ALL-COUNTY INFORMATION NOTICE 1-6-80
COUNTY WELFARE DIRECTORS
COUNTY ADMINISTRATIVE OFFICERS

SUBJECT: WORKLOAD AND COST COMPARISON REPORT FOR THE CUMULATIVE PERIOD ENDING
JUNE 1979 *(See enclosure)*

REFERENCE:

Attached is the Workload and Cost Comparison (WACC) Report for the cumulative period ending June 1979.

This package contains the usual selected statewide activity trends, a definition of terms, and the data collection sources. The selected statewide activity trends show quarterly statewide weighted means for those workload measurements, which are the focal point of our cost control system. For specific information relating to your county, please refer to the WACC Report.

Fiscal data utilized in the WACC Report are taken from the county administrative expense claims prior to their audit. Consequently, data from final audited claims may differ from data reported here. Caseload and fiscal data may not be complete for all counties if statistical reports were incomplete or revised reports submitted at the time the report was prepared.

If you have any questions regarding this report, please contact the County Administrative Expense Control Bureau at (916) 322-5802.

Sincerely,

Deputy Director
