This notice is to inform you that within 90 days of the enactment of the State Fiscal Year (SFY) 2011-2012 Budget Act, we will distribute the Kids’ Plate revenue. The total revenue for SFY 2010-2011 is \$917,000, which is \$343.00 less than last year. This is due to a decrease in the amount of fees received for the California “Kids” vehicle license plates. Each county’s share is based on their proportion of the state’s children’s population age zero-18 as reported by Department of Finance statistics starting July 2010. The allocations for the fiscal year are shown on the enclosed chart (Attachment A).

The California Department of Motor Vehicles generates the Kids’ Plate revenue from initial and renewal fees for custom and sequential California “Kids” vehicle license plates. The intent of the revenue is to strengthen health and safety protections for children and to help fund programs to reduce child injury and child abuse. Pursuant to Welfare and Institutions Code Section 18285 and Vehicle Code Section 5072, Kids’ Plate revenue is deposited into the Child Health and Safety Fund. Statute requires that it be distributed as follows:

- Fifty percent to the Child Day Care Licensing Unit of the Community Care Licensing Division within the California Department of Social Services.
- Twenty-five percent to the Childhood Injury Control Program within the California Department of Public Health.
- 22.5 percent to County Children’s Trust Funds, and;

- 2.5 percent to the State Children's Trust Fund.

To facilitate your efforts toward preventing child abuse and neglect and in early intervention, we encourage you to coordinate the use of the Kids' Plate revenue with other funds provided for Child Abuse Prevention, Intervention and Treatment; Community-Based Child Abuse Prevention; and Promoting Safe and Stable Families.

If you have any additional questions, please call Lee Ann Kelly, Assistant Chief, Office of Child Abuse Prevention, at (916) 651-6960.

Sincerely,
