## **Introduction**

The “Quarterly CalWORKs Report”, has been developed as an information tool to monitor the progress of the CalWORKs Program and provide periodic snapshots of the data for some key program components. This is the first quarterly report for Fiscal Year (FY) 2014/15 and covers **July through September 2014**.

In 1999, the State of California Department of Social Services split the CalWORKs program into two segments, the “Separate State Program” for two-parent families and the “Federal Program” for single-parent and child-only segments. The “Separate State Program” was established to allow the State and counties to implement creative strategies and service delivery models to ensure these families are appropriately served by the CalWORKs program.

With the Federal Deficit Reduction Act of 2005, the Temporary Assistance for Needy Families (TANF) Program was reauthorized. Under this reauthorization, the Separate State Program component of the TANF Program was discontinued effective October 1, 2006. Therefore, references in this report identifying programs as “Federal Program” and “Separate State Program” have been revised as follows:

**Federal Program is now Federal Program – Single Parent Families**

**and**

**Separate State Program is now Federal Program – Two-Parent Families.**

## CalWORKs Single Allocation

The California Work Opportunity and Responsibility to Kids (CalWORKs) is a statewide welfare program operated locally by county welfare departments that provides cash grants and services to eligible needy California families. In contrast to grant payments, the CalWORKs Single Allocation includes funding for the following program components: Eligibility Administration, Welfare-to-Work (WTW) Employment Services, Cal Learn, Stage One Child Care, and Mental Health and Substance Abuse.

- CalWORKs Eligibility Administration component reflects the administrative costs for the Temporary Assistance for Needy Families (TANF)/ CalWORKs program. The basic costs include the costs for general administration, coordination and overhead for the programs such as the salaries and benefits of staff performing activities related to eligibility determination, preparation of budgets, monitoring programs, fraud units, services related to accounting, litigation, payroll and personnel, and costs for the goods and services required for the administration of the program such as supplies, equipment, utilities, and rental and maintenance of office space.
- CalWORKs Employment Services component reflects the cost of providing employment and training services to individuals in the CalWORKs WTW program. Employment services provided to WTW participants include a wide variety of work, educational, and training activities designed to assist individuals in obtaining and retaining employment.
- Cal Learn component reflects the cost of providing intensive case management, supportive services and fiscal incentives and disincentives to eligible teen recipients who are pregnant or parenting and participating in the Cal-Learn program.
- Stage One Child Care component reflects the cost for Stage One Child Care for CalWORKs program families who are working or participating in work activities while on aid, former CalWORKs recipients who are unable to transfer to Stage Two due to the lack of available slots, and eligible teen parents participating in the Cal-Learn program. Child care services are available to CalWORKs families with children under 13 years of age.
- Mental Health and Substance Abuse component reflects the cost to provide necessary mental health and substance abuse services, including case management and treatment, to CalWORKs program WTW participants in need of these services to obtain or retain employment.
