ALL COUNTY LETTER NO. 08-57

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY CHIEF PROBATION OFFICERS
ALL CHILD WELFARE SERVICES PROGRAM MANAGERS
ALL TITLE IV-E AGREEMENT TRIBES

SUBJECT: RELATIVE/NONRELATIVE EXTENDED FAMILY MEMBER (NREFM)
APPROVALS – REVISED SOC 815 FORM

REFERENCE: ALL COUNTY LETTER (ACL) NO. 07-54; SENATE BILL (SB) 703
(CHAPTER 583, STATUTES OF 2007); SB 776 (CHAPTER 580,
STATUTES OF 2007); AND, PUBLIC LAW (PL) 109-248 (ADAM
WALSH CHILD PROTECTION AND SAFETY ACT OF 2006)

This letter is to provide counties with information and instruction regarding revisions made to the Approval of Family Caregiver (SOC 815) form used in assessing and approving relative and NREFM caregivers.

Revision of the form was necessary to record the out-of-state child abuse and neglect registry check required by SB 703 for compliance with Public Law (PL) 109-248, known as the Adam Walsh Child Protection and Safety Act of 2006 (the Act). The Act requires that child welfare agencies and probation departments check the child abuse and neglect registry of each state in which a prospective foster or adoptive parent, relative caregiver, or NREFM has resided in the past five years, if that state maintains a registry. The form has also been revised to record an inter-county transfer of a relative/NREFM criminal record clearance/exemption/subarrest notification request allowed by SB 776.

Summary of Revisions

The SOC 815 has been modified as follows:

- The form has increased from four to five pages.

REASON FOR THIS TRANSMITTAL

- State Law Change
- Federal Law or Regulation Change
- Court Order
- Clarification Requested by One or More Counties
- Initiated by CDSS

- A new page four has been added to document compliance with the out-of-state child abuse registry check. That page is a replica of the form developed by and incorporated into the SOC 815 with permission from Orange County. Information regarding out-of-state residence disclosed on the Out-of-State Disclosure and Criminal Record Statement (LIC 508D) for each adult in the home or who has significant contact with the foster child is transferred to this page. For each individual who has resided out of state, this page allows for recording the various steps in the out-of-state child abuse registry check process.
- The page three grid has been modified to include a column within which to record the effective date the Department of Justice (DOJ) approves an inter-county transfer ("ICT") of a criminal record clearance/exemption and subsequent arrest notification. ICTs are now allowed for the relative assessment/approval process as a result of the passage of SB 776. (A separate ACL with more implementation details regarding that bill is forthcoming.)
- A box labeled "Megan's Law/Date" has been added to the page three grid in anticipation of future requirements that would need to be recorded as part of the relative/NREFM assessment/approval process. Instructions will be issued when use of that box is required.
- A column has been added to the page three grid to record the date each adult residing in the home established presence there; this was added to distinguish when new adults come to the home following initial approval.

(As a reminder to counties, for a temporary placement the California Law Enforcement Telecommunication System, Child Welfare Services/Case Management System (CWS/CMS) search and Child Abuse Central Index (CACI) must be completed on or before the date of placement and those dates documented on page three of the SOC 815. In addition, the criminal background check requirements that must be met and documented on page three of the SOC 815 prior to establishing an approval date are Live Scan received for DOJ, Federal Bureau of Investigation, CACI, rapback established, and if applicable, the date the exemption was granted.)

- The page three grid has also been revised by labeling the columns to more clearly identify the specific criminal background checks that must be accomplished for each type of assessment.
- Both pages three and four now provide an area to record the criminal background check of an individual who may have significant contact with a child placed in the relative/NREFM caregiver home.

Use of Revised Form

This form will be imported into CWS/CMS as an interim template, available for county workers' use. As of the date of this ACL, county workers are required to use the 11/08 version of the SOC 815 to process a relative/NREFM assessment/approval as allowed by Welfare and Institutions Code Section 309(d), 361.4 and 361.45.

Should you have any questions regarding this ACL, please feel free to contact the Kinship Care Policy and Support Unit program analyst for your county at (916) 651-1878.

Sincerely,
