- | | | |
|----|---|--|
| .1 | Effective Date | All regulatory action implementing the provisions of Semi-Annual Reporting (SAR) as authorized by Assembly Bill (AB) 6 (Chapter 501, Statutes of 2011), shall become effective for recipient cases upon semi-annual reporting becoming operative in the county in which they reside pursuant to the County's SAR Declaration. The SAR Declaration is a letter submitted from the County Welfare Department Director to the Director of CDSS confirming SAR implementation in that county. Counties must implement semi-annual reporting as early as April 2013 and no later than October 2013. Semi-annual reporting regulations include a unique regulation design which includes a tandem format for the operation of both quarterly and semi-annual reporting systems to account for the staggered implementation dates. Regulations that become obsolete under Semi-Annual Reporting are labeled as (QR). Regulations that are operative under Semi-Annual Reporting are labeled (SAR). Annual reporting child only regulations include a unique regulation design which includes a tandem format for the operation of semi-annual reporting and annual reporting child only. This is because the systems are parallel reporting systems and recipients may go back and forth between SAR and AR/CO. Regulations that are operative under Semi-Annual Reporting are labeled (SAR). Regulations that are operative under Annual Reporting Child Only are labeled (AR/CO). Regulations not labeled are applicable to both reporting systems and therefore remain unchanged.
