SUBJECT: REVISED ALL COUNTY LETTER (ACL) 11-01 – PROGRAM
APPROPRIATIONS FOR FEDERAL FISCAL YEAR (FFY) 2001: EXCESS
SHELTER DEDUCTION INCREASE

Attached is a copy of the final version of All County Letter (ACL) 11-01, which has been signed by Deputy Director, Bruce Wagstaff. We handed out an earlier version of ACL 11-01 signed by Deputy Director, Sylvia Pizzini "for" Bruce Wagstaff, at the TRT meeting on February 1, 2001.

Due to the comments we received at TRT on February 1, 2001, we have made a few modifications to the language in the second paragraph of the letter clarifying the effective date of the new excess shelter deduction. Also, due to TRT comments, we have developed a TEMP form for use in informing those applicants and recipients impacted by this change in the shelter deduction. Counties should discard the informing notices FS 11 and FS 11A attached to the original ACL 11-01, and use the new attached TEMP 2192 form.

We apologize for any inconvenience this may have caused. If you have any questions regarding the ACL or the forms, please contact me at (916) 654-2116.

SUBJECT: PROGRAM APPROPRIATIONS FOR FEDERAL FISCAL YEAR
(FFY) 2001: CHANGE TO THE EXCESS SHELTER DEDUCTION

REFERENCE: ALL COUNTY LETTER (ACL) 00-63 (dated: September 11, 2000)

The purpose of this letter is to transmit implementing instructions to county welfare departments (CWDs), regarding the new maximum excess shelter deduction. On October 28, 2000, the President signed into law the Federal Fiscal Year (FFY) 2001 Agriculture Appropriations Bill (Public Law 106-387), which, among other provisions, raises the maximum excess shelter deduction from \$300 to \$340.

This provision goes into effect on March 1, 2001, but does not apply to food stamp households with certification or recertification periods beginning before the effective date. CWDs must implement the \$340 maximum when the certification or recertification period begins March 1, 2001, or later.

Please note that this letter addresses the change in the excess shelter deduction only. It does not make any changes to any existing food stamp allotments or other deductions outlined in ACL 00-63.

Quality Control/Error Rate Implication

CalWORKs and Food Stamp Data Systems Design Taskforce will be releasing quality control review procedures shortly. Please contact Michael Bowman-Jones at (213) 833-2260, if you have any questions.

Stuffer Notice

Enclosed is a copy of TEMP 2192 (ENG/SP), a temporary informing notice. CWDs are encouraged to mail copies of this notice to all households along with their next food stamp benefit disbursement and/or post this information in certification offices, issuance locations, or other sites frequented by food stamp clients. This notice informs clients about changes in the maximum shelter deduction. This notice replaces the revised Page Two

Food Stamp 11 (1/01) and Food Stamp 11A (1/01), which were inadvertently released to the counties last month.
