SUBJECT: CHILD WELFARE SERVICES DISASTER RESPONSE PLAN UPDATE

This All County Letter (ACL) is being sent to all 58 county Child Welfare Services (CWS) and Probation Departments to request an update to the CWS Disaster Response Plan that was submitted in September of 2007.

Under the Child and Family Services Improvement Act of 2006 Public Law 109-288 Part B of Title IV of the Social Security Act and Senate Bill 703, Chapter 583, Statute of 2007, the California Department of Social Services (CDSS) is mandated to oversee CWS Disaster Response Plans for California.

Please keep in mind that under the new federal and state guidelines and in accordance with criteria established, disaster response plans must include how a state would:

- A. Identify, locate, and continue availability of services for children under state care or supervision who are displaced or adversely affected by a disaster;
- B. Respond, as appropriate, to new child welfare cases in areas adversely affected by a disaster and provide services in those cases;
- C. Remain in communication with caseworkers and other essential child welfare personnel who are displaced because of a disaster;
- D. Preserve essential program records; and
- E. Coordinate services and share information with other states.

Plans should include coordination with local Probation Departments and local Interagency Agreements and Memoranda of Understanding. Failure to have plans in place with the federal requirements may jeopardize federal funding. Therefore, counties

This template is intended to be used as a guide to help counties incorporate the 2006 federal disaster response criteria as part of local child welfare plans. Minors in the probation system must also be included in the plan. County plans must be amended to include Child Welfare Services (CWS) Disaster Response Plans and be operational by September 28, 2007.

In September 2006, Congress passed the Child and Family Services Improvement Act of 2006 (Public Law (PL) 109-288). PL 109-288 amended Part B of Title IV of the Social Security Act to reauthorize the Promoting Safe and Stable Families Program. Among other changes, PL 109-288 established requirements for states on disaster planning in child welfare under Section 6 (a) (16). Accordingly, counties are requested to address the following program areas in developing local disaster readiness plans.
