The purpose of this All County Information Notice is to alert County Welfare Departments (CWDs) that on October 28, 2011 the California Department of Social Services (CDSS) issued Manual Letter EAS No. 11-01. The letter was issued to CWDs to alert them that CDSS had revised the CalWORKs regulations at MPP Section 44-111.61(n) which describes income that is exempted when determining eligibility and grant amounts. The regulations specify that payments made under the Adoption Assistance Program are to be excluded for the purposes of determining CalWORKs eligibility and grant amounts.

The Department had previously issued directions to the CWDs on November 1, 1990 to exclude AAP payments (ACL 90-101). However, as a component of the settlement agreement in the Cadaret v. Wagner case, CDSS agreed to implement regulations specifically instructing CWDs that AAP payments are to be excluded when eligibility and grant amounts are determined for the CalWORKs program. In compliance with that

order, and to ensure clarity and uniformity in program processes, CDSS has completed the revision of the CalWORKs regulations by adding MPP Section 44-111.61(n), which states "Payments received from any federal, state, or local Adoption Assistance Program" are to be considered as exempt income for CalWORKs purposes.
