Blank cells indicate no WPR is calculated due to incomplete data. \* = No cases sampled for that month.

<sup>1/</sup> Statewide and annual work participation rates are based on the average of the weighted monthly rates, which is consistent with the calculation of the federal statewide rates by the Administration for Children and Families. Monthly rates are displayed to validate the calculation of annual rates. Caution should be exercised when using the monthly rates for other reporting purposes.<sup>2/</sup> Numerator = TANF families fully participating in work participation activities.  
Denominator = TANF families subject to work participation requirements.
