ALL-COUNTY INFORMATION NOTICE I-80-83

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: IDENTIFICATION OF PUBLIC ASSISTANCE RECIPIENTS
WITH OTHER HEALTH INSURANCE COVERAGE

REFERENCE:

During the first six months of 1982, Department of Health Services staff implemented Section 105 of AB 251 which requires county welfare eligibility staff to issue the Health Insurance Questionnaire (HRB2A) to public assistance recipients with private health insurance coverage. This recovery program needs your support to reach the projected goal of identifying 8 to 10% of the public assistance population with other health coverage, resulting in increased dollars that will be collected from private insurance companies and returned to the Medi-Cal program.

This letter is to make you aware of this recovery effort and to encourage your continuing support. Directing your staff to continue to give priority to this program will help to increase the number of recipients identified at intake and redetermination with other health coverage thereby minimizing taxpayer costs.
