TRENDS

NOTE: The number of Federal households is the total Federal-Only households plus the Federal share of combined households (households which include federally eligible and California Food Assistance Program [CFAP] eligible persons). The Federal share of combined households is calculated using a proration based on the number of Federal and CFAP persons in combined households.

- **CalFresh annual average households increased 4.8% between FY 13/14 and FY 14/15.**
PA households decreased 3.0% between FY 13/14 and FY 14/15.
NA households increased 6.3% between FY 13/14 and FY 14/15.

The number of Non-Public Assistance households now exceeds the number of Public Assistance households by 1,485,227 households.

The ratio of Public Assistance and Non-Public Assistance households changed from 15.5% Public Assistance and 84.5% Non-Public Assistance in FY 13/14 to 14.3% Public Assistance and 85.7% Non-Public Assistance in FY 14/15.

a/ Does not include California Food Assistance Program (CFAP) households.

b/ Public Assistance means that all members of the CalFresh household also receive cash assistance.

c/ Non-Public Assistance means that none or just some of the CalFresh household members also receive cash assistance.
