This ACL provides county eligibility and payment systems with aid codes and claiming instructions for the CA 800 related to AB 12 Extended Foster Care (EFC) Program. These instructions will assist counties to appropriately identify the proper aid codes for federal and non-federal reimbursement in the tracking of expenditures and activities that are eligible for reimbursement under AB 12. A subsequent CFL will be issued with instructions for reimbursement of the federal match, once federal approval is received.

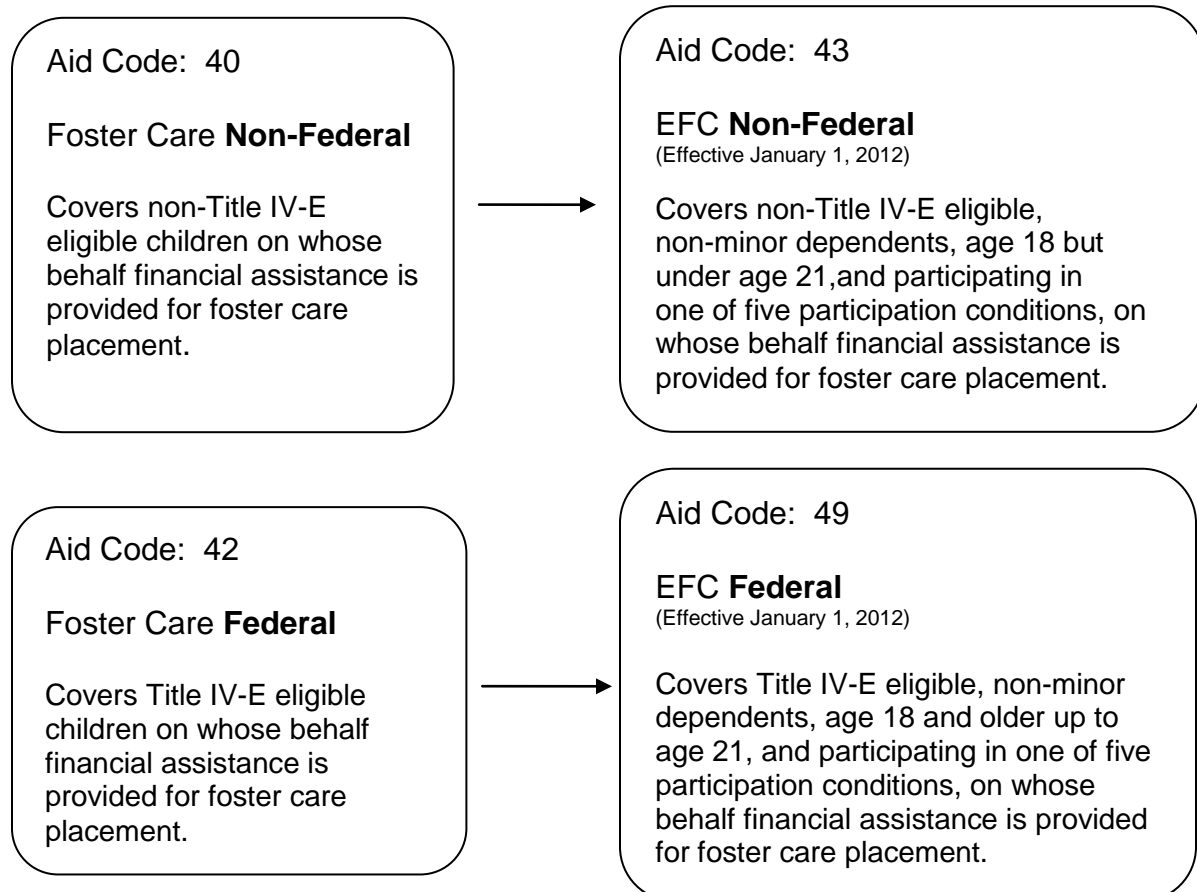

REASON FOR THIS TRANSMITTAL

- State Law Change
- Federal Law or Regulation Change
- Court Order
- Clarification Requested by One or More Counties
- Initiated by CDSS

Additionally, these instructions clarify and correct aid code information disseminated in CFL No. 11/12-32, dated December 14, 2011, and CFL No. 11/12-32E, dated March 2, 2012. These aid codes are now available in the Medi-Cal Eligibility Determination System.

AB 12 allows California to implement provisions of Public Law (PL) 110-351, the Fostering Connections to Success and Increasing Adoptions Act of 2008. This law provides states the option to fund the federal Kinship Guardianship Assistance Payment (Kin-GAP) Program through the Title IV-E option of the Social Security Act for relatives who assume legal guardianship of foster youth. AB 12 also allows the extension of foster care (EFC), extension of benefits for the federal Kin-GAP, Kin-GAP, and Adoptions Assistance Program (AAP) to eligible youth up to age 21 on a staggered schedule.

The extension of benefits up to age 19 implemented on January 1, 2012. On January 1, 2013, the extension of benefits will increase to age 20. On January 1, 2014, if the California Department of Social Services (CDSS) determines that there are sufficient funds available, benefits may be extended up to age 21. Below are the aid codes for the Foster Care Program, the EFC Program, the Kin-GAP Programs and the AAP Programs.
