**NON-ASSISTANCE CALFRESH WORK REGISTRANTS,  
ABLE-BODIED ADULTS WITHOUT DEPENDENTS (ABAWD),  
AND EMPLOYMENT AND TRAINING (E&T) PROGRAM  
QUARTERLY STATISTICAL REPORT  
STAT 47 (10/14)**

**INSTRUCTIONS**

**CONTENT**

The STAT 47 report collects data on Non-Assistance CalFresh recipients. Data for Public Assistance CalFresh recipients in receipt of CalWORKs is not included on the report. Within this Non-Assistance CalFresh universe of persons, the STAT 47 gathers data for those persons who are CalFresh work registrants. Data is not gathered for Non-Assistance CalFresh recipients who are exempt from CalFresh work registration. Thus, all entries on the STAT 47 are Non-Assistance CalFresh work registrants.

Non-Assistance CalFresh work registrants are either an Able-Bodied Adult Without Dependents (ABAWD) or a non-ABAWD. An ABAWD is a work registrant that is not exempt from the ABAWD work requirement and a non-ABAWD is a work registrant who is exempt from the ABAWD work requirement. Although the ABAWD work requirement is currently waived in California, Food and Nutrition Service (FNS) requires the state to gather data that identifies the number of ABAWDs and non-ABAWDs participating in CalFresh Employment and Training (E&T) activities. The STAT 47 also includes an entry for an October 1 point-in-time count of work registrants and ABAWDs to help counties in the preparation of their CalFresh E&T plans.

**PURPOSE**

STAT 47 data is used by the United States Department of Agriculture (USDA), FNS, to monitor CalFresh work registrants, ABAWDs, and the E&T population. This data collection is required by the Code of Federal Regulations Section 273.7 (c). The data is used to complete the FNS 583, a federal report which the California Department of Social Services (CDSS) submits to the USDA FNS on a quarterly basis. This report provides county, state, and federal entities with information needed for budgeting, staffing and program planning.

**COMPLETION AND SUBMISSION**

The County Welfare Department (CWD) is responsible for ensuring that this report is fully and accurately completed. The contact person responsible for submitting the report to the state shall review the report for completeness and accuracy prior to submittal. Reports are to be received on or before the 15th calendar day of the month following the report quarter. If the report's due date is on a Saturday, Sunday or state holiday, the report is due on the next business day. Counties are to maintain an electronic (Excel) copy of all submitted Initial and Revised reports to ensure the county's records coincide with the records on file at CDSS.

If a county determines that a revision is needed to its previously submitted report, the county shall submit a revised report for the applicable quarter(s). CDSS policy requires counties to revise current State Fiscal Year (FY) reports and two prior FYs if needed. Revisions involving additional FYs will be evaluated by CDSS and the county to determine the corrections needed.

Download the report form, which includes links to the report's instructions and validations, from <http://www.cdss.ca.gov/dssdb/>. E-mail the completed STAT 47 report form to CDSS, Data Systems and Survey Design Bureau (DSSDB) at [admstat47@dss.ca.gov](mailto:admstat47@dss.ca.gov). This electronic submission process contains automatic computation of some items (cells) and provides for e-mail transmission of completed STAT 47 reports to DSSDB.

**COMPLETION AND SUBMISSION (Continued)**

If you have questions regarding the completion or submission of this report, contact DSSDB at (916) 651-8269. For reference purposes, a PDF copy of the report form with instructions and validations can be downloaded from the CDSS Research and Data Reports (RADR) website at <http://www.cdss.ca.gov/research/>. The statewide and county specific STAT 47 data is also available on the website. Counties are encouraged to review their data on the website each quarter to confirm the county's data coincides with the data on file at CDSS.

**DEFINITIONS**

**ABAWD:** An Able-Bodied Adult without Dependents (ABAWD) is a Non-Assistance CalFresh work registrant between the ages of 18 and 49 who does not qualify for one of the ABAWD exemptions listed in the Manual of Policies and Procedures (MPP) Sections 63-410.31 and .32. CalFresh eligibility for ABAWDs is limited to any three (3) months in a 36-month period unless the individual meets the ABAWD work requirement, qualifies for an ABAWD exemption, lives in a county where the work requirement is waived, or receives the ABAWD 15 percent exemption. Within the 36-month period, an individual who regains eligibility and stops meeting the ABAWD requirement for reasons such as layoff may receive CalFresh for one additional period of three consecutive months.

**ABAWD Exemptions:** Persons are exempt from the ABAWD work requirement if they qualify for one of the CalFresh work registration exemptions at MPP Section 63-407.21 (see list of work registration exemptions below). Individuals are also exempt from the work requirement if they are: under age 18 or over age 49; residing in a CalFresh household that includes a child under 18 years of age; or pregnant.

**ABAWD 15% Exemption:** The 15 percent exemption is a temporary exemption that counties may grant to persons who are unable to satisfy the ABAWD work requirement due to circumstances beyond their control. The CDSS allocates 15 percent exemptions that counties may apply to ABAWDs. Criteria for the 15 percent exemption are developed by counties and include such things as illiteracy, family crisis that interrupts E&T participation or causes a temporary reduction in hours worked, social and emotional barriers, remoteness, temporary homelessness, lack of adequate transportation, domestic violence, recent release from a drug or alcohol treatment program, working 10 to 19 hours per week and unable to meet the 20-hour work requirement, and other reasons determined on a case-by-case basis.

**DEFINITIONS (Continued)**

Unlike those granted one of the ABAWD exemptions listed above, persons granted the 15 percent exemption are still considered ABAWDs and are counted as such for purposes of quarterly reports and estimated ABAWD counts in the E&T plan.

ABAWD Waiver: A federally approved waiver of the ABAWD work requirement for areas within the state with a high unemployment rate or lack of sufficient jobs.

CalFresh Work Registrant: CalFresh applicant or recipient who does not qualify for any of the work registration exemptions in MPP Section 63-407.21. Work registrants are not to be confused with ABAWDs or E&T participants. ABAWDs are a subset of the work registrant population and E&T participants are limited to persons assigned to an E&T component.

E&T Component: A service, activity, or program designed to help recipients gain skills, training, or work experience. Components include but are not limited to: job search, job club, workfare (which can include an up-front period of job search for 30 days), self-initiated workfare, work experience/on-the-job training, job retention, vocational training and education.

E&T County: A county that offers a state approved E&T program.

E&T Participant: A CalFresh applicant or recipient who is assigned to participate in an E&T activity either as a mandatory participant or as a volunteer.

Federal Fiscal Year: The federal fiscal year (FFY) runs from October 1 through September 30. For example, FFY 2013 began October 1, 2013 and ended September 30, 2014.

Non-ABAWD: A CalFresh recipient that qualifies for one of the ABAWD exemptions at MPP Section 63-410.31 and .32. For purposes of this report, non-ABAWDs refer specifically to those CalFresh E&T participants who qualify for an ABAWD exemption.

Non-Qualifying E&T Component: An E&T component that does not satisfy the ABAWD work rule, namely, job search and job club.

Qualifying E&T Component: An E&T component that satisfies the ABAWD work requirement. Qualifying activities consist of workfare (including the 30-day job search activity that can be assigned prior to workfare), self-initiated workfare, work experience/OJT training, vocational training, job retention and education.

Work Registration Exemptions: In accordance with MPP Section 63-407.21, an individual is exempt from work registration if he/she is:

- Younger than 16 years of age or 60 years of age or older;
- 16 or 17 years of age who is not the head of the household, or who is attending school or enrolled in an employment training program at least half time;
- Physically or mentally unfit for employment;
- Complying with CalWORKs Welfare-to-Work requirements;
- Caring for a dependent child under age six or an incapacitated person;
- Receiving or has applied for unemployment insurance benefits;
- Participating in a drug or alcohol treatment program that prohibits employment of 30 hours or more per week;
- Employed or self-employed at least 30 hours per week or receiving weekly earnings at least equal to the federal minimum wage multiplied by 30 hours;
- Attending school on at least a half-time basis.

**ITEM INSTRUCTIONS**

All counties must complete Part A of the STAT 47. In addition, E&T counties must complete Parts B, C and D of the report. Part E is automatically calculated based on entries made in Part D. Part E is used by CDSS in completing the federally mandated quarterly FNS 583 report. Part F must be completed by all counties when completing the October - December report each year.

**PART A. WORK REGISTRANT AND ABAWD INFORMATION (All Counties)**  
**Count each work registrant and ABAWD in only one month during FFY.**

Part A collects unduplicated counts of new work registrants and new ABAWDs who are approved for CalFresh during the quarter. Persons reported under this part are not counted in future quarters during the same FFY. Work registrants are those persons who do not qualify for a work registration exemption and ABAWDs are those persons who do not qualify for an ABAWD exemption. See definitions section for further detail.

All counties, both E&T and non-E&T, must report work registration and ABAWD data. This includes those counties with an approved ABAWD waiver. This part also contains data regarding a county's use of the ABAWD 15 percent exemption and such data is only reported by those counties where the ABAWD work requirement is not waived.

1. Unduplicated new work registrants during the quarter: Enter the number of all new Non-Assistance CalFresh work registrants by month during the quarter. **The quarter total is automatically calculated.** This item is an unduplicated count; an individual is counted as work registered in only one month during the FFY (October 1 through September 30). Do not include work registrants from previous quarters. A work registrant should be counted irrespective of whether he/she is an ABAWD. [Cells 1-4]
2. Unduplicated new ABAWDs during the quarter (Include in Item 1): Enter the number of all new ABAWDs during the quarter. **The quarter total is automatically calculated.** This is an unduplicated count; an individual is counted as a new ABAWD in only one month during the FFY. Item 2 is a sub-set of Item 1. [Cells 5-8]

**Note:** The ABAWD population is a subset of the work registrant population. There are always fewer ABAWDs than there are work registrants because there are added exemptions for ABAWDs which do not apply to work registration.

Do not include ABAWDs from previous quarters. This count includes ABAWDs living in a county with an ABAWD waiver and those receiving the 15 percent exemption.

3. ABAWDs exempt under the 15% criteria during the quarter (Include in Item 2): Enter ABAWDs who are exempted under the county's 15% criteria. Unlike items 1 and 2, this is a duplicate count as ABAWDs are counted for every month they receive the exemption. **The quarter total is automatically calculated.** Counties with an ABAWD waiver should enter "0" (zero). [Cells 9-12]

**PART B. NEW INDIVIDUAL E&T PARTICIPANTS (E&T Counties Only)**  
**Count each participant in only one month during FFY.**

This part gathers an unduplicated count of individuals who participated in E&T during the quarter. Participants should be counted once for the FFY. Participants should not be counted if they participated in E&T during previous quarters in the same FFY, even if there was a break in participation of several months. These individuals should not be counted in future quarters in the same FFY. Individuals are counted in only one month in a FFY even if they are placed in more than one component.

**ITEM INSTRUCTIONS (Continued)**

4. New individuals who participated in E&T during the quarter (Items 4a plus 4b): ***This item is automatically calculated.*** This is the sum of Item 4a and Item 4b. [Cells 13-16]

**PART C. NEW E&T COMPONENT PLACEMENTS (E&T Counties Only)**

***For each component placement, count the participants in only one month during FFY.***

This part gathers an unduplicated count of participants placed in each E&T component during the FFY. An individual must be counted only once for each component in which he/she is placed. For example, an individual placed in a job club component in October would be counted in the "Month 1" column in the October – December quarter and for the purpose of this part, the individual would not be counted as a job club participant in future quarters in the same FFY. If that same individual is placed into workfare in December, one workfare placement would be counted in the "Month 3" column in the October – December quarter and the participant would not be counted in workfare for future quarters in the same FFY.

**PART D. NEW AND CONTINUING PROGRAM PARTICIPANTS (E&T Counties Only)**  
***Count each participant in each applicable month each quarter.***

This part gathers ongoing monthly E&T participant counts. Persons are counted every month they participate in any E&T component. For example, an individual who participates in job search every month during the quarter would receive three placement counts in Item 15.

If that same individual simultaneously participated in education throughout the quarter, the individual would also be counted three times in Item 21.

Unlike Parts B and C which gather counts for new individuals and unduplicated component placements, this part counts participants even if they have participated in previous quarters and such persons are counted in future quarters for every month they participate in E&T.
