

INITIAL STATEMENT OF REASONS

- a) Specific Purpose of the Regulations and Factual Basis for Determination that Regulations Are Necessary

Section 42-302.21(b)(3)

Specific Purpose:

This section is being revised to change the inoperative date of this regulation from July 1, 2012 to January 1, 2013.

Factual Basis:

This revision is necessary to comply with Welfare and Institutions Codes section 11320.3(g)(1) as amended by Senate Bill (SB) 1041 (Chapter 47, Statutes of 2012).

Section 42-302.21(b)(3)(A)

Specific Purpose:

This section is being adopted to specify that an individual whose exemption based on caring for a child 12 to 23 months of age or two or more children under age six that ended on January 1, 2013, will not have time count toward his or her California Work Opportunity and Responsibility to Kids (CalWORKs) 48-month time limit until the county welfare department (CWD) reengages him or her in the Welfare-to-Work Program.

Factual Basis:

This is necessary to comply with Welfare and Institutions Code section 11454.5(a)(6), as amended by SB 1041. This section specifies that any month during which a recipient who was exempt from participation based on caring for a child 12 to 23 months of age or two or more children under age six pursuant to Welfare and Institutions Code section 11320.3(b)(7), and has yet to be reengaged back into welfare-to-work activities in accordance with section 11320.3(h), shall not be counted as a month of receipt of aid for purposes of calculating his or her CalWORKs 48-month time limit under section 11454(a) and (b)(1).

Section 42-302.21(b)(4)

Specific Purpose:

This section is being adopted to implement a new welfare-to-work and CalWORKs 48-month time limit exemption that SB 1041 put into effect on January 1, 2013. This exemption allows for a parent or other relative who has primary responsibility for personally providing care to a child from birth to 23 months to be exempt from participation in welfare-to-work activities and from the CalWORKs 48-month time limit for as long as he or she is eligible and elects to use the exemption.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11320(b)(6)(A)(iv) and 11454.5(a)(7), as amended by SB 1041. These sections established the new exemption from participation in welfare-to-work activities and from the CalWORKs 48-month time limit based on an individual having responsibility for personally providing care to a child from birth to 23 months, inclusive.

Section 42-302.21(l)

Specific Purpose:

This section is being revised to change the inoperative date of this regulation from July 1, 2012 to January 1, 2013.

Factual Basis:

This revision is necessary to comply with Welfare and Institutions Codes section 11320.3(g)(1) as amended by SB 1041.

Handbook Section 42-701.1(b) and (c)

Specific Purpose:

These handbook sections are being amended to revise the CalWORKs Welfare-to-Work Program's participation requirements. SB 1041 expanded the range of activities that CalWORKs recipients are allowed to participate in for a 24-month period (hereinafter referred to as the Welfare-to-Work 24-Month Time Clock). After, recipients exhaust their Welfare-to-work 24-Month Time clock, they are required to meet core and noncore activities that are more closely aligned with the federal Temporary Assistance for Needy Families (TANF) program requirements (hereinafter referred to as CalWORKs federal standards).

Factual Basis:

These revisions provide readers with updated and accurate CalWORKs Program background information. They also provide guidance to counties in the implementation of Welfare and Institutions Code sections 11322.8 and 11322.85, as adopted by SB 1041.

Section 42-701.2(c)(1)

Specific Purpose:

This section is being adopted to provide a definition for "CalWORKs federal standards". CalWORKs federal standards is the set of participation requirements that recipients can choose to meet in order to not have months count toward their Welfare-to-Work 24-Month Time Clocks; or, in the case of recipients who have exhausted their 24-month clock, the set of participation requirements they must meet for adult recipients to remain eligible for cash aid.

Factual Basis:

This section is necessary to implement the requirements of Welfare and Institutions Code section 11322.8(b) and sections 11322.85(a)(2) and (3). Sections 11322.8(b) and 11322.85(a)(3) establish that individuals who have exhausted their Welfare-to-Work 24-Month Time Clocks must meet CalWORKs federal standards. Section 11322.85(a)(2) specifies that months in which an individual who has time remaining on his or her Welfare-to-Work 24-Month Time Clock, and is also meeting CalWORKs federal standards do not count toward his or her Welfare-to-Work 24-Month Time Clock.

Section 42-701.2(c)(2)

Specific Purpose:

This section is being adopted to provide a definition for "CalWORKs minimum standards," which are the minimum participation requirements for individuals who have months remaining on their Welfare-to-Work 24-Month Time Clocks.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.8(a) and 11322.85(a)(1), which establish participation requirements during the Welfare-to-Work 24-Month Time Clock period.

Sections 42-701.2(c)(3), (c)(4) and (c)(5) Renumbered from Sections 42-701.2 (c)(1), (c)(2) and (c)(3)

Specific Purpose/Factual Basis:

These sections are being renumbered from existing Sections 42-701.2(c)(1), (c)(2) and (c)(3) to Sections 42-701(c)(3), (c)(4) and (c)(5), respectively, to maintain proper numerical sequencing for clarity, but has no regulatory effect.

Repealed Section 42-701.2(c)(4)

Specific Purpose:

This section is being repealed to remove obsolete program regulations in reference to Welfare-to-Work Program participation requirements. Participation in "core" welfare-to-work activities is no longer required for the first 24 months of a recipient's participation in the Welfare-to-Work Program (the Welfare-to-Work 24-Month Time Clock period). Prior to the enactment of SB 1041, recipients were required to meet specific core welfare-to-work activities for the duration of their participation in the Welfare-to-Work Program.

Factual Basis:

The repeal of this section is necessary to comply with Welfare and Institutions Code section 11322.8, as repealed and added by SB 1041, that no longer requires participation in specified core activities during an individual's Welfare-to-Work Time Clock period.

Sections 42-701.2(c)(6) and (c)(7) Renumbered from Sections 42-701.2(c)(5) and (c)(6)

Specific Purpose/Factual Basis:

These sections are being renumbered from Sections 42-701.2(c)(5) and (c)(6) to 42-701.2(c)(6) and (c)(7), respectively, to maintain proper numerical sequencing for clarity, but has no regulatory effect.

Section 42-701.2(e)(1)

Specific Purpose:

This section is being amended to define the activity "Education Directly Related to Employment." This activity can be assigned to CalWORKs participants when they are scheduled to meet CalWORKs minimum standards or CalWORKs federal standards.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(1) and (3) that identify education directly related to employment as an activity that individuals can participate in to meet CalWORKs minimum standards during their Welfare-to-Work 24-Month Time Clock period or to meet CalWORKs federal standards. Existing regulations do not currently provide a definition. The CDSS is now providing a definition to establish statewide consistency.

Sections 42-701.2(e)(2) and (e)(3) Renumbered from Sections 42-701.2(e)(1) and (e)(2)

Specific Purpose/Factual Basis:

These sections are being amended to renumber the current Sections 42-701.2(e)(1) and (e)(2) to Sections 42-701.2(e)(2) and (e)(3) to maintain accurate numbering for clarity, but has no regulatory impact.

Section 42-701.2(j)(2)

Specific Purpose:

This section is being amended to define the activity "Job Skills Training Directly Related to Employment." This activity can be assigned to CalWORKs participants when they are scheduled to meet CalWORKs minimum standards or CalWORKs federal standards.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(1) and (3) that identify job skills training directly related to employment as an activity that individuals can participate in to meet CalWORKs minimum standards during their Welfare-to-Work 24-Month Time Clock period or to meet CalWORKs federal standards. Existing regulations do not currently provide a definition. The CDSS is now providing a definition to establish statewide consistency.

Sections 42-701.2(j)(3) and (j)(4) Renumbered from Sections 42-701.2(j)(2) and (j)(3)

Specific Purpose/Factual Basis:

These sections are being amended to renumber the current Sections 42-701.2(j)(2) and (j)(3) to Sections 42-701.2(j)(3) and (j)(4) to maintain accurate numbering for clarity, but has regulatory effect.

Repealed Section 42-701.2(n)(1)

Specific Purpose:

This section is being repealed to remove obsolete program regulations in reference to Welfare-to-Work Program participation requirements. Participation in core and noncore welfare-to-work activities is no longer required for the first 24 months of a recipient's participation in the Welfare-to-Work Program (the Welfare-to-Work 24-Month Time Clock period). Prior to the enactment of SB 1041, recipients were required to meet specific core and noncore welfare-to-work activities for duration of their participation in the Welfare-to-Work Program.

Factual Basis:

This repeal is necessary to comply with Welfare and Institutions Code section 11322.8, as repealed and added by SB 1041, that no longer requires participation in specified core activities during an individual's Welfare-to-Work 24-Month Time Clock period.

Section 42-701.2(o)(1)

Specific Purpose:

This section is being adopted to define a "one-parent assistance unit," for purposes of Welfare-to-Work Program participation requirements, to be an assistance unit that includes only one aided adult who is either a parent, including a stepparent, or a caretaker relative.

Factual Basis:

This section is necessary to comply with Welfare and Institutions Code sections 11320.3(a)(1) and 11322.8(a)(1), and 11322.8(b)(1) and (2) that establish the hourly participation requirements for a one-parent assistance unit.

Section 42-701.2(o)(2)

Specific Purpose:

This section is being adopted to provide a definition for the "On-the-job Training" welfare-to-work activity. This activity can be assigned to CalWORKs participants when they are scheduled to meet CalWORKs minimum standards or CalWORKs federal standards.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(1) and (3) that identify on-the-job training as an activity that individuals can participate in to meet CalWORKs minimum standards during their Welfare-to-Work 24-Month Time Clock period or to meet CalWORKs federal standards. Existing regulations do not currently provide a definition. The CDSS is now providing a definition to establish statewide consistency.

Section 42-701.2(o)(3)

Specific Purpose:

This section is being adopted to establish a definition for an "Optional stepparent" to be a stepparent who is not the caretaker relative of the child, but has opted into the assistance unit.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.8 (a) and (b) that establish the hourly participation requirements for welfare-to-work participants. Because these proposed regulations identify different participation requirements for assistance units that include optional stepparents who are not the caretaker relatives of a child compared to assistance units in which a stepparent is the caretaker relative of a child, this definition is necessary to provide clear guidance to counties.

Section 42-701.2(s)(1)

Specific Purpose:

This section is being adopted to provide a definition for "self-employment." Self-employment is a welfare-to-work activity where the individual is the business owner and he or she is not an employee of another entity.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.6(j). This section is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-701.2(s)(3) Renumbered from Section 42-701.2(s)(1)

This section is being renumbered from existing Section 42-701.2(s)(1) to Section 42-701.2(s)(3) to place the definitions in correct alphabetical order and to maintain proper numerical sequencing for clarity, but has no regulatory impact.

Section 42-701.2(s)(4) Renumbered from Section 42-701.2(s)(3)

Specific Purpose/Factual Basis:

This section is being renumbered from existing Section 42-701.2(s)(3) to Section 42-701.2(s)(4) to maintain proper numerical sequencing for clarity, but has no regulatory impact.

Section 42-701.2(t)(1)

Specific Purpose:

This section is being adopted to define a "two-parent assistance unit," for purposes of Welfare-to-Work Program participation requirements, to be an assistance unit that includes two natural or adoptive parents of the eligible child.

Factual Basis:

This section is necessary to comply with Welfare and Institutions Code sections 11322.8(a)(2) and 11322.8(b)(3) that establish participation requirements for two-parent assistance units.

Section 42-701.2(u)(2)

Specific Purpose:

This section is being adopted to provide a definition for "unsubsidized employment." Unsubsidized employment is a welfare-to-work activity where the individual can work full- or part-time in the private or public sector for which the employer is not reimbursed for wages by another entity.

Factual Basis:

This is necessary to comply with Welfare and Institutions Code section 11322.6 (a) and implement sections 11322.85 (a)(1) and (3), as adopted by SB 1041, that specify unsubsidized employment as a welfare-to-work activity that individuals can participate in to meet CalWORKs minimum standards during their Welfare-to-Work 24-Month Time Clock period or to meet CalWORKs federal standards. Existing regulations do not provide a definition. The CDSS is now providing a definition to establish statewide consistency.

Section 42-701.2(v)(1)

Specific Purpose:

This section is being amended to define the activity "Vocational Education and Training." This activity can be assigned to CalWORKs participants when they are scheduled to meet CalWORKs minimum standards or CalWORKs federal standards.

Section 42-701.2(w)(3)

Specific Purpose:

This section is being adopted to define the "Welfare-to-Work 24-Month Time Clock." The Welfare-to-Work 24-Month Time Clock is the period of time recipients are allowed to participate in the full range of welfare-to-work activities, without restrictions on the number of hours they must complete in any specific activity. Prior to SB 1041, recipients were required to participate in a specified number of hours in specified core and or noncore activities.

Factual Basis:

This section is necessary to comply with Welfare and Institutions Code section 11322.85, as adopted by SB 1041.

Section 42-701.2(w)(4) Renumbered from Section 42-701.2(w)(3)

Specific Purpose/Factual Basis:

This section is being renumbered from the existing Section 42-701.2(w)(3) to Section 42-701.2(w)(4) to maintain proper numerical sequencing for clarity, but has no regulatory effect.

Section 42-701.2(w)(5)

Specific Purpose:

This section is being adopted to provide a definition for the "Work Study" welfare-to-work activity that individuals can participate in to meet CalWORKs minimum standards during their Welfare-to-Work 24-Month Time Clock period or to meet CalWORKs federal standards. Existing regulations do not provide a definition. The CDSS is now providing a definition to establish statewide consistency.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock, which requires the activities which a participant is assigned to be consistent with his or her assessment and included in the individual's welfare-to-work plan. The statute does not require the 24 months to be consecutive.

Section 42-708.111

Specific Purpose:

This section is being adopted to specify that an individual may participate in any approvable activities consistent with his or her assessment during the Welfare-to-Work 24-Month Time Clock period when this participation addresses a particular need for barrier removal activities that are not CalWORKs federal standards core activities.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock.

Pursuant to Welfare and Institutions Code 11253.5(a), non-parenting dependent teens who have not graduated from high school are only allowed to participate in an educational program leading to a high school diploma or its equivalent. As these teens do not have the ability to participate in any other welfare-to-work activity, having months count toward their Welfare-to-Work 24-Month Time Clock while they are required to attend high school would cause undue hardship to these teens. As these teens do not have the ability to participate in any other Welfare-to-Work activity, having months count toward their Welfare-to-Work 24-Month Time Clock while they are required to attend high school would cause undue hardship to these teens. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Sections 42-708.134 and .134(a)

Section 42-708.14

Specific Purpose:

This section is being adopted to introduce the circumstances in which individuals with a break in aid shall have a new welfare-to-work plan developed and how the signing of a new welfare-to-work plan impacts their Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. As these proposed regulations begin an individual's Welfare-to-Work 24-Month Time Clock the month after a welfare-to-work plan is signed, this section provides specific guidance on applying this rule to individuals with a break in cash aid. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.141(a)

Specific Purpose:

This section is being adopted to establish that a returning participant with a break in aid longer than 30 days who was not previously assessed must complete an assessment.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.141(b)

Specific Purpose:

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

This section is being adopted to specify that once a returning participant who had a break in aid longer than 30 days signs a new welfare-to-work plan, his or her Welfare-to-Work 24-Month Time Clock starts the first of the following month after his or her plan sign date, unless he or she meets a condition that allows a month not to count toward the Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.142

Specific Purpose:

This section is being adopted to establish that individuals with a break in aid of less than 30 days who had an active welfare-to-work plan prior to leaving aid shall continue in his or her welfare-to-work plan if it is appropriate based on the individual's circumstances and is consistent with his or her assessment.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85(a)(1), adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. Factual Basis:

Under other welfare-to-work rules, a participant would be given good cause for not meeting participation requirements if he or she missed a scheduled activity due to a circumstance that impaired his or her ability to participate for just one day in a month (i.e., lack of child care that day). In this situation, the participant would not go into the noncompliance process. This type of good cause occurs frequently. Without establishing the 50 percent threshold for not counting a month toward the Welfare-to-Work Time Clock based on good cause for nonparticipation, recipients would be able to not have many months count toward their Welfare-to-Work 24-Month Time Clocks even though they received full welfare-to-work and supportive services for those months, which is not the intent of establishing the Welfare-to-Work 24-Month Time Clock period.

Section 42-708.323

Factual Basis:

Section 42-708.323(a)

Specific Purpose:

This section is being adopted to establish that month(s) shall not be counted toward a participant's Welfare-to-Work 24-Month Time Clock when that participant has been identified as a victim of domestic abuse and has been granted a waiver by the CWD for the month(s) to not count toward his or her Welfare-to-Work 24-Month Time Clock.

Factual Basis:

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85, adopted by SB 1041. These provisions are targeted to individuals who are work-ready and have been participating in the Welfare-to-Work Program and would benefit by spending additional time in job search activities to obtain employment. The 50 percent threshold ensures that those who do not want to meet CalWORKs federal standards will have months count toward their Welfare-to-Work 24-Month Time Clock if they are only participating in job search activities for a small number of hours during the month. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(a)(2), adopted by SB 1041, that allows an individual who has encountered unique labor market barriers temporarily preventing employment, and therefore needs additional time to obtain employment to request an extension to the Welfare-to-Work 24-Month Time Clock.

Handbook Section 42-708.721(a)(2)(A) Example 1

Specific Purpose/Factual Basis:

This Handbook section is being adopted to provide further clarity regarding the circumstance of an individual that is likely to obtain employment within six months. This adoption is necessary to provide guidance to CWDs for implementation of this circumstance upon which an extension to the Welfare-to-Work 24-Month Time Clock may be requested by an individual that was established through Welfare and Institutions Code section 11322.87(a)(1), adopted by SB 1041.

Handbook Section 42-708.721(a)(2)(B) Example 2

Specific Purpose/Factual Basis:

This Handbook section is being adopted to provide further clarity regarding the circumstance of an individual that has encountered unique labor market barriers temporarily preventing employment, and therefore needs additional time to obtain employment. This adoption is necessary to provide guidance to CWDs for implementation of this circumstance upon which an extension to the Welfare-to-Work 24-Month Time Clock may be requested by an individual that was established through Welfare and Institutions Code section 11322.87(a)(2), adopted by SB 1041.

Handbook Section 42-708.721(a)(2)(C) Example 3

Specific Purpose/Factual Basis:

This Handbook section is being adopted to provide further clarity regarding the circumstance of an individual that has encountered unique labor market barriers temporarily preventing employment, and therefore needs additional time to obtain employment. This adoption is necessary to provide guidance to CWDs for implementation of this circumstance upon which an extension to the Welfare-to-Work 24-Month Time Clock may be requested by an individual that was established through Welfare and Institutions Code section 11322.87(a)(2), adopted by SB 1041.

Section 42-708.721(a)(3)

Specific Purpose:

This section is being adopted to establish that an individual may request an extension to the Welfare-to-Work 24-Month Time Clock and present evidence of meeting the circumstance of the individual having achieved satisfactory progress in an education or treatment program, including adult basic education, vocational education, or a Self-Initiated Program under Section 42-711.54, that has a known graduation, transfer, or completion date that would meaningfully increase the likelihood of his or her employment.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(a)(3), adopted by SB 1041, that allows an individual who has achieved satisfactory progress in an education or treatment program, including adult basic education, vocational education, or a Self-Initiated Program, that has a known graduation, transfer, or completion date that would meaningfully increase the likelihood of his or her employment, to request an extension to the Welfare-to-Work 24-Month Time Clock.

Section 42-708.721(a)(4)

Specific Purpose:

This section is being adopted to establish that an individual may request an extension to the Welfare-to-Work 24-Month Time Clock and present evidence of meeting the circumstance of the individual needing an additional period of time to complete a welfare-to-work activity specified in his or her welfare-to-work plan under Section 42-711.6, due to a diagnosed learning or other disability, which would meaningfully increase the likelihood of his or her employment.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(a)(4), adopted by SB 1041, that allows an individual who needs an additional period of time to complete a welfare-to-work activity specified in his or her welfare-to-work plan under Section 42-711.6, due to a diagnosed learning or other disability, which would meaningfully increase the likelihood of his or her employment, to request an extension to the Welfare-to-Work 24-Month Time Clock.

Section 42-708.721(a)(5)

Specific Purpose:

This section is being adopted to establish that an individual may request an extension to the Welfare-to-Work 24-Month Time Clock and present evidence of meeting the circumstance of the individual having submitted an application to receive Supplemental Security Income disability benefits, and that a hearing date has been established.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(a)(5), adopted by SB 1041, that allows an individual who has submitted an application to receive Supplemental Security Income disability benefits, and a hearing date has been established, to request an extension to the Welfare-to-Work 24-Month Time Clock.

Section 42-708.721(a)(6)

Specific Purpose:

This section is being adopted to establish that an individual may request an extension to the Welfare-to-Work 24-Month Time Clock and present evidence of meeting the circumstance of the individual being a member of a two-parent assistance unit where the other parent has yet to exhaust his or her Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(a)(6), adopted by SB 1041, which allows CDSS to implement an additional circumstance for individuals to request an extension to the Welfare-to-Work 24-Month Time Clock. The CDSS has determined that an individual who is a member of a two-parent assistance unit where the other parent has yet to exhaust his or her Welfare-to-Work 24-Month Time Clock must be allowed to request an extension to the Welfare-to-Work 24-Month Time Clock to ensure that the other parent, who has not exhausted his or her Welfare-to-Work 24-Month Time Clock, has the opportunity to receive the full benefits and services allowed during that time period. Otherwise, the assistance unit would have to meet CalWORKs federal standards without both parents having the participation flexibility allowed during the Welfare-to-Work 24-Month Time Clock period. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.721(a)(6)(A)

Specific Purpose:

This section is being adopted to clarify that an individual who is a member of a two-parent family where the other parent has yet to exhaust his or her Welfare-to-Work 24-Month Time Clock may request an extension to the Welfare-to-Work 24-Month Time Clock on the condition that both parents' combined participation will meet CalWORKs minimum standards as described in Section 42-711.41.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.87(a)(6), adopted by SB 1041, that provides CDSS the ability to establish an additional circumstance for which recipients may request an extension to their Welfare-to-Work 24-Month Time Clocks. The CDSS has determined that one of the conditions that must be met for requesting an extension to the Welfare-to-Work 24-Month Time Clock for an individual who is a member of a two-parent assistance unit where the other parent has yet to exhaust his or her Welfare-to-Work 24-Month Time Clock is that both parents' combined participation must meet CalWORKs minimum standards as described in Section 42-711.41. Otherwise, the parent requesting the extension could fully meet the CalWORKs minimum standards, which would allow the parent who has not exhausted his or her Welfare-to-Work 24-Month Time Clock to be excused from participating in welfare-to-work, for his or her entire time on aid without ever having to meet CalWORKs federal standards. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.721(a)(6)(B)

Specific Purpose:

This section is being adopted to clarify that an extension to the Welfare-to-Work 24-Month Time Clock that is granted for an individual who is a member of a two-parent assistance unit where the other parent has yet to exhaust his or her Welfare-to-Work 24-Month Time Clock is subject to the procedures described in Section 42-708.73, which regulates extension determinations and duration, and is limited to the duration of the second parent's Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.87(a)(6), adopted by SB 1041, which provides CDSS the ability to establish an additional circumstance for which recipients may request an extension to their Welfare-to-Work Time Clocks. The CDSS has determined that when a member of a two-parent assistance unit where the other parent has yet to exhaust his or her Welfare-to-Work 24-Month Time Clock requests an extension to his or her Welfare-to-Work 24-Month Time Clock based on circumstance that the other parent has not yet exhausted his or her Welfare-to-Work 24-Month Time Clock, that the extension must be limited to the duration of the other parent's Welfare-to-Work 24-Month Time Clock. This requirement is appropriate, since the reason for allowing this extension is based on the fact that the other parent has not exhausted his or her Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.73

Specific Purpose:

This section is being adopted to introduce the general provisions and requirements pertaining to the determination and duration of an extension to the Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(b), adopted by SB 1041, in order to implement the general provisions and requirements pertaining to the determination and duration of an extension to the Welfare-to-Work 24-Month Time Clock.

Section 42-708.731

Specific Purpose:

This section is being adopted to establish that prior to determining whether an individual meets Welfare-to-Work 24-Month Time Clock extension criteria under Section 42-708.721(a), the CWD must review the individual's case to ensure an accurate accounting of the individual's Welfare-to-Work 24-Month Time Clock in accordance with Section 42-708.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.87, adopted by SB 1041, that the CWD must review an individual's case to ensure an accurate accounting of the Welfare-to-Work 24-Month Time Clock in accordance with Section 42-708 prior to determining if an individual meets Welfare-to-Work 24-Month Time Clock extension criteria. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.732

Specific Purpose:

This section is being adopted to establish that, except for an extension to the Welfare-to-Work 24-Month Time Clock based on the circumstance of an individual submitting an application for and receiving a hearing date to receive Supplemental Security Income disability benefits, that a CWD shall grant an extension to an individual who presents evidence that he or she meets any of the other extension criteria under Section 708.721(a), unless the CWD determines that the evidence presented does not support the existence of the circumstances described in Section 42-708.721(a).

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(b)(1), adopted by SB 1041, which requires that, except for an extension based on application for Social Security Income disability benefits, the CWD must grant an extension to an individual who presents evidence that he or she meets any of the extension criteria unless the CWD determines that the evidence presented does not support the existence of one of the extension circumstances.

Section 42-708.732(a)

Specific Purpose:

This section is being adopted to establish that an extension to the Welfare-to-Work 24-Month Time Clock based on a recipient applying for Social Security Income disability benefits shall be granted if the individual provides the CWD with evidence that a hearing date for those benefits has been established.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(b)(2), adopted by SB 1041, which requires that an extension based on application for Social Security Income disability benefits shall be granted if the individual provides the CWD with evidence that a hearing date for those benefits has been established.

Section 42-708.733

Specific Purpose:

This section is being adopted to establish that, except for an extension request to the Welfare-to-Work 24-Month Time Clock based on application for Social Security Income disability benefits, at any state hearing in which an individual disputes a CWD's denial of a Welfare-to-Work 24-Month Time Clock extension, the CWD shall have the burden of proof to establish that an extension was not justified.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(b)(3), adopted by SB 1041, which requires that, except for an extension requested based on the application of Social Security Income disability benefits, at any hearing disputing a CWD's denial of an eligible extension, the CWD shall have the burden of proof to establish that an extension was not justified.

Section 42-708.734

Specific Purpose:

This section is being adopted to establish that if a CWD identifies that an individual meets a circumstance that is eligible for an extension to his or her Welfare-to-Work 24-Month Time Clock as a result of information already available to the CWD, including the client's welfare-to-work plan and verification of participation, that the CWD may grant a Welfare-to-Work 24-Month Time Clock extension to the individual without requiring additional information or a formal request for an extension from the individual.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(c), adopted by SB 1041, that allows a CWD to grant a Welfare-to-Work 24-Month Time Clock extension to an individual without requiring additional information or a formal request for an extension from the individual if a CWD identifies that the individual meets a circumstance that is eligible for an extension as a result of information already available to the CWD, including the client's welfare-to-work plan and verification of participation.

Section 42-708.735

Specific Purpose:

This section is being adopted to establish that a Welfare-to-Work 24-Month Time Clock extension granted shall be granted for an initial period of up to six months and shall be reevaluated by the CWD at least every six months.

Factual Basis:

This adoption is necessary to comply with Welfare and Institutions Code section 11322.87(d), adopted by SB 1041, which requires that an extension granted by a CWD shall be granted for an initial period of up to six months and shall be reevaluated by the CWD at least every six months.

Section 42-708.8

Specific Purpose:

This section is being adopted to establish the requirement for CWDs to transition individuals who have a welfare-to-work plan which meets CalWORKs minimum standards to a plan which meets CalWORKs federal standards upon approaching the end of the individual's Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85, adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section provides guidance to the CWD and ensures an individual's welfare-to-work participation status is reviewed prior to the end of the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.81

Specific Purpose:

This section is being adopted to establish the requirement for CWDs to conduct a review with an individual who is approaching the end of his or her Welfare-to-Work 24-Month Time Clock to determine his or her welfare-to-work participation status prior to the expiration of the individual's Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85, adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section provides guidance to CWDs to ensure each individual's welfare-to-work participation status is reviewed prior to the end of the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-708.811(a) through (d)

This section is being adopted to establish what a review of an individual's participation status prior to the expiration of that individual's Welfare-to-Work 24-Month Time Clock must include. This review must include (a) determining months counted toward the individual's Welfare-to-Work 24-Month Time Clock is accurate, (b) review of welfare-to-work exemptions, (c) review of Welfare-to-Work 24-Month Time Clock extensions, and (d) review of the individual's welfare-to-work plan to determine if additional hours or activities are needed in order for the individual to meet CalWORKs federal standards upon the exhaustion of his or her Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to provide clarification to Welfare and Institutions Code section 11322.85, adopted by SB 1041, in order to implement the Welfare-to-Work 24-Month Time Clock. This section provides guidance to CWDs to ensure each individual's welfare-to-work participation status is reviewed prior to the end of the Welfare-to-Work 24-Month Time Clock. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709

Specific Purpose:

This section is adopted to establish a title for CalWORKs federal standards, which provide the participation requirements for individuals in the Welfare-to-Work Program who want to meet those standards to make months not count toward their Welfare-to-Work 24-Month Time Clock and for individuals who have exhausted their 24-month clocks.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(2) and (3), as adopted by SB 1041.

Handbook Section 42-709.1

Specific Purpose/Factual Basis:

This handbook section is being adopted to introduce the general provisions of CalWORKs federal standards participation requirements. This is necessary to provide the reader with the most significant components of CalWORKs federal standards for clarity, but has no regulatory impact.

Handbook Section 42-709.11

Specific Purpose/Factual Basis:

This handbook section is being adopted to inform the reader that CalWORKs federal standards are based on the federal Temporary Assistance for Needy Families (TANF) Program participation requirements. This adoption is necessary for clarity, but has no regulatory impact.

Handbook Section 42-709.12

Specific Purpose/Factual Basis:

This handbook section is being adopted to inform the reader that any months in which a recipient meets CalWORKs federal standards do not count toward his or her Welfare-to-Work 24-Month Time Clock. This adoption is necessary for clarity, but has no regulatory impact.

Handbook Section 42-709.13

Specific Purpose/Factual Basis:

This handbook section is being adopted to inform the reader that an adult recipient must meet CalWORKs federal standards after exhausting his or her Welfare-to-Work 24-Month Time Clock in order to continue receiving cash aid. This adoption is necessary for clarity, but has no regulatory impact.

Handbook Section 42-709.14

Specific Purpose/Factual Basis:

This handbook section is being adopted to inform the reader that CalWORKs federal standards' hourly participation requirements are determined by the number of parents or caretaker relatives in the assistance unit and whether any other adults reside in the household. This adoption is necessary for clarity, but has no regulatory impact.

Section 42-709.2

Specific Purpose

This section is being adopted to introduce the CalWORKs federal standards hourly participation requirements.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b), as adopted by SB 1041.

Section 42-709.21

Specific Purpose:

This section is being adopted to introduce the CalWORKs federal standards hourly participation requirement for an adult in a one-parent assistance unit that does not include an optional stepparent. CalWORKs federal standards participation requirements for all assistance units that include optional stepparents are included in the proposed regulation at Section 42-709.23.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 113228(b).

Placing all participation requirements for assistance units that include optional adults is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.211

Specific Purpose:

This section is being adopted to establish that for an adult in a one-parent assistance unit that does not include an optional stepparent, that the CalWORKs federal standards hourly participation requirement is at least 30 hours per week during the month when there is no child under age six and the adult is not living with either 1) a second parent in the home who has exhausted his or her 48-month time limit on cash aid, or 2) a second parent in the home who has been removed from the assistance unit for not complying with welfare-to-work requirements.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(1), as adopted by SB 1041 and amended by SB 855, Chapter 29, Statutes of 2014. Unless otherwise exempt, the statute requires an adult recipient in a one-parent assistance unit to participate for an average of at least 30 hours per week during the month subject to rules and limitations described in Section 607(c)(1)(A) of Title 42 of the United States Code. This requirement is not being applied when there is another adult in the home who has exhausted his or her 48-month time limit on cash and/or has been removed from the assistance unit due to noncompliance, because in both of these situations, the basis for cash aid would be unemployment. Welfare and Institutions Code section 11322.8(b)(3) requires a 35-hour participation requirement for adults whose basis for cash aid eligibility is unemployment.

Section 42-709.211(a)

Specific Purpose:

This section is being adopted to establish that the minimum CalWORKs federal standards core hourly requirement is an average of 20 hours per week for an adult in a one-parent assistance unit that does not include an optional adult.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(1), as adopted by SB 1041 and amended by SB 855. Unless otherwise exempt, the statute requires an adult recipient in a one-parent assistance unit to participate for an average of at least 30 hours per week during the month, of which 20 must be in core activities.

Sections 42-709.212 through .212(b)

Specific Purpose:

These sections are being adopted to establish the CalWORKs federal standards hourly participation requirement of an average of at least 20 core hours per week for an adult in a one-parent assistance that does not include an optional adult or other parent or caretaker relative in the household when there is a child under the age of six in the assistance unit or where there is a child under six in the home who is not in the assistance unit, but the adult recipient exercises responsibility for the day-to-day care and control of that child.

Factual Basis:

These adoptions are necessary to implement Welfare and Institutions Code section 11322.8(b)(2) as adopted by SB 1041 and amended by SB 855. Unless otherwise exempt, the statute requires an adult recipient in a one-parent assistance unit to participate for an average of at least 20 core hours per week during the month when there is a child under six in the assistance unit or where there is a child under six in the home who is not in the assistance unit but the adult recipient exercises responsibility for the day-to-day care and control of that child.

Section 42-709.213

Specific Purpose:

This section is being adopted to establish the CalWORKs federal standards hourly participation requirement of an average of at least 35 hours per week during the month, of which 30 must be in core activities, for an adult who is not exempt from participating in welfare-to-work in a one-parent assistance unit with a second parent in the home who has either exhausted his or her 48-month time limit or has been removed from the assistance unit due to noncompliance with welfare-to-work requirements.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(3) as adopted by SB 1041 and amended by SB 855. Unless otherwise exempt, the statute requires an adult recipient in a one-parent assistance unit whose basis for cash aid eligibility is unemployment to participate for an average of at least 35 hours per week during the month, of which 30 must be in core activities. In the situation where there is one parent who is not exempt from welfare-to-work in an assistance and another parent is living in the home who has either exhausted his or her 48-month time limit on cash aid or been removed from the assistance unit due to being sanctioned for not complying with welfare-to-work requirements would have unemployment as the basis for cash aid eligibility.

Section 42-709.213(a)

Specific Purpose:

This section is being adopted to clarify that a parent who has exhausted his or her 48-month time limit on cash aid may contribute toward a 35-hour participation requirement.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(2), as adopted by SB 1041. Unless otherwise exempt, the statute allows parents in a two-parent assistance unit to contribute hours toward a 35-hour participation requirement. The CDSS is allowing a parent who has been removed from the assistance due to the parent exhausting his or her 48-month time limit on cash aid, because the unaided parent has complied with welfare-to-work during his or time on aid and if he or she is independently completing an activity the meets CalWORKs federal standards, it is appropriate to count the activity toward those standards. In addition, under federal TANF work participation rules, the activity of an unaided parent would count toward this family's federal participation requirement.

Section 42-709.213(b)

Specific Purpose:

This section is being adopted to specify that when a parent who has been removed from the assistance unit due to noncompliance with welfare-to-work requirements successfully completes hours in his or her plan to comply with welfare-to-work requirements, those hours may be considered toward a 35-hour participation requirement solely for determining if the assistance unit is meeting CalWORKs federal standards.

Factual Basis:

The CDSS has determined that it is appropriate to consider hours toward meeting a CalWORKs federal standards 35-hour participation requirement when a noncompliant parent enters into and completes a compliance plan, because the parent is completing activities that are requested of him or her by the CWD. This section is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.22

Specific Purpose:

This section is being adopted to introduce the CalWORKs federal standards hourly participation requirements for adults in a two-parent assistance unit that does not include an optional stepparent.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(3) as amended by SB 1041.

Section 42-709.221

Specific Purpose:

This section is being adopted to establish that the CalWORKs federal standards hourly participation requirement for adults in a two-parent assistance unit whose basis for aid is unemployment is an average of at least 35 hours per week during the month, of which 30 must be in core activities.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(3) as adopted by SB 1041 and amended by SB 855. Unless otherwise exempt, the statute requires an adult recipient in a two-parent assistance unit to participate for an average of at least 35 hours per week during the month, of which 30 must be in core activities.

Section 42-709.221(a)

Specific Purpose:

This section is being adopted to specify that both parents in a two-parent assistance unit that does not include an optional stepparent may contribute toward the assistance unit's 35-hour participation requirement.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(2), as adopted by SB 1041, that states that both parents in a two-parent assistance unit where the basis for aid is unemployment may contribute to the assistance unit's 35-hour participation requirement.

Section 42-709.222

Specific Purpose

This section is being adopted to establish the CalWORKs federal standards minimum hourly participation requirement is an average of at least 30 hours per week during the month, of which 20 hours must be in core activities, for an adult in a two-parent assistance unit where there is a second adult in the home who is exempt from welfare-to-work due to a disability.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b), as adopted by SB 1041 and amended by SB 855. The 35-hour requirement in Section 11322.8(b)(3) for two-parent assistance units cannot be applied as the basis for cash aid eligibility would not be unemployment. Instead, the basis for aid would be deprivation due to a disabled parent. Further, the participation requirements in Sections 11322.8(b)(1) and (2) cannot be applied to these assistance units, as they are not one-parent assistance units. Therefore, CDSS is applying the federal rules in Section 607(b)(2)(c) of Title 42 of the United States Code that specifies that a two-parent family that includes a disabled parent shall not be considered a two-parent family for purposes of calculating a states work participation rate requirements. Instead, such families are included in the all-family rate pursuant to Section 607(b)(1)(i) and Section 607(c)(1)(A) of Title 42 of the United States Code, that require participation in work activities for at least the minimum average of 30 hours per week, not fewer than 20 hours per week in specified core activities.

Section 42-709.222(a)

Specific Purpose:

This section is being adopted to specify that a disabled exempt parent may not contribute to the participation requirements of a mandatory parent.

Factual Basis:

This adoption is necessary to follow TANF work participation requirements for families that include a disabled parent pursuant to Section 607(b)(2)(C), which specifies a family with a disabled parent is not treated as a two-parent family, and Section 607(c)(1)(A), which requires all other families to engage in work for a month in a fiscal year for at least the minimum average number of 30 hours per week, "not fewer than 20 hours per week of..." core activities. Allowing recipients to share hours is only specified for two-parent families pursuant to Section 607(c)(1)(B)(i), not all other families.

Section 42-709.23 and .231

Specific Purpose:

These sections are being adopted to introduce the CalWORKs federal standards minimum hourly participation requirements for optional stepparents who opt into the assistance unit.

Factual Basis:

This adoption is necessary to implement Section 11322.8(b) of the Welfare and Institutions Code, that establishes hourly participation requirements for CalWORKs federal standards, and to comply with Welfare and Institutions Code section 11320.3 that all aided individuals, unless exempt, are required to participate in welfare-to-work as a condition of eligibility.

Section 42-709.231(a)

Specific Purpose:

This section is being adopted to introduce the CalWORKs federal standards minimum hourly participation requirements for an optional stepparent who has opted into an assistance unit that has a parent or caretaker relative residing in the household, but is not in the assistance unit.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.8(b)(1) and (2).

Section 42-709.231(a)(1)

Specific Purpose:

This section is being adopted to establish that the minimum CalWORKs federal standards hourly participation requirement is a minimum average of 30 hours per week during the month, of which 20 hours must be in specified core activities, for an assistance unit that includes an optional stepparent and there is no other parent or caretaker relative residing in the household.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(1), as adopted by SB 1041 and amended by SB 855, that requires an adult recipient in a one-parent assistance unit, unless exempt, to participate for an average of at least 30 hours per week during the month, of which 20 must be in core activities.

Section 42-709.231(b)

Specific Purpose:

This section is being adopted to introduce the CalWORKs federal standards minimum hourly participation requirements for optional stepparents who opt into an assistance unit that includes only one natural or adoptive parent.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b), as adopted by SB 1041.

Section 42-709.231(b)(1)

Specific Purpose:

This section is being adopted to establish that the minimum CalWORKs federal standards hourly requirement is an average of at least 30 hours per week during the month, of which an average of 20 must be in core activities, for an assistance unit that includes only one natural or adoptive parent and an optional stepparent. This section further specifies that either the natural or adoptive parent or the stepparent may fulfill this requirement.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b). The 35-hour participation requirement in Section 11322.8(b)(3) cannot be applied to these assistance units as the basis for aid would never be unemployment. Instead, it would be deprivation of a natural or adoptive parent. The 20-hour participation requirement in Section 11322.8(b)(2) is not being applied to these assistance units as there is another parent in the home to take care of the child(ren) while the other parent participates in welfare-to-work. Therefore, the participation requirements in Section 11322(b)(1) are being required of these assistance units. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.231(b)(2)

Specific Purpose

This section is being adopted to clarify that only one adult in the assistance unit that includes a natural or adoptive parent and an optional stepparent can fulfill the assistance unit's minimum 30-hour per week requirement.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(1), as adopted by SB 1041, which is being applied to these assistance units. The only statutory allowance for two parents to share participation hours required by welfare-to-work and meeting CalWORKs federal standards is contained in Section 11322.8(b)(3), which only applies to assistance units where the basis for aid is unemployment. These assistance units would never have unemployment as the basis for aid. Instead, it would be deprivation of a natural or adoptive parent. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.231(b)(3)

Specific Purpose:

This section is being adopted to specify that when an adult in an assistance unit that includes both a natural or adoptive parent and an optional stepparent and one of the parent's is exempt from participating in welfare-to-work, the other parent must fulfill the minimum average 30-hour per week requirement.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(1), as adopted by SB 1041 and amended by SB 855, that requires an adult in a one-parent assistance unit to participate in welfare-to-work activities for an average of at least 30 hours per week during the month.

Section 42-709.231(c)

Specific Purpose

This section is being adopted to introduce the CalWORKs federal standards minimum hourly participation requirements for an assistance unit that includes an optional stepparent and two natural or adoptive parents.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(3), as adopted by SB 1041 and amended by SB 855, which establishes welfare-to-work participation requirements for adult recipients whose basis for aid is unemployment.

Section 42-709.231(c)(1)

Specific Purpose

This section is being adopted to establish that the CalWORKs federal standards minimum hourly participation requirement is a minimum average of at least 35 hours per week during the month, of which an average of 30 must be in specified core activities, for an assistance unit that includes an optional stepparent and two natural or adoptive parents. Further, this requirement can be met by one or both adults in the assistance unit.

Factual Basis

This adoption is necessary to implement Section 11322.8(b)(3) of the Welfare and Institutions Code, as adopted by SB 1041 and amended by SB 855, which requires an adult recipient whose basis for aid is unemployment to participate for a minimum average of 35 hours per week during the month, subject to the special rules and limitations described in Section 607(c)(1)(B)(i) of Title 42 of the United States Code. This code requires two-parent families to be engaged in work activities for an average of at least 35 hours per week during the month, of which 30 must be in specified core activities, and allows these hours to be shared by both parents.

Section 42-709.231(c)(2)

Specific Purpose

This section is being adopted to specify that only two adults in an assistance unit that includes an optional stepparent and two natural or adoptive parents can combine hours to fulfill the assistance unit's 35-hour participation requirement.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(3), as adopted by SB 1041 and amended by SB 855, which requires an adult whose basis for aid is unemployment to participate for an average of at least 35 hours per week during the month, subject to the special rules and limitations described in Section 607(c)(1)(B) of Title 42 of the United States Code. This code allows an individual and the other parent - not parents - in the family to engage in work activities for a total of at least 35 hours per week during the month.

Section 42-709.231(c)(3)

Specific Purpose:

This section is being adopted to specify that if one or more adults are exempt from participating in welfare-to-work and they are in an assistance unit that includes two natural or adoptive parents and an optional stepparent, that the other adult or adults must fulfill the assistance unit's participation requirements.

Factual Basis:

This adoption is necessary to implement Section 11322.8(b)(3), as adopted by SB 1041 and amended by SB 855, which requires nonexempt adults who basis for cash aid eligibility is unemployment to participate in welfare-to-work activities for an average of at least 35 hours per week. The basis for cash aid eligibility is unemployment for the two natural or adoptive parents.

Section 42-709.231(d)

Specific Purpose

This section is being adopted to introduce the CalWORKs federal standards minimum hourly participation requirements for an assistance unit that includes two natural or adoptive parents and at least one is exempt from welfare-to-work requirements due to a disability, and an optional stepparent.

Factual Basis

This adoption is necessary to implement Section 11322.8(b) of the Welfare and Institutions Code, that establishes hourly participation requirements for CalWORKs federal standards, and to comply with Welfare and Institutions Code section 11320.3 that all aided individuals, unless exempt, are required to participate in welfare-to-work as a condition of eligibility.

Section 42-709.231(d)(1)

Specific Purpose

This section is being adopted to establish that the CalWORKs federal standards minimum hourly participation requirement is a minimum average of at least 30 hours per week during the month, of which an average of 20 must be in specified core activities, for an assistance unit that includes two natural or adoptive parents and at least one is exempt from welfare-to-work due to a disability, and an optional stepparent.

Factual Basis:

This adoption is necessary to apply Welfare and Institutions Code section 11322.8(b) to assistance units that include two natural or adoptive parents and an optional stepparent when at least one of the natural or adoptive parents is exempt from welfare-to-work participation requirements due to a disability. Section 11322.8(b)(3) cannot be applied in this situation, because with one of the natural or adoptive parents being exempt due to a disability, the assistance unit would not have the basis for aid of unemployment. Instead, the basis for aid would be deprivation. The 20-hour participation requirement in Section 11322.8(b)(2) is not being applied to these assistance units as there is another parent in the home to take care of the child(ren) while the other parent participates in welfare-to-work. Therefore, the participation requirements in Section 11322.8(b)(1) are being required of these assistance units. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.231(d)(2)

Specific Purpose

This section is being adopted to clarify that only one adult in an assistance unit that includes two natural or adoptive parents and an optional stepparent can fulfill the assistance unit's minimum 30-hour per week requirement when at least one of the natural or adoptive parents is exempt from welfare-to-work requirements due to a disability.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b)(1), as adopted by SB 1041, which is being applied to these assistance units. The only statutory allowance for two parents to share participation hours required by welfare-to-work and meeting CalWORKs federal standards is contained in Section 11322.8(b)(3), which only applies to assistance units where the basis for aid is unemployment. These assistance units would never have unemployment as the basis for aid. Instead, it would be deprivation of a natural or adoptive parent. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.231(d)(3)

Specific Purpose:

This section is being adopted to specify that if two adults are exempt for participating in welfare-to-work and they are in an assistance unit that includes two natural or adoptive parents and an optional stepparent, the nonexempt parent must fulfill the assistance unit's participation requirements.

Factual Basis:

This adoption is necessary to implement Section 11322.8(b) of the Welfare and Institutions Code, that establishes hourly participation requirements for CalWORKs federal standards, and to comply with Welfare and Institutions Code section 11320.3 that all aided individuals, unless exempt, are required to participate in welfare-to-work as a condition of eligibility.

Section 42-709.3

Specific Purpose:

This section is being adopted to introduce the CalWORKs federal standards core and non-core welfare-to-work activities.

Factual Basis:

This adoption is necessary to implement Section 11322.8(b), as adopted by SB 1041, which provides the core and noncore hourly participation requirements for CalWORKs federal standards.

Section 42-709.31

Specific Purpose

This section is being adopted to introduce the CalWORKs federal standards core welfare-to-work activities for CalWORKs federal standards.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(3), as adopted by SB 1041, which establishes core and non-core hourly participation requirements by applying the TANF participation rules in Sections 607(c) and (d) of Title 42 of the United States Code to CalWORKs federal standards. Sections 607(c)(1)(A) and (B) of the code require that a recipient must engage in a minimum number of hours, of the total required hours, in nine specific work activities defined in Section 607(d) to be considered engaged in work activities. These nine activities are commonly referred to as core hours.

Sections 42-709.311 and .311(a)

Specific Purpose:

These sections are being adopted to establish unsubsidized employment, including self-employment as core CalWORKs federal standards welfare-to-work activities.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(3)(A), as adopted by SB 1041, and to clarify that self-employment, an activity listed in Welfare and Institutions Code section 11322.6 as a welfare-to-work activity and that is also described in California's federally approved TANF Work Verification Plan as a component of unsubsidized employment, is considered unsubsidized employment for purposes of meeting CalWORKs federal standards.

Sections 42-709.312 through.312(c)

Specific Purpose:

These sections are being adopted to establish subsidized employment, including grant-based on-the-job training, on-the-job training that is not grant based, and work study as core CalWORKs federal standards welfare-to-work activities.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(3)(B), as adopted by SB 1041, and to clarify that all on-the-job training and work study, activities listed in Welfare and Institutions Code section 11322.6 as welfare-to-work activities and that are also described in California's federally approved TANF Work Verification Plan as a components of subsidized employment, are considered subsidized employment for purposes of meeting CalWORKs federal standards.

Section 42-709.313 and .314

Specific Purpose:

These sections are being adopted to establish work experience and community services as core CalWORKs federal standards welfare-to-work activities.

Factual Basis:

These adoptions are necessary to implement Welfare and Institutions Code sections 11322.85(a)(3)(D) and (G), as adopted by SB 1041, that list work experience and community services as CalWORKs federal standards welfare-to-work activities.

Sections 42-709.315 and .315(a)

Specific Purpose:

These sections are being adopted to establish vocational education as a core CalWORKs federal standards welfare-to-work activity and that participation in a vocational education program is countable as a core activity is limited to a lifetime limit of 12 months for an individual.

Factual Basis:

These adoptions are necessary to implement Welfare and Institutions Code section 11322.85(a)(3)(H), as adopted by SB 1041, which lists vocational education as a CalWORKs federal standards welfare-to-work activity and specifies that such participation must not exceed 12 months with respect to any individual.

Sections 42-709.316 and .316(a)

Specific Purpose:

These sections are being adopted to specify that job search and job readiness are core CalWORKs federal standards activities if the activity(ies) is no more than four consecutive weeks, not to exceed six weeks in a 12-month period.

Factual Basis:

These adoptions are necessary to implement Welfare and Institutions Code section 11322.85(a)(3)(F), as adopted by SB 1041, which lists job search and job readiness assistance as a CalWORKs federal standards activity. The limitation of no more than four consecutive weeks, not to exceed six weeks in a 12-month period, is being adopted to implement Section 11322.85(a)(3), which applies Sections 607(c) and (d) of Title 42 of the United States Code to CalWORKs participation requirements. Section 607(c)(2)(A)(i) limits the time an individual who is participating in job search or job readiness to four consecutive weeks, not more than six weeks in a 12-month period.

Sections 42-709.316(b) through (b)(4)

Specific Purpose:

These sections are being adopted to specify that participation in mental health services, substance abuse services, domestic abuse services, and welfare-to-work program assessment is considered a job readiness activity if such participation meets the weekly limitation of four consecutive weeks, not more than six weeks in a twelve month period.

Factual Basis:

These adoptions are necessary to implement Welfare and Institutions Code section 11322.85(a)(3)(F) that lists job search and job readiness assistance as a core CalWORKs federal standards activity. Participation in mental health services, substance abuse services, domestic abuse services, and assessment are included in California's approved TANF Work Verification Plan as components of California's job readiness assistance program.

Section 42-709.317

Specific Purpose:

This section is being adopted to specify that providing child care to a community service program participant is a core CalWORKs federal standards activity.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(3)(L), as adopted by SB 1041, that lists the provision of child care services to an individual who is participating in a community services program as a CalWORKs federal standards activity.

Section 42-709.32

Specific Purpose:

This section is being adopted to introduce the CalWORKs federal standards noncore welfare-to-work activities.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(3), which establishes core and noncore hourly participation requirements by applying the TANF participation rules in Section 607(c) and (d) of Title 42 of the United States Code to CalWORKs federal standards. Sections 607(c)(1)(A) and (B) of the code require that a recipient must engage in a minimum number of hours, of the total required hours, in nine specific work activities defined in Section 607(d) to be considered engaged in work activities. These nine activities are commonly referred to as core hours. Three of the activities in Section 607(d) are not included in this minimum hourly requirement and are commonly referred to as noncore activities.

Section 42-709.321 through Section 42-709.323

Specific Purpose

These sections are being adopted to establish the CalWORKs federal standards noncore welfare-to-work activities to be job skills training directly related to employment, education directly related to employment when an individual has not achieved a high school diploma or its equivalent, and satisfactory attendance in a secondary school or in a GED course.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(3)(I) through 11322.85(a)(3)(K).

Section 42-709.4

Specific Purpose:

This section is being adopted to introduce the regulations for deeming core hours for community service and/or unpaid work experience for CalWORKs federal standards.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(b), which established welfare-to-work participation requirements for CalWORKs federal standards.

Section 42-709.41

Specific Purpose:

This section is being adopted to allow individuals to be deemed as meeting the CalWORKs federal standards' core hourly requirement when participating in community services and/or unpaid work experience for the maximum number of hours allowed during any month in the welfare-to-work program.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.8(b) and 11322.85(3) that establish the hourly participation requirements for meeting CalWORKs federal standards and apply Section 607(c) and (d) of the United States Code to these requirements. The federal government deems individuals to be meeting the TANF 20 or 30 core hourly requirements when they are participating for the maximum number of hours per month a State requires by dividing the combined cash aid grant and food stamp allotment by the higher of the federal or state minimum wage. These rules are included in federal regulations at 45 CFR sections 261.31(d)(1) and 261.32(d).

Section 42-709.42

Specific Purpose:

This section is being adopted to require individuals who are deemed to be meeting the CalWORKs federal standards core hourly requirement to participate, in addition to the actual hours worked in community service or unpaid work experience, in additional core or noncore hours to meet the total number of hours required to meet CalWORKs federal standards.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Codes section 11322.8(b), as adopted by SB 1041 and amended by SB 855, which establishes the CalWORKs federal standards participation requirements of an average of 20, 30 or 35 hours per week during the month, depending on the composition of an assistance unit and age of the children. California statute and regulations do not allow deeming hours toward meeting the CalWORKs minimum participation requirements.

Section 42-709.5

Specific Purpose:

This section is being adopted to introduce regulations that specify how CalWORKs federal standards are met.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.8(b) and 11322.85(a)(3) that establish CalWORKs federal standards participation requirements and to provide clear guidance to counties to ensure accurate determinations for meeting CalWORKs federal standards.

Section 42-709.51

Specific Purpose:

This section is being adopted to introduce regulations for determining whether CalWORKs federal standards are met for participants with time remaining on their Welfare-to-Work 24-Month Time Clock whose welfare-to-work plan is designed to meet those standards.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.8(b) and 11322.85(a)(3) that establish CalWORKs federal standards participation requirements and to provide clear guidance to counties to ensure accurate determinations for meeting CalWORKs federal standards.

Section 42-709.511

Specific Purpose:

This section is being adopted to require the use of scheduled hours when determining whether a participant who has time remaining on his or her Welfare-to-Work 24-Month Time Clock with a welfare-to-work plan designed to meet CalWORKs federal standards is meeting those standards, unless the CWD receives verification that those standards were not met.

Factual Basis:

This adoption is necessary to establish statewide consistency for determining when CalWORKs federal standards is met for a participant who has time remaining on his or her Welfare-to-Work 24-Month Time Clock and who has a welfare-to-work plan that is designed to meet those standards. The use of scheduled hours, instead of requiring actual hours be obtained every month, will reduce administrative burden on counties. This section is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-709.512

Specific Purpose

This section is being adopted to require that when a county receives verification that a participant who has time remaining on his or her Welfare-to-Work 24-Month Time Clock and whose welfare-to-work plan is designed to meet CalWORKs federal standards did not meet those standards, the county will begin counting months toward the participant's Welfare-to-Work 24-Month Time Clock the first of the month following receipt of the verification.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(2), as adopted by SB 1041, which requires months to not count toward a recipient's Welfare-to-Work 24-Month Time Clock when he or she is meeting CalWORKs federal standards. Therefore, when a CWD receives verification that a recipient who is scheduled to meet CalWORKs federal standards is not actually meeting those standards, months must start counting toward the recipient's 24-month clock.

Section 42-709.52

Specific Purpose

This section is being adopted to introduce regulations for determining whether a month meets CalWORKs federal standards for participants who are required to meet those standards due to exhausting their Welfare-to-Work 24-Month Time Clock and for participants who have time remaining on their 24-month clock and have a welfare-to-work plan that is designed to meet CalWORKs minimum standards but provide verification that CalWORKs federal standards have been met.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(2) and (a)(3), as adopted by SB 1041.

Section 42-709.521

Specific Purpose:

This section is being adopted to establish the number of participation hours in specified activities for meeting CalWORKs federal standards for recipients who are required to meet those standards due to exhausting their Welfare-to-Work 24-Month Time Clock and for recipients who have time remaining on their 24-month clock and have a welfare-to-work plan that is designed to meet CalWORKs minimum standards but provide verification that they meet the hourly participation requirements for meeting CalWORKs federal standards in a month.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(2) and (a)(3), as adopted by SB 1041, that 1) specifies that any month in which a recipient meets CalWORKs federal standards will not count as a month of activities for purposes of the Welfare-to-Work 24-Month Time Clock limit, and 2) establishes the participation requirements for recipients who have exhausted their 24-month time clock, respectively.

Section 42-709.522

Specific Purpose:

This section is being adopted to establish that verification of actual hours of participation is required in order to determine if CalWORKs federal standards are met in the month for an individual who has time remaining on his or her Welfare-to-Work 24-Month Time Clock who was not originally scheduled to meet those standards and for an individual who is required to meet CalWORKs federal standards due to exhausting his or her 24-month time clock.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(2) and (a)(3), as adopted by SB 1041, that 1) specifies that any month in which a recipient meets CalWORKs federal standards will not count as a month of activities for purposes of the Welfare-to-Work 24-Month Time Clock limit, and 2) establishes the participation requirements for recipients who have exhausted their 24-month time clock, respectively.

Section 42-709.53

Specific Purpose:

This section is being adopted to specify that the average number of participation hours per week in the month is determined by dividing the total number of hours for the month by 4.33 when determining when CalWORKs federal standards have been met.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code sections 11322.85(a)(2) and (3), as adopted by SB 1041, that specify the participation requirements for meeting CalWORKs federal standards within the Welfare-to-Work 24-Month Time Clock period and after the 24-month period is exhausted. California is applying the federally approved method for calculating the number of hours an individual has participated in during the month when determining whether the individual has met the TANF work participation rate requirements. This method is included in California's approved TANF Work Verification Plan. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Sections 42-711.112(b) through (b)(3)

Specific Purpose:

These sections are being amended to repeal the reference to core and noncore welfare-to-work participation requirements and to adopt language to instruct counties to provide general information when an individual applies for aid about recipients' welfare-to-work participation requirements during and after the Welfare-to-Work 24-Month Time Clock period.

Factual Basis:

These amendments are necessary to comply with Welfare and Institutions Code sections 11322.8 and 11322.85(a)(1) and (a)(3) as adopted by SB 1041. The requirement that recipients must participate in specified core and non-core activities during their Welfare-to-Work 24-Month Time Clock period has been repealed in Section 11322.8. The adoption of Welfare and Institutions Code sections 11322.85(a)(1) and (3) created the Welfare-to-Work 24-Month Time Clock period during which recipients have flexibility on the activities they can participate in during the 24-month period and established stricter participation requirements after the 24-month period. Therefore, the requirement to inform recipients of core and noncore requirements is being replaced with information about the Welfare-to-Work 24-Month Time Clock period.

Section 42-711.41

Specific Purpose:

This section is being adopted to introduce CalWORKs minimum standards regulations for CalWORKs recipients who have months remaining on their Welfare-to-Work 24-Month Time Clock.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a), as adopted by SB 1041.

Section 42-711.411 Renumbered from Section 42-711.41

Specific Purpose:

This section is being renumbered from 42-711.41 to 42-711.411 due to the adoption of new section 42-711.41, and to specify that the regulations in 42-711.411(a) and (b) apply to an adult in a one-parent assistance unit that does not include an optional stepparent. Participation requirements for all assistance units that include optional stepparents are included in the proposed regulation at 42-711.413.

Factual Basis:

Renumbering this section is necessary to maintain numerical sequencing for clarity and consistency, but has no regulatory impact.

Placing all participation requirements for assistance units that include optional adults is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.411(a)

Specific Purpose:

This section is being adopted to establish CalWORKs minimum standards to be an average of at least 30 hours per week during a month for an adult in a one-parent assistance unit that does not include an optional stepparent and when there is no child under six years of age.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(A), as adopted by SB 1041 and amended by SB 855, which established the participation requirements for a one-parent assistance unit during the Welfare-to-Work 24-Month Time Clock period.

Section 42-711.411(b) Renumbered from Section 42-711.411

This section is being renumbered from Section 42-711.411 to 42-711.411(b) and amended to remove the 32 hour per week participation requirement and establish that CalWORKs minimum standards are based on an average of at least 20 hours per week during the month for an adult recipient in a one-parent assistance unit that does not include an optional stepparent when certain conditions are.

Factual Basis:

Amending this section to change the number of hours from 32 to 20 hours per week is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B) as adopted by SB 1041.

Amending language in this section specifying that an adult in a one-parent assistance unit shall participate in welfare-to-work activities, described in Section 42-716.1, for an average of at least 20 hours per week is necessary to accurately reflect statutory language in Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 855.

Sections 42-711.411(b)(1) and (b)(2)

Specific Purpose:

These sections are being adopted to clarify that the conditions that must be met for a 20-hour participation requirement to be applied to a one-parent assistance unit are 1) there must be a child under six who is in the assistance unit or, 2) there is a child under six in the home who is not in the assistance unit, but the adult recipient exercises responsibility for the day-to-day care and control of that child.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 855.

Repealed Section 42-711.411(a)

Specific Purpose:

This section is being repealed to remove the requirement that recipients in a one-parent assistant unit must participate in a minimum average of 20 hours per week in specified core welfare-to-work activities during their Welfare-to-Work 24-Month Time Clock period.

Factual Basis:

This repeal is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 1041, that made the requirement for all individuals in welfare-to-work to participate in at least 20 hours each week in specified core activities inoperative on January 1, 2013. The requirement for core activities now only applies to individuals who have exhausted their Welfare-to-Work 24-Month Time Clock and is regulated 42-709.2.

Repealed Section 42-711.412

Specific Purpose:

This section is being repealed to remove the requirement that adult recipients must not participate in welfare-to-work activities less than the hours required under federal law for their entire time on cash aid.

Factual Basis:

The repeal is necessary to implement Welfare and Institutions Code section 11322.85(a)(1) that allows individuals in welfare-to-work to participate in the number of hours specified in Section 11322.8(a) during their Welfare-to-Work 24-Month Time Clock period. In some situations, the number of hours required in Section 11322.8(a) is less than is required by the federal government. For example, Section 11322.8(a)(2) applies a 35 hour weekly average only for two parent assistance units where the basis for cash aid is unemployment. Assistance units that include a natural or adoptive parent and a stepparent would never have their basis for cash aid be unemployment and would have a 30-hour per week requirement. Under federal law, an average of 35 hours per week is required for many families in which two parents live in the home, regardless of their basis of cash aid eligibility.

Section 42-711.412 Renumbered from Section 42-711.42

Specific Purpose:

This section is being renumbered from Section 42-711.42 to Section 42-711.412 and to specify that Sections 42-711.412(a) and (b) only apply to two-parent assistance units that do not include an optional stepparent. The participation requirements for all assistance units that include an optional stepparent are included in Section 42-711.413

Factual Basis:

Renumbering this section is necessary to maintain numerical sequencing for clarity and consistency, but has no regulatory impact.

Placing all participation requirements for assistance units that include optional adults is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.412(a) Renumbered from Section 42-711.421

Specific Purpose:

This section is being renumbered from Section 42-711.421 to Section 42-711.412(a) and clarifying the wording regarding the average number of hours a recipient must participate in welfare-to-work has been modified.

Factual Basis:

Renumbering this section is necessary to maintain numerical sequencing for clarity and consistency, but has no regulatory impact.

Amending language in this section specifying that an adult in a two-parent assistance unit shall participate in welfare-to-work activities, described in Section 42-716.1, for an average of at least 20 hours per week is necessary to accurately reflect statutory language in Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 855.

Repealed Section 42-711.421(a)

Specific Purpose

This section is being repealed to remove the requirement that recipients in a two-parent assistance unit must participate in a minimum average of 20 hours per week in specified core welfare-to-work activities during their Welfare-to-Work 24-Month Time Clock period.

Factual Basis:

This repeal is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 1041, that made the requirement for all individuals in welfare-to-work to participate in at least 20 hours each week in specified core activities inoperative on January 1, 2013. The requirement for core activities now only applies to individuals who have exhausted their Welfare-to-Work 24-Month Time Clock and is regulated per Section 42-709.2.

Section 42-711.412(a)(1) Renumbered from Section 42-711.421(b)

Specific Purpose:

This section is being renumbered from Section 42-711.421(b) to Section 42-711.412(a)(1) and amended to remove the requirement that at least one parent in a two-parent assistance unit must participate for a minimum average of 20 hours per week.

Factual Basis:

Renumbering this section is necessary to maintain numerical sequencing for clarity and consistency, but has no regulatory impact.

Removing the requirement that at least one parent in a two-parent assistance unit must participate for a minimum average of 20 hours per week is necessary to implement Welfare and Institutions Code section 11322.8(g), as amended by SB 1041 in Section 15, that made the requirement in Section 11322.8(c) that one parent in a two-parent assistance unit must meet the federal one-parent work requirement (20 hours per week) inoperative on January 1, 2013.

Repealed Section 42-711.421(a)(1)

Specific Purpose:

This section is being repealed to remove the requirement that if both parents in a two-parent assistance unit are contributing to meet the 35-hour weekly average participation requirement that the parents may split the 20-hour per week core welfare-to-work activities requirement.

Factual Basis:

Removing the requirement that parents in a two-parent assistance unit may split the 20-hour core activity participation requirement is necessary to implement Welfare and Institutions Code section 11322.8(g), as amended by SB 1041 in Section 15, that made the requirement in Section 11322.8(c) that recipients must participate in core welfare-to-work activities inoperative on January 1, 2013, and Section 11322.85(a)(1) that established the Welfare-to-Work 24-Month Time Clock period, during which recipients can participate in any welfare-to-work activity that are in consistent with their assessments.

Section 42-711.412(b)

Specific Purpose

This section is being adopted to establish that CalWORKs minimum standards during the Welfare-to-Work 24-Month Time Clock period is at least an average of 30 hours per week during the month for a parent in a two-parent assistance unit where there is a second parent who is exempt from welfare-to-work due to a disability.

Factual Basis

This adoption is necessary to clarify Welfare and Institutions Code section 11322.8(a)(2) that only parents in a two-parent assistance unit with the a basis for aid of unemployment are subject to a 35-hour per week requirement. Two-parent assistance units that include an adult who is exempt from welfare-to-work due to disability would not have the basis for aid of unemployment. Therefore, the participation requirements of one-parent assistance units apply to these families

Section 42-711.412(b)(1)

This section is being adopted to establish that CalWORKs minimum standards during the Welfare-to-Work 24-Month Time Clock period is at least an average of 20 hours per week during the month for a two-parent assistance unit where there is a second parent who is exempt from welfare-to-work due to a disability, when certain conditions exist.

Factual Basis

This adoption is necessary to clarify Welfare and Institutions Code section 11322.8(a)(2) that only parents in a two-parent assistance unit with the a basis for aid of unemployment are subject to a 35-hour per week requirement. Two-parent assistance units that include an adult who is exempt from welfare-to-work due to disability would not have the basis for aid of unemployment. Therefore, the participation requirements of single-parent assistance units apply to these families (an average of at least 20 or 30 hours per week during the month based on the age of the children).

Sections 42-711.412(b)(1)(A) and (b)(1)(B)

Specific Purpose:

These sections are being adopted to clarify that for a 20-hour participation requirement to be applied to a two-parent assistance unit where there is a second adult in the home who is exempt due to a disability, there must be 1) a child under six who is in the assistance unit or 2) there is a child in the home under six who is not in the assistance unit but the adult recipient exercises responsibility for the day-to-day care and control of that child.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 1041.

Section 42-711.412(c) Renumbered from Section 42-711.422

Specific Purpose/Factual Basis

This section is being renumbered from Section 42-711.422 to Section 42-711.412(c) to maintain numerical sequencing. This is necessary for clarity and consistency, but has no regulatory impact.

Section 42-711.412(c)(1) Renumbered from Section 42-711.422(a)

Specific Purpose/Factual Basis

This section is being renumbered from Section 42-711.422(a) to Section 42-711.412(c)(1) to maintain numerical sequencing. This is necessary for clarity and consistency, but has no regulatory impact.

Specific Purpose:

This section is being adopted to introduce CalWORKs minimum standards for an assistance unit that includes an optional stepparent with no natural or adoptive parent.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(A) and (B).

Section 42-711.413(a)(1)

Specific Purpose:

This section is being adopted to establish that CalWORKs minimum standards are an average of at least 30 hours per week during a month for an assistance unit that includes an optional stepparent with no natural or adoptive parent when there is no child under six living in the home.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(A), as adopted by SB 1041.

Section 42-711.413(a)(2)

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B), as amended by SB 1041.

Sections 42-711.413(a)(2)(A)and (a)(2)(B)

Specific Purpose:

These sections are being adopted to establish that the CalWORKs minimum standards are an average of at least 20 hours per week for an assistance unit that includes an optional stepparent with no natural or adoptive parent when 1) there is a child under six in the assistance unit or 2) there is a child under six living in the home, but the adult recipient exercises responsibility for the day-to-day care and control of that child.

Factual Basis

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(B), as adopted by SB 1041.

Section 42-711.413(b)

Specific Purpose:

This section is being adopted to establish that CalWORKs minimum standards are an average of at least 30 hours per week during the month for an assistance unit that includes an optional stepparent and only one natural or adoptive parent.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a). The 35-hour participation requirement in Section 11322.8(a)(2) cannot be applied to these assistance units as the basis for aid would never be unemployment. Instead, it would be deprivation of a natural or adoptive parent. The 20-hour participation requirement in Section 11322.8(a)(1)(B) is not being applied to these assistance units as there is another parent in the home to take care of the child(ren) while the other parent participates in welfare-to-work. Therefore, the participation requirements in Section 11322.8(a)(1)(A) is being required of these assistance units. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Specific Purpose:

This section is being adopted to specify that only one adult in the assistance unit that includes an optional stepparent and one natural or adoptive parent can fulfill the 20- or 30-hour per week participation requirement.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8(a)(1)(A), as amended by SB 1041, which is being applied to these assistance units. The only statutory allowance for two parents to share participation hours required by welfare-to-work is contained in Section 11322.8(a)(2), which only applies to assistance units where the basis for aid is unemployment. These assistance units would never have unemployment as the basis for aid. Instead, it would be deprivation of a natural or adoptive parent. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.413(b)(4)

Specific Purpose:

Section 42-711.413(c)

Specific Purpose:

This section is being adopted to introduce CalWORKs minimum standards for an assistance unit that includes an optional stepparent in an assistance unit that also includes two natural or adoptive parents.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.85(a)(2) and (3).

Section 42-711.43

Specific Purpose:

This section is being adopted to specify that the average number of hours per week in the month for Section 42.711.4 is determined by dividing the total number of hours for the month by 4.33.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11322.8, as amended by SB 855, which changed the participation requirement from a weekly requirement to an average weekly requirement during the month. Dividing the total number of hours for the month by 4.33 is California's federally approved method for determining the average number of participation hours and is contained in California's TANF Work Verification Plan. This is also necessary to provide specific guidance for all counties to follow and is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.544

Specific Purpose:

This section is being amended to remove the requirement that participants in Self-Initiated Programs (SIPs) are required to participate for 32 hours each week. Instead, SIP participants are required to participate for 20 or 30 hours each week, as determined by the family size and age of the children in the home.

This adoption is necessary to implement Welfare and Institutions Code section 11325.23(a)(3)(C), as amended by Assembly Bill (AB) 1471, Chapter 439, Statutes of 2012, that reduced the number of participation hours for SIP participants to 20 or 30 hours based on the age of the children in the home.

Sections 42-711.544(a) through (b)(2)

Specific Purpose:

These sections are being adopted to require SIP participants in a one-parent assistance unit to participate for at least an average of 30 hours per week during the month unless there is either a child under six in the assistance unit or a child under six in the home who is not in the assistance unit but the adult has day-to-day control of that child. If the participant has a child under six that meets these requirements, the participant may participate for an average of 20 hours per week during the month.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11325.23(a)(3)(C) as amended by AB 1471, that establishes the hourly participation requirements for SIP participants.

Section 42-711.545(b)

Specific Purpose:

This section is being adopted to clarify the rights and responsibilities of a SIP participant who chooses to end his or her SIP prior to the program completion, or an individual who qualifies for a SIP and chooses to participate in a non-SIP welfare-to-work plan. This section is designed so that an individual who chooses to end or not participate in a SIP is first made aware of what his or her non-SIP welfare-to-work plan would require. This is so that an individual may make an informed decision about waiving or ending a SIP.

Factual Basis:

This adoption is necessary to implement Welfare and Institutions Code section 11325.23(a)(1), so that individuals who qualify for SIPs are fully informed of program requirements and the activities of their non-SIP welfare-to-work plan in the event that they choose not to participate in a SIP.

Section 42-711.552(a)

Specific Purpose:

This section is being amended to require all employed participants to sign a welfare-to-work plan.

Factual Basis:

This amendment is necessary to ensure that all employed welfare-to-work participants are required to sign a welfare-to-work plan as required in Welfare and Institutions Code section 11325.21, as the proposed regulation at Section 42-708.22 of this package begins a recipient's Welfare-to-Work 24-Month Time Clock the month after the plan is signed.

Section 42-711.522(b)

Specific Purpose:

This section is being amended to specify that for employed participants who opt out of an assessment, their welfare-to-work plans shall only provide for unsubsidized employment and supportive services. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Factual Basis:

This amendment is necessary to clarify what welfare-to-work plans must include for employed participants who opt out of an assessment. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.552(c)

Specific Purpose:

This section is being adopted to specify that if an employed participant who opted out of assessment does not meet his or her minimum hours of participation, the participant shall be referred to assessment.

Factual Basis:

This adoption is necessary to ensure that participants, who opted out of assessment because they were employed for a sufficient number of hours to meet their participation requirements, receive an assessment when they are no longer meeting their participation requirement. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.557

Factual Basis:

This section is being amended to implement Welfare and Institutions Code section 11325.23(a)(3)(C), as amended by AB 1471, that removed the requirement for SIPs to participate in 32 hours and established a 20- or 30-hour participation requirement, depending on assistance unit composition.

Section 42-711.581(a)

Specific Purpose/Factual Basis:

This section is being amended to conform to the renumbering of Section 42-716.31 to Section 42-716.1. This amendment is necessary for clarity and consistency, but has no regulatory impact.

Section 42-711.581(d)

Specific Purpose:

This section is being amended to remove references to reappraisal in accordance with Section 42-711.7.

Factual Basis:

This amendment is necessary to comply with the repeal of a reappraisal requirement in this regulation package at Section 42-711.7 through .712(e).

Section 42-711.621(a)

Specific Purpose/Factual Basis:

This section is amended to correct a spelling error. This is necessary for clarity, but has no regulatory impact.

Repealed Handbook Sections 42-711.626 through .628

Specific Purpose:

These handbook sections examples are being repealed as they are no longer applicable, as all employed individuals are now required to sign a welfare-to-work plan.

Factual Basis:

This repeal is developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Section 42-711.63

Specific Purpose:

This section is being amended to require recipients to participate in either CalWORKs minimum standards or CalWORKs federal standards as provided in their welfare-to-work plans.

Factual Basis:

These amendments are necessary to implement Welfare and Institutions Code sections 11322.8 and 11322.85(a), as adopted by SB 1041, that 1) eliminated participation in specified core and noncore hours during a 24-month period, 2) established criteria for not counting months toward the Welfare-to-Work 24-Month Time Clock period and 3) established the requirement to meet CalWORKs federal standards when the 24-month period is exhausted. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Sections 42-711.631 through .631(c)

Specific Purpose:

These sections are being adopted to ensure that recipients are fully informed of the participation requirements of the Welfare-to-Work Program during the development of their welfare-to-work plans. This section specifically identifies the requirements for participating in welfare-to-work activities in accordance with the Welfare-to-Work 24-Month Time Clock, CalWORKs federal standard, or post Welfare-to-Work 24-Month Time Clock activities. This section clarifies that CWDs must work with the participant to select the most appropriate activities based on the participant's assessment. Section 42-711.633 through .634

Specific Purpose:

These sections are being adopted to provide that the criteria for developing welfare-to-work plans are 1) a participant's need for barrier removal and educational activities and 2) the circumstances and career goals of the participant.

Factual Basis:

These adoptions are necessary to implement Welfare and Institutions Code sections 11322.85(a)(1) and (3), as adopted by SB 1041 that require development of welfare-to-work plans to meet either CalWORKs minimum standards or CalWORKs federal standards. The CDSS developed specific criteria to use when developing activities to be included in the welfare-to-work plan to ensure the need for barrier removal and education activities is considered in order help recipients achieve self-sufficiency. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

Handbook Section 42-711.635

In this case the individual's activities would be reevaluated and additional activities assigned without subjecting the individual to the restrictions of reappraisal. This section is also developed under the provisions of Welfare and Institutions Code section 10553, which provides the Director of CDSS with the authority to adopt regulations to ensure consistency in the administration of the CalWORKs Program.

c) Local Mandate Statement

These proposed CalWORKs regulations changes do impose a mandate on local agencies, but not on school districts. The mandate is not required to be reimbursed pursuant to part 7 (commencing with Section 17500) of Division 4 of the Government Code or Section 6 of Article XIII B of the California Constitution because implementation of these regulations will, if anything, result in negligible savings.

d) Statement of Alternatives Considered

In developing the regulatory action, CDSS did not consider any other alternatives because no alternatives were proposed. Additionally, the Legislature mandated that regulations be adopted for these amendments by SB 1041.

e) Statement of Significant Adverse Economic Impact On Business

The CDSS has made an initial determination that the proposed action will not have a significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. This determination was made based on the proposed regulatory action, which was designed to impact only the CalWORKs population in order to aid them in achieving economic self-sufficiency.

f) Economic Impact Assessment

The adoption of the proposed amendments will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses or create or expand businesses in the State of California. This regulatory action will benefit the health and welfare of California residents by establishing a requirement that adults in the Welfare-to-Work Program can participate in any welfare-to-work activity they need, consistent with their assessments, during the Welfare-to-Work 24-month Time Clock period to provide them with the necessary training to obtain employment. Worker safety and the state's environment will not be impacted by these amended regulations. This regulatory action does not make changes to regulations involving worker safety or the state's environment. The amended and adopted regulations will increase the likelihood of stable employment and self-sufficiency for CalWORKs recipients resulting in a positive economic impact to the state.

The documents relied upon in proposing this regulatory action is Senate Bill 1041, Chapter 47, Statutes of 2012; Senate Bill 855, Chapter 29, Statutes of 2014; and Assembly Bill 1471, Chapter 439, Statutes of 2012.

g) Benefits Anticipated from Regulatory Action

The amendments to the CalWORKs regulations as required by SB 1041 will establish a 24-month time period during which recipients can participate in any welfare-to-work activity they need, consistent with their assessments, to help them move to self supporting employment. The amendments will also establish participation requirements that are more closely aligned with the requirements of the federal Temporary Assistance to Needy Families (TANF). These regulations are intended to provide employment and training services to the maximum possible number of the CalWORKs population to aid them in achieving economic self-sufficiency.

h) Statement of Specific Technology or Equipment

This regulatory action will not mandate the use of new, specific technologies or equipment. The proposed regulations will make technical and conforming changes in order to comply with SB 1041.
