REFERENCES: All County Letter (ACL) No. 01-85
All County Information Notice (ACIN) No. I-17-03
CFL No's. 97/98-54, 01/02-55, 01/02-61, 02/03-36, and 02/03-50

The purpose of this CFL is to issue new claiming instructions for the CA 800 FC1 FED, Foster Care Facility Report and the CA 800 FC Fed, Summary Report of Assistance Expenditures, Foster Care; Foster Care SB163, Federal Forms.

BACKGROUND

CFL 98/99-80, dated July 19, 1999, issued new claiming instructions and form revisions to the CA 800 FC1 FED (FC1 Report) and CA 800 FC FED form resulting from a Federal audit. The audit identified the following discrepancies on the FC1 Report:

- Foster Family Agency (FFA) board and care costs were not separated from administrative costs on the FC1 Report.
- Non-federally eligible administration and social worker costs were being claimed for reimbursement from federal funds.
- FFA Administrative costs were claimed on the CA 800 FC (Fed) form at the higher Federal Medi-Cal Assistance Percentage (FMAP) rate. Administrative costs are eligible for the Federal Financial Participation (FPP) rate of 50 percent.

The FC1 Report was subsequently modified by adding additional columns to separate the board and care from the administrative costs and to allow counties to calculate the federal and Nonfederal portions of both the maintenance and administration costs. New FFA administrative and maintenance ratios were developed so that counties could calculate the

nonfederal portion of the maintenance and administrative components of the rate in accordance with the federal directions.

NEW CALCULATIONS

Claiming procedures for the FC1 Report were reviewed and found to be in conflict with the revised nonfederal maintenance payment ratios for FFA's. When the revised nonfederal ratios are applied to the entire FFA rate in accordance with the FC1 instructions, the nonfederal portion of the maintenance payment is overstated. Therefore, the following changes to the FC1 instructions have been made so that counties may more accurately calculate the FFAs' nonfederal portion of the maintenance payment costs. Calculation instructions for Group Home maintenance payment costs remain unchanged.

CA 800 FC1 REPORT

The FC1 Report and corresponding instruction sheet (see Attachments I and II) have been revised. The form is now split into two sections. Section One, Foster Family Agencies, has additional columns added to Sections D. The following changes include:

New Columns

1. Column D3, "Maintenance Ratio ".
2. Column D4, "Total Maintenance Costs".
3. Column D5, "Nonfed Maintenance Ratio".
4. Column D6, "Total Nonfed Maintenance Costs".

Column D4 calculates the maintenance portion of the total aid paid. Column D6 calculates the nonfederal part of the maintenance portion of the total aid paid.

All ratios may be found in the Foster Care Rates letters online at www.hwcws.cahwnet.gov/programres.asp.

Section Two, Group Homes, the calculation process has not been revised.

A sample FC1 Report (see Attachment III) has been developed as a guide in performing the fed/nonfed calculations.

THE CA 800 FC FED CLAIM FORM

The CA 800 FC (Fed) form and attached Instruction Sheet (see Attachments IV and V) have been changed to reflect the column heading changes on the FC1 Report. The changes include:

1. Line 14, Nonfed Costs, are the combined totals of Columns D6, and E2 (FFAs), and Column D4 (Group Homes), taken from the FC1 Report.
2. Line 21, "Total Fed Admin Costs" lists the costs included in the FC1, Col. E4 (FFAs).
3. Line 22, "Total Non-Fed Admin Costs" lists the costs included in the FC1, Col. F2 (FFAs).

The change in methodology for calculating the Fed/Nonfed portions of the FFA Maintenance Payment costs is effective immediately and may result in an increased share of Federal funds

depending upon how counties calculated the FFA Maintenance share of costs prior to this change. According to Welfare and Institutions (W&I) Code 10604, counties may make claim adjustments up to 18-months after the end of the calendar quarter that the costs were paid to reflect the new Federal/State/County share of costs.

For more information on the new FC1 Report calculations send your questions, comments to assistance.claims@dss.ca.gov. For questions concerning the Foster Care Rates Letter please contact the Foster Care Rates Bureau at (916) 263-0441.

Sincerely,
