ALL-COUNTY LETTER NO. 75-1

TO:

SUBJECT: CURRENT COUPON INVENTORY

REFERENCE:

Food and Nutrition Service has informed us that all orders made prior to December 1 for current coupons will be filled. All orders made after December 1, in accordance with All County Letter No. 74-238, will be filled unless the ordering point has been otherwise notified. In the latter case, which applies to all "A" and "B" denominations (due to a state-wide excess) as well as to those orders of "C" and "D" denominations not received by December 11, counties will have to obtain supplies through the transfer process.

FNS is requesting that all counties make a more exact determination of anticipated shortages and excesses as of February 28 (taking into account the above information) and notify FNS, Western Region, between January 6 and January 15 of this information in writing. This data should be as precise as possible to avoid unnecessary transfers. However, FNS will honor county requests for transfers even if such requests are made after January 15.

These transfers must not be used to effect "loan" or "IOU" transfers.

If you have any questions, please contact Dick Fox of the Food Stamp Program Operations Bureau at (916) 445-6907.

Sincerely,

DENNIS O. FLATT
Deputy Director
