Regulation Package #0400-10

CDSS MANUAL LETTER NO. OPS-01-02

TO: HOLDERS OF THE OPERATIONS MANUAL, DIVISION 23

Regulation Package #0400-10**Effective 4/17/01****Sections 23-601, 23-604, 23-610, 23-613, 23-616, 23-620, 23-621, 23-622, 23-624, 23-625, 23-630, 23-640, and 23-650**

This package repeals provisions specifically applicable to county In-Home Supportive Services (IHSS) Provider contracts from Chapter 23-600 county contracting regulations. Regulatory action is required for compliance with Welfare and Institution Code Section 12302.1, SB 1780 (Budget Trailer Bill) Chapter 206, Statutes of 1996, Section 23. The current regulations specifically refer to IHSS, but by repealing these regulations, IHSS will fall under the general rules regarding contracts, as any program in the Department. Since these changes do not have regulatory effect, the California Code of Regulations (CCR) Title 1, Section 100, did not require a public hearing.

 - .21 All counties shall be notified in writing when the state requires standard contracts or standardized language. A county seeking deviations from the standards shall make their request in writing, explaining the reasons for the deviations. HANDBOOK ENDS HERE

- (f) If after issuance of the IFB or RFP, but before the time set for opening, it becomes necessary to make changes in quantities, specification, opening dates, etc., or to correct a defective or ambiguous IFB or RFP, such change shall be accomplished by issuance of an amendment to the IFB or RFP. Such notification shall be confirmed in the amendment.
- (3) Any information given to a prospective bidder shall be furnished promptly to all other prospective bidders, as an amendment, if such information is necessary to bidders in submitting bids or if the lack of such information would be prejudicial to uninformed bidders. If any amendment is made to the IFB or RFP, no award shall be made unless the amendment has been issued in sufficient time to permit all prospective bidders to consider such information in submitting or modifying their bids or proposals.
- (g) IFBs or RFPs shall not be canceled unless cancellation is in the public interest, such as where there is no longer a requirement for the material or service or where amendments would be of such magnitude that a new bidding document is desirable. Where a bidding document is canceled, bids or proposals which have been received shall be returned unopened to the bidders and a notice of cancellation shall be sent to all prospective bidders to whom bidding documents were issued.

 - .14 The county shall observe the following provisions regarding the receipt and consideration of late bids or proposals. Late bids or proposals are those that are received after the exact time set for receipt in the IFB or RFP:
 - .141 Any bid or proposal received at the office designated in the IFB or RFP after the exact time specified for receipt will not be considered unless it is received before award is made and either:

23-650	PROCUREMENT BY NEGOTIATION	23-650
---------------	-----------------------------------	---------------

This section contains policies and procedures which shall be observed by counties in procurements by negotiation, as distinguished from formal advertising, and the limitations upon its use.

- .1 Contracts may be negotiated without formal advertising when one or more of the following exists:
 - .11 When a public emergency exists and the urgency is such that time is not available for formal advertising. This should be applied only in emergencies caused by circumstances outside of the county's control and not for delays caused by county inaction.
 - .12 If rates established by the state are to be used for payments and CDSS has notified the counties that formal advertising is not necessary for a particular program.
 - .13 If the aggregate annual amount involved does not exceed \$100,000. However, qualifications and price must still be solicited through a manner consistent with the county's own procurement policies. Selection shall be made using the criteria set forth in Section 23-650.2.
 - .14 For any service to be rendered by any federal, state, or local government agency, public university, public college or other public educational institution. CDSS may require formal advertising when contracts with government agencies or public educational institutions are considered excessive in price when compared to similar services provided through competition, or where competition between public and private agencies is necessary to accomplish program purposes.

23-650	PROCUREMENT BY NEGOTIATION (Continued)	23-650
---------------	---	---------------

- .15 For services for which it is impracticable to secure competition. This requirement may be satisfied by one of the following:
 - .151 When services can be obtained only from a single source. The determination of single source shall be established through a formal, publicly advertised, pre-bid survey to determine that only one source exists or only one source is willing and available to fulfill the contract.
 - .152 When bids or proposals have been solicited and competition is determined to be inadequate.
- .16 For emergency shelter care, contracts providing six (6) or fewer beds.
- .17 If the county develops other innovative methods of selection. Such methods shall require prior approval by CDSS and, when appropriate, by the federal grantor agency. When prior federal approval is required CDSS will request such approval. The county shall request approval of an innovative procurement method in writing, including a description of the method, the benefit to the program of using the method, and level of competition in their area to such contracts.
 - .171 The state will review the request for cost impact, overall benefit to the program to be served, and compliance with state and federal goal, as reflected in these regulations, of encouraging maximum competition. If the state approves of the innovative procurement, it will forward the material, when required, to the appropriate federal grantor agency, with a recommendation for approval. If CDSS denies the request, it will respond to the county giving reasons for the denial, and recommendations, if any, for gaining approval. The state shall also notify the county of federal approval or denial of the innovative procurement method. CDSS will notify the county within 15 calendar days of receipt if the required information is complete or deficient, and within 45 days, upon receipt of complete information, of its decision or that it is forwarding a recommendation for approval to the federal government. CDSS will notify the county within 10 days upon receipt of the federal decision.

23-650	PROCUREMENT BY NEGOTIATION (Continued)	23-650
---------------	---	---------------

- .172 The state has not had any requests for using innovative procurement methods during the past two years. Records from any previous requests are no longer available.
- .18 Other situations, where unique circumstances necessitate procurement by negotiation, shall require prior CDSS approval and, when necessary, federal agency approval.
- .2 Whenever services are to be procured by negotiation, proposals shall be solicited from as many qualified sources as is reasonably practicable. During the course of negotiations, appropriate factors, including the following, shall be considered.
 - .21 Comparison of prices quoted with prices for the same or similar services from other sources.
 - .22 Comparison of the business reputation, capacity, and responsibility of the respective persons or firms who submit offers.
 - .23 Consideration of the quality of the services offered, including the same or similar services previously furnished, with due regard of conformance with specification requirements.
 - .24 Consideration of the existing and potential workload of the persons or firms submitting offers.
