied to the supplement to the rate. The supplement to the rate, if eligible, is added to the Dual Agency rate; therefore, recipients who receive this rate will also receive an increase due to the increase to the total Dual Agency rate.

III. County and the California Department of Social Services (CDSS) Adoption District Office Responsibility

Counties and CDSS adoption district offices shall adjust monthly AAP basic rates and the Dual Agency rate to include an annual CNI increase should one occur, effective July 1st of each year. The adjustment must be documented by sending AAP recipients a Notice of Action (NOA) reflecting the AAP rate change. A copy of the NOA must be placed in the AAP case file for documentation purposes. To process the automatic CNI increase, the Adoption Assistance Program Agreement (AD 4320) and Payment Instructions Adoption Assistance Program (AAP 2) forms are not required to be completed by the responsible public agency. While CNI increases do not require an amended AAP agreement, all other changes to the AAP benefit continue to require an amended agreement.
