* Exits occur when the case leaves in the prior calendar quarter and is off the entire following quarter.
** Higher Income Threshold = Median Quarterly Earning of CW Cases * 2.5.
*** CalWORKs active cases were on all three months of the quarter. Same as Pay for Performance Measure #1.

Averages represent the average number of cases or exiting cases occurring in each of the four quarters. ^Totals will not agree with data displayed in columns that have smaller counties' data removed for confidentiality requirements.
