To be considered in determining the cash aid payment, income must be reasonably anticipated to be available to needy members of the family in meeting their needs during the SAR Payment Period. Subject to this limitation and the exemptions and exclusions, as specified in Section 44-111 of this chapter, such benefits are taken into consideration as income in evaluating the need of the recipient and in determining the amount of cash aid to which the recipient is entitled.

44-113 NET INCOME

.1 Property

Net income from property (including that from property in which a life estate is held), produce or business enterprises is determined by deducting from gross income all normal items of expenses incident to its receipt. Principal payments on encumbrances are not considered a necessary item of expense. If property is sold, the interest portion of any payment received is income.

Interpretation -- Net income from property, crops and livestock is computed as follows:

Source	Computation
a. Rental of real property including that in which life estate held.	Deduct from gross rental the following expenses incident to receipt: <ul style="list-style-type: none"> 1. Taxes and assessments.

44-113 NET INCOME (Continued)

2. Interest on encumbrance payments (do not deduct principal payments).
3. Insurance.
4. Utilities.
5. Upkeep and major repairs.

If a complete dwelling unit is rented the county after consultation with the recipient (a) deducts the amount actually expended each month for upkeep and repairs; or (b) deducts 15% of the gross monthly rental plus \$4.17 a month.

Note: The above expenses are prorated on the same periodic basis as the periodic basis on which the rental is received (i.e., annually, quarterly, monthly, etc.). Multiply rental income received weekly by 4-1/3 to get monthly income.

Note: Under the ordinary life estate agreement, the life tenant is entitled to the use and/or income from the property and is responsible for the usual costs of ownership such as taxes, insurance, upkeep, etc. However, if the life estate agreement stipulates the remainderman is responsible for certain expenses, such payments do not represent income to the life tenant.

b.	Rental of rooms and Room and Board	See Section 44-113.212 for computing self-employment net income.
c.	Sale of real property under contract of sale, title not passing.	The interest received is net income (principal payments represent conversion of property from real to personal property). Deduct any interest payments on prior encumbrances in determining net income from interest received from sale of real property under contract of sale.
d.	Personal property (rental of trucks, equipment, etc.)	Deduct from gross rental all expense necessary to maintenance, etc.
e.	Personal property (interest on money, stocks, bonds, etc.)	All interest received is net income, except interest on savings accounts as provided in W&IC 11009.

44-113 NET INCOME (Continued)

- f. Sale of crops Deduct from gross income the following expenses which are incurred.
1. Taxes and assessments.
 2. Interest on encumbrance payments (do not deduct principal payments.)
 3. Water cost.
 4. Necessary repair and minor replacement of buildings and equipment.
 5. Fertilizer, seed, insecticides, pruning, cultivation and harvesting costs.
 6. Rental of equipment.
 7. Wages.
 8. Losses on crops from the previous period.
 9. Other necessary expenses.

Prorate the annual expenses such as taxes, assessments, etc., according to the intervals at which the gross income was received. If other expenses cannot be identified with a particular period, determine the method which assures that the expenses are allocated as closely as possible to the period of crop income, and that on a continuing basis all necessary expenses are deducted from gross income.

-
- g. Sale of Livestock Proceeds from the sale of the increase of livestock (i.e., that portion which represents a capital gain) is gross income. Deduct expenses incident to raising the livestock (such as feed, pasture rent, prorated personal property tax) in computing net income.

Since such income is usually received at intervals of more than one month, the same principles that apply to determining the periods of expense for the sale of crops, apply to the sale of livestock.

Note: Proceeds from the sale of an entire holding of livestock are not income but conversion of property.

.2 Earnings

.21 Computation of Net Nonexempt Earned Income for CalWORKs

To determine the amount of Net Nonexempt Earned Income for the month, the following steps shall be taken:

- (SAR) .211 Determine the total amount of commissions, wages or salary earned as an employee that the AU received in the Data Month and any reasonably anticipated (see Section 44-101(c)(1)(SAR)) changes to this income in the next SAR Payment Period (i.e., total income irrespective of expenses, voluntary or involuntary deductions). Also, the monetary value of any in-kind earned income per Section 44-115 shall be included. Do not include earnings exempted in entirety under Section 44-111.22.

- (AR/CO) Determine the total amount of commissions, wages or salary earned as an employee that the AU received in the Data Month and any reasonably anticipated (see Section 44-101(c)(1)(AR/CO)) changes to this income in the next AR/CO Payment Period (i.e., total income irrespective of expenses, voluntary or involuntary deductions). Also, the monetary value of any in-kind earned income per Section 44-115 shall be included. Do not include earnings exempted in entirety under Section 44-111.22.

- (SAR) .212 Determine the total monthly profit reasonably anticipated to be earned from self-employment by an applicant/recipient whose earnings are not exempted under Section 44-111.22 by offsetting the Data Month business expenses against the Data Month gross income from self-employment. When the computation of total profit earned in a month from self-employment disclosed shows that a loss has occurred, earned income from self-employment for that month shall be zero. No additional offset shall be allowed against the family's other income. Unless the recipient reasonably anticipates a change, use this income amount to calculate the grant for the upcoming SAR Payment Period.

- (AR/CO) Determine the total monthly profit reasonably anticipated to be earned from self-employment by an applicant/recipient whose earnings are not exempted under Section 44-111.22 by offsetting the Data Month business expenses against the Data Month gross income from self-employment. When the computation of total profit earned in a month from self-employment disclosed shows that a loss has occurred, earned income from self-employment for that month shall be zero. No additional offset shall be allowed against the family's other income. Unless the recipient reasonably anticipates a change, use this income amount to calculate the grant for the upcoming AR/CO Payment Period.

44-113 NET INCOME (Continued)

- (a) The applicant or recipient who is self-employed shall choose one of the following deductions:
 - (1) 40 percent of gross self-employed income, or
 - (2) reasonably anticipated self-employment expenses to the same extent allowed in the CalFresh Program (Section 63-503.41).
 - (b) Recipients who are self-employed shall be allowed to change the method of deduction identified in Section 44-113.212(a) only at redetermination or every six months, whichever occurs first.
- (SAR) .213 Combine the total monthly earnings for the family determined in Section 44-113.211(SAR) with the monthly net self-employment income determined in Section 44-113.212(SAR).
- (AR/CO) Combine the total monthly earnings for the family determined in Section 44-113.211(AR/CO) with the monthly net self-employment income determined in Section 44-113.212(AR/CO).
- .214 Apply, as specified in Section 44-111.23, the \$225 disregard to the reasonably anticipated total monthly disability-based unearned income for the family.
- (SAR) .215 Apply up to \$225 of the remainder of the \$225 disability-based unearned income disregard to the reasonably anticipated total monthly earned income for the family as determined in Section 44-113.213(SAR).
- (AR/CO) Apply up to \$225 of the remainder of the \$225 disability-based unearned income disregard to the reasonably anticipated total monthly earned income for the family as determined in Section 44-113.213(AR/CO).
- .216 Apply the 50% disregard to any remaining earned income for the family.
- .217 Add to the amount in Section 44-113.216 any excess nonexempt disability-based unearned income and/or any nonexempt unearned income. This total is the net nonexempt income available to the family.
- .218 Add together the amounts remaining after application of the above sections for each recipient. This total is net nonexempt earned income for the FBU.

.3 Net Income from Social Security, Railroad Retirement Benefits and Other Pensions

(SAR) .31 Net income from Social Security or from Railroad Retirement Benefits is the amount determined to be paid to or on behalf of a member of the assistance unit in the SAR Payment Period except:

(AR/CO) Net income from Social Security or from Railroad Retirement Benefits is the amount determined to be paid to or on behalf of a member of the assistance unit in the AR/CO Payment Period except:

.311 When Social Security benefits are paid to a representative payee on behalf of a member of the assistance unit and the representative payee does not live in the same household as the assistance unit, the Social Security benefits are counted as income only to the extent that the representative payee makes them available for the support of the beneficiary.

(SAR) .32 Net income from other types of pensions and similar sources is the amount reasonably anticipated for the SAR Payment Period or, if the individual is required to pay income tax on such income or has other required expenses in receiving such income, net income is the amount received less these expenses.

.4 Unrelated Adults, Including Unrelated Adult Males, Living in the Home

.41 Net income to the Family Budget Unit (FBU) from an unrelated adult living in the home including an Unrelated Adult Male (UAM) is the sum of:

(SAR) .411 cash reasonably anticipated to be given to the AU in the SAR Payment Period which is available to meet the needs of the AU and:

(AR/CO) cash reasonably anticipated to be given to the AU in the AR/CO Payment Period which is available to meet the needs of the AU and:

(SAR) .412 the value of full items of need reasonably anticipated to be provided in-kind to the AU in the SAR Payment Period. An item is not considered to be provided in-kind to the AU if the AU is receiving this full item of need in exchange for the AU providing the UAM with a different item. For example, if a UAM and a CalWORKs mother agree that he will pay the rent if she pays their food and utilities, the AU is not receiving in-kind income for housing.

44-113 NET INCOME (Continued)

(AR/CO) the value of full items of need reasonably anticipated to be provided in-kind to the AU in the AR/CO Payment Period. An item is not considered to be provided in-kind to the AU if the AU is receiving this full item of need in exchange for the AU providing the UAM with a different item. For example, if a UAM and a CalWORKs mother agree that he will pay the rent if she pays their food and utilities, the AU is not receiving in-kind income for housing.

(SAR) .42 Cash that is reasonably anticipated to be given to the AU in the SAR Payment Period does not include:

(AR/CO) Cash that is reasonably anticipated to be given to the AU in the AR/CO Payment Period does not include:

.421 Cash which is conditioned on its use for nonneed items for the FBU, unrelated adult, or any other person.

.422 Cash designated by the unrelated adult to meet (1) his/her needs and expenses, including work-related expenses defined in Section 44-113, and/or (2) the needs and expenses of the unrelated adult's child(ren) or other unaided persons in the home the UAM is supporting.

.423 Cash which the CalWORKs mother and unrelated adult have specifically agreed constitutes the unrelated adult's share of the cost-of-living arrangement. For example, assume a UAM is required to make a financial contribution of \$182 to the FBU. (See Section 43-109.1 and .2.) If the UAM and CalWORKs mother agree that the UAM's share of the cost-of-living is \$200 and the UAM gives the mother his \$200 share, no part of this \$200 is available to meet the needs of the FBU.

.424 Any other amounts which the unrelated adult designates as not available to the FBU.

.43 When the unrelated adult's income is pooled with those of the FBU, the pooled income is treated as if cash were given to the FBU.

.44 The value of full items of need provided to the FBU is determined according to Section 44-115.3. For example, assume that a UAM and his child live with a CalWORKs mother and her two children. If the UAM pays the entire \$300 rent to the landlord, the value of the full item of need to the FBU is the lesser of (1) the in-kind income table amount for housing for three; or (2) 3/5 of \$300 (\$180). If the in-kind income table amount were \$163, the amount of in-kind income for housing to the FBU would be \$163.

.5 Child/spousal support which is reasonably anticipated to be paid during the SAR Payment Period to the AU by the absent parent and not forwarded to the county shall be considered available income except as specified in Section 44-111.47.

.61 Nonrecurring lump sum refunds of the employer's share of retirement contributions shall be treated as property (see Section 42-209.2).

.62 Recurring interest earned on accumulated retirement contributions shall be treated as income in the month it is reasonably anticipated to be received. If the interest payment is nonrecurring, it shall be treated as property (see Section 42-209.2).

.7 Death Benefits

Net Income from death benefits is the amount remaining after deducting the actual expenses of the funeral, cremation, or burial of the insured. Such expenses must be verified by the recipient with acceptable evidence.

.8 Income from Payments Which Include Compensation for Converted Property (see Section 44-105)

That portion of a payment defined in Section 44-105.3 which exceeds the value of the converted property and is recurring in nature is income. If that portion of the payment that is to be received is nonrecurring it shall be treated as property (see Section 42-209.2).

Net income is that income which remains after deducting the following expenses if the recipient shows the expenses were paid by the recipient while he was a recipient and were directly related to the receipt of the payment.

44-115	EVALUATION OF INCOME IN-KIND	44-115
---------------	-------------------------------------	---------------

When a need item is earned or contributed in kind, the income value placed upon such earnings, contributions, etc., is the amount specified below.

.1 Free Board and Lodging Received During Temporary Absence from Home

.11 Absence One Month or Less

The value of free board and lodging reasonably anticipated to be received by a recipient during a temporary absence from his/her home of not more than one calendar month shall be exempt.

.12 Absence Exceeds One Month

(SAR) After an absence of one month, free board and lodging, i.e., food, shelter and utilities reasonably anticipated to be received during the SAR Payment Period, shall be considered income, but only to the extent that continuing allowances in the grant for these items exceed the cost to the recipient of maintaining the home to which he/she expects to return. (Welfare and Institutions Code Section 11009.1.)

(AR/CO) After an absence of one month, free board and lodging, i.e., food, shelter and utilities reasonably anticipated to be received during the AR/CO Payment Period, shall be considered income, but only to the extent that continuing allowances in the grant for these items exceed the cost to the recipient of maintaining the home to which he/she expects to return. (Welfare and Institutions Code Section 11009.1.)

44-115 EVALUATION OF INCOME IN-KIND (Continued)**.2 Nonneedy Relatives****.21 Evaluation of Income In Kind from Nonneedy Relatives Other Than Natural or Adoptive Parents**

Income in kind will only be considered if the nonneedy relative chooses to make a voluntary contribution to the AU. The county shall determine if the nonneedy relative wishes to contribute income in kind to the support of the child(ren) in his/her care. If he/she does so, the amount of a contribution reasonably anticipated to be received shall be determined in accordance with Section 44-115.3, In-kind Income Values, and be considered net income to the AU.

Natural or adoptive parent, stepparents of CalWORKs children whose natural parent is in the home, or any other adult whose needs are met through CalWORKs, SSI/SSP, IHSS, or other need based programs shall not be considered to be nonneedy relatives for purposes of this section and no income in kind may be considered.

.3 In-Kind Income Values

.31 Provided that a lower value is not established in accordance with .32 below, the in-kind income amounts effective July 1, 2012 for housing, utilities (including telephone), food and clothing, as adjusted for any increases or decreases in the cost of living specified in .311, and published by the DSS, shall apply for those item(s) of need received in-kind by the AU. If a lower value is established in accordance with .32 below, such value shall apply for the appropriate item(s) of need received in-kind by the AU.

.311 Individual in-kind income amounts shall be adjusted by the same percentage increase or decrease that is applied to the Minimum Basic Standard of Adequate Care (MBSAC) levels. Such adjustments to the in-kind income amounts shall be effective at the same time as adjustments to the MBSAC levels become effective.

- .32 If the applicant or recipient does not agree with the value arrived at in Section 44-115.31, he/she may submit evidence of the value of the in-kind income item which he/she receives or reasonably anticipates receiving. For housing and clothing, the in-kind income shall be the net market value (see Section 42-203.7) of the item reasonably anticipated to be received. For utilities and food, the in-kind income value shall be the cost to the person who will pay for the item.

44-115 EVALUATION OF INCOME IN-KIND (Continued)

If the applicant or recipient presents satisfactory evidence that the value of the item reasonably anticipated to be received in kind is other than the value specified in Section 44-115.31, such evidence shall be used by the county in determining the value of the item if it is to the recipient's financial advantage. Recipients who are having in-kind income deducted from their grants should be informed that this method of contesting the values established in Section 44-115.31 exists.

- .33 If an applicant or recipient presents satisfactory evidence of the value of a need item shared with persons who are not members of the AU or whose needs are not considered in the AU, the in-kind value attributable to the AU shall be the lesser of:
 - .331 their pro rata share, for persons whose needs are considered in the AU, of the net market value or cost of the item, or
 - .332 the in-kind income table value established in accordance with Section 44-115.311 for the appropriate number of persons whose needs are considered in the AU.
 - .333 Example: If an AU of three in Region 1 whose needs are all considered shares free housing with another person, making a household of four, and the applicant or recipient presents satisfactory evidence that the net market value of the housing is \$120, the in-kind value of the housing to the AU would be \$90 (3/4 of \$120). If the net market value of the housing is \$520, in this example, then the AU's pro rata share of this amount would be \$390 -- however, if the in-kind income table value for housing for an AU of three in Region 1 was \$380*, the \$380* value would be used because the table values established in accordance with .311 represent the maximum in-kind income value that may be applied.

* The amount \$380 is subject to change. Use the currently applicable amount established in accordance with 44-115.311.

44-133 TREATMENT OF INCOME -- CALWORKS

- .1 All net income of persons included in the Assistance Unit is income to the Assistance Unit.
- .2 Income in Cases in Which the Assistance Unit Resides in the Same Household as an SSI/ SSP or Cash Assistance Program for Immigrants (CAPI) Recipient
 - .21 The aid payment and income of an SSI/ SSP or CAPI recipient shall not be included in the Assistance Unit's income and grant computation.
 - .22 Lump sum retroactive SSI/ SSP or CAPI payments received by a recipient are not countable income to the Assistance Unit.
 - .23 Payments for goods or services by an SSI/ SSP or CAPI recipient to a CalWORKs cash aid recipient are income to the Assistance Unit.
 - .24 Income derived from an interest in the community or joint property of an SSI/ SSP or CAPI recipient and a CalWORKs cash aid recipient is prorated between owners and the CalWORKs cash aid recipient's share is countable income to the Assistance Unit.
 - .25 Actual voluntary contributions made by an SSI/ SSP or CAPI recipient to a cash aid recipient are income to the Assistance Unit. This does not include pooled income to meet shared living expenses, or payments for living expenses made in lieu of other payments in a shared living arrangement. However, no contribution will be required of the SSI/ SSP or CAPI recipient.
 - .26 If a CalWORKs cash aid applicant is determined to be eligible for cash aid and is included in the assistance unit, income of the cash aid applicant (including income considered available from a stepparent under provisions of Section 44-133.511 or a senior parent under provisions of Section 89-201.5) that may have been used in computing an SSI/ SSP or CAPI grant for another person will be included in the CalWORKs grant computation. The county shall notify the Social Security Administration or the appropriate CAPI worker as to the effective date that the income is used in the CalWORKs grant computation so that such income may be deleted from the SSI/SSP or CAPI grant computation.
 - .27 The county shall notify the Social Security Administration of the effective date that a CalWORKs cash aid recipient and any of his/her income is deleted from the Assistance Unit because of receipt of SSI/SSP, if the recipient has income which was used in the CalWORKs grant computation. This is necessary so that the Social Security Administration may begin to consider the income. No retroactive adjustment of the CalWORKs grant shall be made because of receipt of SSI/SSP if the grant was correctly computed during the period the SSI/SSP application was pending.

- .3 Income of Children, Non-Minor Dependents and Non-Minor Former Dependents in Foster Care, Extended CalWORKs or Kin-GAP

- .32 Income received by a non-minor dependent shall not be included in the income and grant computation for the non-minor dependent receiving extended CalWORKs benefits.
- .321 The non-minor dependent is not precluded from receiving both SSI/SSP and extended CalWORKs. The SSI/SSP aid payment shall not be included in the income and grant computation for the non-minor dependent receiving extended CalWORKs benefits.
- .33 Income received by a non-minor dependent or non-minor former dependent shall not be included in the income and grant computation for the caretaker relative's AU, if the relative continues to be aided.
- .4 Income in Cases in Which a Parent or Child Has Been Sanctioned or Penalized
- .41 Income of persons living in the home, who are required to be in the AU but who have been sanctioned or penalized is available to the AU. The needs of these individuals are not considered except for persons in an AU that are being penalized for failure to cooperate with child support. Actions which are subject to sanction or which constitute a failure to cooperate include, but are not limited to, any one of the following:
- .411 Failing or refusing, without cause, to comply with welfare-to-work requirements;

.5 Income and Needs in Cases in Which a Person is Excluded

- .51 The income of a parent is considered when that parent is living in the home but is excluded from the AU. A parent's needs shall only be considered if he/she has income unless the parent is an ineligible alien parent as specified in Section 44-133.521. This section does not apply to parents excluded for the following reasons: a) a sanction; b) being a recipient of another aid program; or c) being a member of a different AU. See MPP Section 44-133.8 for treatment of income and needs of timed-out adults. Parents whose needs and income are considered include, but are not limited to:

- .511 A stepparent who is the spouse of the applicant and/or recipient child's parent when the child's parent is residing in the home and the stepparent is not the parent of any natural or adoptive children who are required to be included in the AU.

 - .521 The needs of the following ineligible aliens who are related to the AU and who, but for their alien status, would be eligible for aid:
 - (a) An ineligible alien spouse of an AU member.
 - (b) An ineligible alien parent of a child in the AU.
 - (c) An ineligible alien parent of an ineligible alien child in common who is deprived of parental support and care.
 - (d) An ineligible alien child of an AU member.
 - (e) An ineligible alien child who is the sibling or half sibling to a child in the AU, and
 - .522 The needs of AU members other than those specified at Section 44-133.4, and

 - .525 The needs of any excluded spouse of the persons identified in Sections 44-133.51 and .521 whose income is being considered.

- .53 The income of excluded children not required to be in the AU is excluded unless the needs of that child are considered as specified in Section 44-133.521. (See student exemption disregard at Section 44-111.22 for earnings of a child.)

- .6 Income of a Nonneedy Caretaker Relative Other than the Parent

- .61 The amount by which a nonneedy relative, other than a parent with whom the child lives, is able and willing to meet the child's needs is income to the Assistance Unit.

44-133 TREATMENT OF INCOME -- CALWORKS (Continued)

- .7 Income in Cases Where a Noncitizen Has Been Sponsored for Entry into the United States
- .71 When a noncitizen is sponsored by an individual as defined in Section 43-119.2 the income of his/her sponsor who is not receiving cash aid, SSI or other public cash assistance payments (such as General Assistance) and the income of the sponsor's spouse who lives with the sponsor and who is not receiving such public cash assistance payments shall be deemed to be the sponsored noncitizen's income. This income is determined as follows:
- .711 Determine the total amount of unearned income of the sponsor and his/her spouse.
 - .712 Determine the total amount of income received by the sponsor and his/her spouse, such as wages or salary, or as net earnings from self-employment. See Section 44-113.212.
 - .713 If the sponsor is the sponsor of more than one noncitizen, divide the total gross income by the total number of sponsored noncitizens who are applying for or receiving cash aid. This amount shall be deemed to be the income of each applicant or recipient who is a sponsored noncitizen.
 - .714 When the sponsored noncitizen is not included in the AU (see Section 82-832), the portion of his/her income, which has been deemed from the sponsor, shall not be used in determining his/her contribution to the AU unless such income is actually available to the AU.
 - .715 When the sponsored noncitizen is a member of the AU, this deemed income from the sponsor shall be treated as unearned income in accordance with Sections 44-113 and 44-315.4.
