SUBJECT: FINAL REPORT TO LEGISLATURE ON AB 1808 CALIFORNIA WORK  
OPPORTUNITY AND RESPONSIBILITY TO KIDS (CALWORKS) COUNTY PLAN  
ADDENDUM STRATEGIES FOR INCREASING THE WORK PARTICIPATION  
RATE

The purpose of this letter is to transmit the Senate Bill (SB) 84 (Chapter 177, Section 19, Statutes of 2007) final report to the Legislature on Assembly Bill (AB) 1808 (Chapter 75, Statutes of 2006) CalWORKs county plan addendum strategies for increasing the work participation rate.

AB 1808 enacted Welfare and Institutions Code section 10534, which required counties to review their existing CalWORKs County Plan and submit an addendum to the California Department of Social Services (CDSS) detailing how the county will meet specified goals, taking into consideration the work participation requirements of Temporary Assistance for Needy Families (TANF) Reauthorization.

SB 84 required CDSS, in conjunction with CWDA, to report on the implementation and results of AB 1808 strategies that are designed for up-front engagement and sanction reengagement, as well as any strategies to engage time-limited (Safety Net) populations and the characteristics of these populations. To complete these reporting requirements, CDSS in partnership with CWDA and the county welfare directors surveyed the counties for information on the implementation and results of at least one strategy for up-front engagement and sanction reengagement from each county's AB 1808 county plan addendum. The surveys also requested that counties provide information on the implementation and results of any strategies to engage Safety Net families in welfare-to-work activities in an effort to better inform the Legislature of
