This letter summarizes for county welfare departments (CWDs) the final changes to the CalWORKs 60-month time limit regulations since the adoption of the regulations on March 1, 2002. Testimony was received after public hearing and as a result of the comments received we amended the regulations. The final regulations were filed by the Secretary of State and became effective April 9, 2003. The final regulations are attached and detail the procedures for informing recipients of their time on aid.

Background

Regulations for the CalWORKs 60-month time limit procedures were developed to ensure that recipients are informed on a timely basis of the number of months that count toward the 60-month time limit and are provided the process by which they can claim the time limit exemptions. Counties are required to notify recipients of their time-on-aid information at specific intervals to ensure that recipients know of the approach of their time limits in order to prepare for the resulting grant reduction, and to make certain they are provided exemptions to which they are entitled.

Summary of the Changes to the Regulations

These regulations make the following clarifications and additions to existing regulations:

- Section 40-107.14 adds provision to instruct counties to provide the description of the 60-month time limit requirements at the time an individual applies for aid, at the time the recipient's eligibility for aid is redetermined, and any other time a notice of action establishing time on aid is sent.
- Sections 40-107.141 through .142 add provisions to instruct counties to inform recipients of their time on aid at the time aid is authorized and at redetermination.
- Section 40-107.143 adds provision to allow counties the option to inform recipients of their time on aid by a notice of action or an informing notice at the 54th month on aid.
- Section 40-107.144 adds provision to specify that counties are to inform recipients of their time on aid by a notice of action during the period of the recipient's 54th through 58th months on aid.
- Section 40-107.145 adds provision to limit the number of additional time-on-aid notices under certain circumstances that include: within three calendar months from a previous notice of action, and once an exemption for individuals who are 60 years of age or older is established.
- Section 40-107.146 adds provision to instruct counties to document the recipient's request for time limit information and provide the recipient a written notice with the time limit information.
- Section 40-107.147 adds provision to instruct counties to inform recipients by notice
 of action at the 60th month on aid, including notification of the reduction of the grant due
 to the expiration of the CalWORKs 60-month time limit or notification that the recipient
 will continue to receive aid beyond the 60-month time limit based upon criteria for
 exceptions.
- Section 40-107.148 adds provision to instruct counties to inform an adult who has reached the 60-month time limit and whose children remain on aid as a safety net case, by notice of action when child support or overpayment recoupment reimburses any month(s) on aid.
- Section 40-107.149 adds provision to instruct counties to inform an adult who has reached the 60-month time limit and whose children are no longer aided, of his/her time limit information at application and upon request.
- Section 40-107.153 adds provision to instruct counties to respond to requests from other states for former CalWORKs recipients' number of months funded by TANF, with only the number of months that count toward the TANF 60-month time limit and to

exclude months that are exempt from the federal TANF 60-month time limit and months that do not meet the federal definition of "assistance."

- Section 42-302.11 adds provision to clarify that when an adult has reached the CalWORKs 60-month time limit, additional months may be provided to that adult when all parents, aided stepparents, and/or caretaker relatives residing in the home of the aided child(ren) meet any of the exception criteria. This can occur at the point the adult reaches the CalWORKs 60-month time limit or any time thereafter.
- Section 42-302.114 (b) (1) (A) adds language to further define and clarify the phrase, "fully participating" in welfare-to-work (WTW).
- Section 42-302.114 (b) (2) (B) deletes "incapable of work" criteria that overlap existing regulations governing exemptions from WTW participation because a WTW exemption would stop the 60-month time clock and the recipient would not reach her/his time limit while exempt from WTW participation.
- Section 42-302.114 (b) (2) (B) (1) adds language to define the phrase "significant modification" of WTW activities.
- Section 42-302.2 adds provision to clarify that any overpayment month, defined as an entire month of aid in which the recipient was not entitled to the cash aid, that is fully repaid does not count for purposes of the 60-month time limit.
- Section 42-302.21(g) deletes the requirement to credit an individual's CalWORKs 60month time limit with the months of aid that were fully reimbursed in another state as a result of child support collection. This subsection was repealed because the exemption as set forth in Welfare and Institutions Code Section 11454.5 (b) (3) is only applicable to aid received in the CalWORKs program and not to aid received in other states.
- Section 42-302.21 (g) (1) (A) through (G) adds provisions to clarify the process to exempt months of aid by reimbursement through child support collection.

Please be advised that section 42-302.21 (g) (1) (C) requires that the exempt month due to child support recoupment shall also be applied toward the CalWORKs 60-month time limits of aided stepparents. Counties should apply this exemption to aided stepparents as of January 1, 1998. This detail was not included in ACL 02-74, dated October 1, 2002, which provided instructions for the child support time limit exemption. The change was made as a result of public testimony and after the release of the ACL.

- Section 42-302.21 (j) adds language to clarify that a cash grant is not sent to the recipient if the grant amount is less than \$10.
- Section 42-302.3 (a) adds provision to clarify that the county shall not require a request form for an exemption/exception by the applicant or recipient if all the required information to grant the exemption/exception is available to the county.

Counties should review requests for exemptions to ensure that they meet the necessary criteria as specified in MPP Sections 42-712.41 through 42-712.49, and that the identified effective date of the exemption is appropriate. This review process is particularly important when the onset date is significantly earlier than the date on which the request is received.

- Section 42-302.3 (b) adds provision to clarify that exemptions such as 60 years of age or older, aid reimbursed by child support collected, grant amounts less than ten dollars, and only receiving supportive services do not require a written request form.
- Section 42-302.32 adds provision to specify that the county must inform the individual of the determination of the exemption/exception within 15 days from the date of a completed request.
- Section 42-302.34 adds provision to clarify that the determination notice shall only state the reason for the exemption/exception if the exemption/exception is denied.
- Sections 44-352.113 and 44 -352.123 adds provisions to clarify that child support payments are excluded when calculating an overpayment.

- (a) The county's determination that the <u>An</u> individual <u>shall be found to</u> <u>have has</u> a history of participation and full cooperation in welfareto-work activities <u>if the individual meets shall be based on either of</u> the following criteria <u>in Section 42-302.114(a)(1) or (a)(2)</u>that may <u>apply</u>:
 - (1) The recipient has not failed to meet satisfactory participation, attendance, and progress requirements, without good cause, as evidenced by the absence of an instance or instances of noncompliance that resulted in a welfare-to-work financial sanction during the time an individual was a mandatory welfare-to-work participant.
 - (A) For purposes of this section, a sanction received while the individual was a volunteer in the CalWORKs welfare-to-work program pursuant to MPP Sections 42-712.51 or 42-712.52, or an aid recipient in another state, shall not be considered a welfare-to-work sanction.
 - (2) The recipient has an instance or instances of noncompliance that resulted in a welfare-to-work sanction or sanctions; however, the individual has also maintained to

the best of his/her ability, a sustained period or periods of welfare-to-work participation despite the presence of an significant impairment or combination of impairments, as determined pursuant to MPP Sections 42-711.56, 42-711.57, or 42-711.58, or 42-712.442 including domestic abuse, as determined pursuant to MPP Section 42-715.

Example of an individual who is able to maintain employment and is participating for less than the required 32 or 35 hours per week: Due to a business slowdown, a recipient, who has received 58 countable months of aid, had her hours of unsubsidized employment reduced from 35 hours to 20 hours per week. The recipient has reached her 24-month time limit and must participate in community service. However, an appropriate community service placement does not become available before the recipient, whose job as a Retail Clothing Sales Clerk is consistent with her Welfareto-Work participation and employment goal, reaches her 60-month time limit. Although the recipient is not participating for the required number of hours, she is not subject to a sanction and is considered able to maintain employment.

Example of an individual who may be considered incapable of work and is participating for the required 32 or 35 hours per week through a modification of her/his welfare-to-work activities:

A recipient has a documented physical impairment, chronic back pain following surgical treatment for a back injury, and history of substance abuse. Upon reaching her 60-month time limit, the recipient's welfare-to-work participation consists of substance abuse treatment, pain management classes, and community service as a clerical assistant.
