

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

210-1

The head of the household, spouse or any other responsible member of the household may designate an Authorized Representative (AR) to act on behalf of the household. The AR shall have authority to make the CalFresh application, obtain CalFresh benefits, and use such benefits on behalf of the household. (§63-402.61)

210-3

State regulations require the counties to make certain regulations, laws, and other policy material available to the public. The counties must do the following:

- .1 One set of the regulations and handbook materials (including All-County Letters) of the Department of Social Services, the Welfare and Institutions Code (W&IC), the Health and Safety Code, and other laws relating to any form of public social service must be made available to the public during regular office hours in each central or district county office administering public social services and in each local or regional office of the department. (W&IC §10608)
- .2 These references shall be placed in the waiting or reception room or in a location available and convenient for public use.
- .3 A sign shall be prominently posted in each waiting/room or reception room in appropriate languages as follows:

"Rules and regulations of the State Department of Social Services are available for your use. Please ask for the materials or manuals you wish to see."
- .4 A signout book should be used to prevent loss of regulations or other materials for public use. The maintenance of the reference materials in a current and usable condition is a condition of compliance with the statute.

(Handbook §17-017)

210-4

Federal regulations detail specific responsibilities of State agencies in terms of the CalFresh application form. The State must ensure that the following is provided to the applicant in "prominent and boldface lettering and understandable terms":

- (1) A statement that the information provided by the applicant in connection with the CalFresh application will be subject to verification by Federal, State, and local officials to determine if such information is factual; that CalFresh benefits may be denied if the information is incorrect; and that the applicant may be subject to criminal prosecution for knowingly providing incorrect information.
- (2) A description of the civil and criminal provisions and penalties for violations of the CalFresh Act.

(7 Code of Federal Regulations (CFR) §273.2(b)(i) and (ii))

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

In addition, certain information must be provided in "plain and prominent language on or near the front page of the application":

- (5) Notice of the household's right to immediately file the application as long as it contains the applicant's name and address and the signature of a responsible household member or the household's authorized representative.
- (6) A description of the provisions regarding expedited service.
- (7) Notice that benefits are provided from the date of application.

(7 CFR §273.2(b)(v), (vi), (vii))

210-5

There are two separate retention requirements for CalFresh Program records. First, all program records are to be retained for a period of three years from the month of origin. Second, all fiscal records and accountable documents are to be retained for three years from the date of fiscal or administrative closure. This means that records such as, but not limited to transaction receipts, master issuance files, records-for-issuance for each month, authorization documents, cashier's daily reports, Notices of Change, Form FNS-250s (Food Coupon Accountability Report), Household Issuance Record cards, and tally sheets shall be retained for three years. However, any documents or records which are involved in any billing or claim shall be retained for three years from the date of fiscal or administrative closure. Also, any records or documents that are involved in a fiscal audit or investigation must be retained for three years from the date the audit or investigation is closed.

Some records require retention periods of more than three years. These include:

1. CalFresh program case records that are a part of an assistance case record must be retained in accordance with §23-350.
2. Records and their supporting documents for which there is an open Federal or State audit must be retained.
3. Case records in which criminal or civil litigation was involved are to be retained for three years after the final claim is submitted for federal reimbursement. Records which must be retained include those documents which were used in the determination of eligibility (including denials) and those used to determine the amount paid as retroactive benefits. Other documents in the case record must be retained in accordance with the requirements for public assistance records specified elsewhere in this letter.
4. While not required by regulation, it is desirable that those CalFresh program case records and their supporting documents, which have been identified by CDSS as federal sample quality control cases containing an error, should be retained until the federal sanction process is resolved for the applicable Federal fiscal year.

(All-County Letter No. 02-12, March 8, 2002)

211-1A ADDED

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

4/11 If a nonassistance household is terminated from CalFresh Program benefits for reasons other than failure to complete recertification, moving out of the county, or being disqualified, that household is subject to restoration of benefits during the month following the month of termination if the household has resolved the reasons for the termination during that month. The restoration eliminates the need for filing a new application.

All County Letter 10-32, July 23, 2010 implementing the provisions of a Federal waiver

211-1B

If the household has failed to appear for one scheduled interview, and has made no subsequent contact with the county to indicate an interest in pursuing the application, the county shall send a Notice of Missed Interview (NOMI) as soon as possible. If the household requests another interview within 30 days of the application date, the county shall reschedule the interview. If at that second interview the household is determined eligible, the beginning date of aid is the date of application. (§63-301.32, and 63-300.451 through .453, as revised effective March 1, 2002)

211-1D REVISED 8/04

The rules scheduling initial application interviews are as follows:

The special circumstances of the household, including households with working members, must be considered to the extent practicable, when interviews are scheduled.

"The County Welfare Department (CWD) shall schedule all interviews as promptly as possible to ensure eligible households receive an opportunity to participate within 30 days after the application is filed. If a household misses its scheduled interview, the CWD shall send the household a Notice of Missed Interview. The CWD shall reschedule if the household requests another interview within 30 days of the initial application filed."

(§63-300.46, effective April 19, 2004)

211-1E REVISED 8/04

When scheduling recertification interviews, the county shall do the following:

- (a) As part of the recertification process, the county must conduct a face-to-face interview with a member of the household or its authorized representative at least once every 12 months for households certified for 12 months or less. The requirement for a face-to-face interview once every 12 months may be waived in accordance with §§63-300.43 and .44.
- (b) If a household receives PA/GA and will be recertified for CalFresh benefits more than once in a 12-month period, the county may choose to conduct an in-office face-to-face interview with that household only once during that period. At any other recertification during that year period, the county may interview the household by telephone, conduct a home visit, or recertify the household by mail.
- (c) Counties shall schedule interviews so that the household has at least 10 days after the interview in which to provide verification before the certification period expires.

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

(§63-300.464, as renumbered and revised effective April 19, 2004)

211-2

If a household refuses to cooperate with the county in the application process, the application shall be denied at the time of the refusal. The household shall also be determined ineligible if it refuses to cooperate in any subsequent review of eligibility, including reviews generated by reported changes or recertifications. Once denied or terminated for refusal to cooperate, the household may reapply but shall not be determined eligible until it cooperates. For a determination that household refusal has occurred, the household must have been able to cooperate, and clearly demonstrated that it chose not to take required actions. (§63-505.1)

211-2A ADDED

12/11 If a household member fails to cooperate in a Quality Control Investigation, the county is to terminate benefits only for the entire household.

(7 CFR 273.2(d)(2) and All County Letter 11-72E, June 5, 2012)

211-3

The household may voluntarily withdraw an application at any time prior to the determination of eligibility. The county shall document in the case file the reason for withdrawal, if any was stated by the household, and that contact was made to confirm the withdrawal. The household shall be advised of the right to reapply. (§63-300.36)

211-4

All applicant households, including those submitting applications by mail, shall have a face-to-face interview with an Eligibility Worker prior to the initial certification and at all recertifications, except when waived. (§63-300.4)

211-5 REVISED 8/04

Prior to June 1, 2009, the office interview requirement shall be waived on a case-by-case basis for any household which is unable to appoint an Authorized Representative and which has no household members able to come to the interview because of hardships which the county determines warrants a waiver of the interview. These hardships include illness, care of a household member, prolonged severe weather, conflicting work hours, or transportation difficulties. (§63-300.44, as revised effective April 19, 2004)

211-5A ADDED 10/09

County Welfare Departments (CWDs) may waive the face-to-face interview requirement at initial application and recertification for all CalFresh households at county option. In lieu of the face-to-face interview, telephone interviews must be conducted and there is no need to document whether a hardship exists. The United States Department of Agriculture, Food and Nutrition Service (FNS), approved our request allowing the waiving of face-to-face interviews for four years, effective June 1, 2009, and expiring May 31, 2013. If a county opts to take advantage of the waiver, it must be done on a county-wide basis.

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

A face-to-face interview must still be conducted in the following circumstances:

- 1) when requested by the household or the household's authorized representative,
- 2) when the county determines it is necessary to verify conditions of eligibility, or
- 3) if the household has not complied with Statewide Fingerprinting Imaging System (SFIS) requirements at initial application. When a face-to-face interview is required by another program, such as CalWORKs, the FSP certification interview may be conducted in conjunction with the other program's interview. (ACL 09-62, October 23, 2009)

211-5B ADDED

4/14County Welfare Departments (CWDs) may waive the face-to-face interview requirement at initial application and recertification for all CalFresh households at county option. In lieu of the face-to-face interview, telephone interviews must be conducted and there is no need to document whether a hardship exists. The waiver shall exist for two years from the date of implementation. (All County Letter 14-20 February 27, 2014)

211-6 ADDED

7/15All CalFresh NA approved cases should be evaluated for the Work Incentive Nutritional Supplement (WINS) program at intake, when a household reports changes, at SAR 7, and at recertification. (ACIN I-27-15.)

211-7

The county shall not deny CalFresh to a household based on a failure to cooperate when the person who fails to cooperate is outside of the household. (§63-301.31, effective December 1, 1996)

Excluded household members, as defined in §63-402.22, shall not be considered outside of the household for purposes of the above. (§63-301.311, effective December 1, 1996)

211-8 ADDED

1/13Use of the Statewide Fingerprint Imaging System (SFIS) as a requirement for issuing CalFresh benefits shall be discontinued effective January 1, 2012. (All County Letter No. 11-83, December 06, 2011)

211-10

Households must file CalFresh applications by submitting the forms to the CalFresh office either in person or through an authorized representative, or by mail, fax, electronic transmissions, or on-line. Applications signed through the use of electronic signature techniques or applications containing a handwritten signature and then faxed or transmitted electronically are acceptable. The length of time to deliver benefits is calculated from the date the application is filed with the county welfare department. (§63-300.3, as revised effective June 1, 2001)

211-10A ADDED 4/04

Each household shall be advised of its right to file an application, either paper or electronic, on the same day it contacts the CalFresh office during office hours. The household shall be advised that it does not have to be interviewed before filing the application and may file an incomplete

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

application form as long as the form contains the applicant's name and address, and is signed by a responsible member of the household or the household's authorized representative. (§§63-300.31 and .32)

211-11

If the household's certification cannot be completed by the end of its current certification period due to the 10-day time period allowed for submitting verification, the CWD shall provide benefits within five working days after the verification is received. Benefits shall not be prorated from the date verification is received; the household shall receive a full month of benefits. (§63-300.5(b), as renumbered effective February 21, 2002)

212-1

The household has the primary responsibility for providing documentary evidence to support its income statements and to resolve any questionable information. The county is required to assist the claimant in the verification process when the household has problems in obtaining the verification, or shall use a collateral contact or conduct a home visit. (§63-300.5(i), as renumbered effective February 21, 2002)

212-1A Added

1/13If a household has been determined eligible for expedited service, the subsequent verification procedures depend on when the application was filed:

- If the application was submitted on or before the 15th day of the month:

The household shall be issued prorated CalFresh benefits for the month of application only. Satisfaction of the verification requirements may be postponed until the second month of participation. The county will pend the subsequent month's CalFresh benefits until postponed verifications are completed. If verifications are not completed within 30 days of application the case will be discontinued and the household will need to reapply or restore eligibility. Households, who reapply or have their eligibility restored, are not entitled to expedited service. If the household fails to satisfy postponed verification requirements and does not appear for the interview, the CWD does not need to contact the household again.

- If the application was submitted after the 15th day of the month:

The household shall be issued both the prorated CalFresh benefits for the application month and subsequent month at the same time. Satisfaction of the verification requirements may be postponed until the third month of participation, if necessary, to meet the expedited timeframe. When the household has provided the required postponed verification, the CWD shall issue the third month's benefits within five working days from receipt of the verification or by the first working day of the third month, whichever is later. If verifications are not completed within 30 days of application, the case will be discontinued before the third month's benefits are issued and, the household will need to reapply or restore eligibility. Households, who reapply or have their eligibility restored, are not entitled to expedited service. For subsequent months, the household must reapply and satisfy the verification requirements which were

postponed or be certified under normal processing standards. If the household fails to satisfy postponed verification requirements and does not appear for the interview, the CWD does not need to contact the household again.

(All County Letter No. 12 -74 (December 24, 2012)

212-2

The county shall verify the following information prior to certification for CalFresh households initially applying:

- (1) Gross nonexempt income.
- (2) Eligible alien status.
- (3) Identity of person making the application, head of household and Authorized Representative, if any.
- (4) Social Security numbers.
- (5) The residency requirements of §63-401 unless the household is categorically eligible for CalFresh benefits.
- (6) Utility expenses if the household wishes to claim its actual utility expense in excess of the SUA and the expense would actually result in a deduction..
- (7) The amount of medical expenses deductible under §63-502.33.
- (8) The factors of eligibility for sponsored aliens which are specified in §63-503.49 unless the household is categorically eligible for CalFresh benefits.
- (9) Disability as defined in §63-102e.(1).
- (10) Child support payments and actual payments.

(§63-300.5(e), revised effective January 1, 2000 to eliminate requirement to verify shelter costs, and all claimed utility expenses, and renumbered effective February 21, 2002)

212-3

The county may elect on a countywide basis to mandate verification of the following information:

- (1) Dependent care costs for households not subject to the monthly reporting requirements.
- (2) Liquid resources and loans.
- (3) Household size.
- (4) Shelter costs.

(§63-300.5(f), as revised and renumbered effective February 21, 2002)

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

212-4

With the exception of dependent care costs, liquid resources and loans, and household size, which the county has opted to verify, the county shall verify the factors of eligibility only if they are questionable. To be considered questionable, the information on the application must be inconsistent with statements made by the applicant, inconsistent with other information on the application or previous applications, or inconsistent with information received by the county. (§63-300.5(g), as revised and renumbered effective February 21, 2002)

212-5

Home visits may be used as verification when sufficient documentary evidence cannot be obtained to make a determination of eligibility or benefit level and the visit is scheduled in advance with the CalFresh household. (§63-300.5(h)(3), as renumbered effective February 21, 2002)

212-6

When verifying whether income is exempt as a loan, a legally binding agreement is not required. A simple statement signed by both parties which indicates that the payment is a loan and must be repaid shall be sufficient verification. However, if the CalFresh household receives payments on a recurrent or regular basis from the same source but claims the payments are loans, the county may also require that the provider of the loan sign an affidavit which states that repayments are being made or that payments will be made in accordance with an established repayment schedule. (§63-300.5(f)(2), as renumbered effective February 21, 2002)

212-7

Collateral contacts are a source of verification in determining CalFresh eligibility. A collateral contact is a verbal confirmation of a household's circumstances by a person outside the household. The collateral contact may be made either in person or over the telephone. The acceptability of a collateral contact shall not be restricted to a particular individual but may be anyone who can be expected to provide an accurate third-party verification of the household's statements. (§63-300.5(h)(2), as renumbered effective February 21, 2002)

212-8

When obtaining verification of a deductible expense may delay a CalFresh household's certification beyond the normal processing time frame, the county shall advise the household that its eligibility and benefit level may be determined without providing a deduction for the claimed, but unverified expense. (§63-300.5(c), as renumbered effective February 21, 2002)

212-9

The county may elect to verify shelter costs, other than utilities, at application. The county may also elect to verify any shelter costs when there is a change in the certification period, or at recertification. (§63-300.5(f)(4), as revised and renumbered effective February 21, 2002)

212-10

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

Verification of utility expenses is required if actual utility costs are claimed. (§63-300.5(e)(6))
Verification on the CA 7 of actual utility costs was required only when first allowed, if a change in amount was reported, or when there was a move. If the Standard Utility Allowance (SUA) is claimed, the CA 7 shall provide verification when the SUA is first allowed and when the household moves. Effective January 1, 2000, verification became discretionary with the county. (§63-504.341)

212-11

Gross nonexempt income shall be verified for all CalFresh households prior to certification. Where all attempts to verify the income have been unsuccessful because the person or organization providing the income has failed to cooperate with the household and the county and all other sources of verification are unavailable, the eligibility worker shall determine an amount to be used for certification purposes based on the best available information, which may include an applicant's affidavit. (§63-300.5(e)(1), as renumbered effective February 21, 2002)

212-12 ADDED 8/04

Recipients will have mandatory reporting requirements during the payment period, also known as mid-payment period changes. Households must report address changes and (for semi-annual reporting) income in excess of the IRT. Non-PA households must also report work hours for ABAWD individuals. (§63-508.13, All County Letter 12-25, May 12, 2012)

213-1 REVISED 8/04

The county shall complete the application process and approve or deny a timely application for recertification of CalFresh benefits prior to the end of the household's current certification period and shall provide an eligible household with an opportunity to participate by the household's normal issuance cycle in the month following the expiration of the household's certification period. The county shall not continue benefits beyond the end of the recertification period unless the household has been recertified. (§63-504.61(a))

213-2

The county shall schedule all interviews as promptly as possible to ensure eligible households receive an opportunity to participate within 30 days after the application is filed. If a household fails to appear for the first interview, the county shall attempt to schedule another interview. (§63-300.45) Counties have the option of either initiating the rescheduling of the second interview, or providing written notification to the household of the need to request another appointment by the thirtieth day. (All-County Information Notice (ACIN) No. I-87-90, November 13, 1990)

213-3

Whenever a delay in the initial 30-day period is the fault of the county, the county shall take immediate corrective action. The county shall not deny the application, but shall instead continue to process the application and notify the household by the thirtieth day following the application date that its application is being held pending. The county shall also notify the household of any action it must take to complete the application process. (§63-301.431)

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

If the household is found to be eligible during the second 30-day period, the household shall be entitled to benefits retroactive to the date of application. If the household is found to be ineligible, the application shall be denied. (§63-301.432)

213-4

If, by the thirtieth day of the application processing period, the county cannot take further action on the application due to the fault of the household, the household shall lose its entitlement to benefits for the month of application. The county has the option of sending a notice of denial or a notice of pending status on the thirtieth day. If the household is determined eligible during the second 30-day processing period, the county shall provide benefits only from the first of the month following the month of application. (§63-301.42)

213-5

When the county has conducted an interview and requested all necessary verification on the same day the application was filed, the application may be denied on the thirtieth day if the household failed to provide the requested verification, and the county provided assistance to the household in obtaining required verification as specified in §63-300.5. When such denials occur, the household must file a new application. (§63-301.3)

213-6

The county shall not deny CalFresh to a household based on a failure to cooperate when the person who fails to cooperate is outside of the household. (§63-301.31, effective December 1, 1996)

Excluded household members, as defined in §63-402.22, shall not be considered outside of the household for purposes of the above. (§63-301.311, effective December 1, 1996)

213-8

If a prospectively budgeted household's benefits decrease or the household becomes ineligible as a result of the change in circumstances, the county shall issue a timely notice of adverse action within 10 days of the date the change was reported. The decrease in benefits shall be made effective not later than the issuance date for the month following the month in which the timely notice period expires, provided a state hearing and continuation of benefits have not been requested. (§63-504.423)

213-9

The county is required to provide aid pending at the previously authorized level upon the filing of a timely hearing request if the household's certification period has not expired. (§63-804.611)
The household may establish good cause for failing to file timely in which case aid pending shall be initiated. (§63-804.613)

213-9A ADDED

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

5/16 If the time frame for requesting a hearing and continuation of benefits ends on a weekend or holiday, the request shall be considered timely if it is filed the day after the weekend or holiday.

(§63-804.62)

213-10

Aid pending is to be terminated if the certification period has expired. (§63-804.642)

213-11

When a pended application is approved, the notice shall be sent as soon as the determination is made but no later than the date the household receives its first allotment for the certification period. (§63-504.22)

213-12

The 9th Circuit Court of Appeals has determined that when a County Welfare Department is closed on a normal working day, it cannot frustrate the individual's right to file an application on such working day. The Court of Appeals remanded the matter to the Federal District Court to fashion an order which would cure this problem in the AFDC, FS, and Medi-Cal programs by having:

- (1) The county offices receive applications during conventional office hours; or
- (2) The county offices provide that if they are closed during such hours any application made on the next day they are open filed as if the application had been filed during the hours they were closed.

Since the second solution could not provide AFDC to a family in an emergency situation, the welfare office, if closed on a normal working day, must have a telephone available to review emergency calls and act upon them as if the calls were made on a regular working day. (*Blanco v. Anderson and Belshé* (1994) 39 F. 3d 969)

213-12A

After a remand from the Ninth Circuit Court of Appeal, the United States District Court, E.D. Cal, issued its mandate in *Blanco v. Anderson*, No. CIV-S-93-859 WBS JFM, December 20, 1994.

That Order dealt with those counties which are closed during normal working days, defined by the Order as eight-hour days, Mondays through Fridays, "excluding federal and state holidays". (Per All-County Letter (ACL) No. 95-08, February 16, 1995, all counties were to document current days and hours of operation by March 3, 1995.)

When a county was part of this class, it was required to:

1. Accept and act on all request for emergency AFDC, FS, and Medi-Cal benefits (including acting on such requests within federal and state time limits) by maintaining sufficient staff in the office, or through local telephone service, to act on these requests; and/or

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

2. Make applications for AFDC, FS, and Medi-Cal benefits readily available by providing a drop-box, mail slot, or other reasonable filing method, and deem such applications as filed on the working day prior to the day the office was closed.

Such counties must also prominently post notices at the welfare offices explaining the procedures they are following, and inform telephone callers to the office of such procedures.

Any alternative method of complying with the Order must meet the intent of the Order and be reported to CDSS and/or CDHS. (All-County Letter (ACL) No. 94-108, December 15, 1994)

213-12B

When the welfare department is closed during the regular eight hours of a "working day", as defined in §§11-601.214 and .215, and an application for CalFresh benefits is deposited in a drop box, mail slot, or other reasonable accommodation, as defined in §11-601.311(b), the application date shall be the deposit date. (§63-300.81)

When the welfare department is closed, as described above, and an application requests emerging benefits by phone in accord with §11-601.313, the application date is the date the call is received. (§63-300.82)

214-1

Applicant or recipient households shall provide the county with a Social Security Number (SSN) of each household member or verification of an application for such a number. The failure without good cause to provide this verification results in disqualification of the household member whose SSN is not obtained. Once an application for an SSN has been filed, the individual shall be permitted to participate in the CalFresh Program pending notification of the county of the verified SSN. In determining if good cause existed for failure to comply with the SSN requirement, the county shall consider information provided by the household member and the Social Security Administration (SSA). Documentary evidence or collateral information that the household member has applied for the number or made every effort to supply SSA with the necessary information to complete an SSN application shall be considered good cause for not complying timely with this requirement. Good cause does not include delays due to illness, lack of transportation or temporary absences. (§63-404)

214-2

For all households applying or being recertified for CalFresh benefits, the following applies:

- .231 The collection of information, including the Social Security Number (SSN) of each household member, is authorized under the CalFresh Act of 1997. This information will be used to determine eligibility for participation in the CalFresh program. The information will be verified through a computer matching program and will also be used to monitor compliance with program regulations and for program management.
- .232 The information may be disclosed to other federal and state agencies for official examination, and to law enforcement officials who are seeking to apprehend persons fleeing to avoid the law.

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

- .233 If a claim is made against a household, the information on the application, including all SSNs, may be referred to federal and state agencies, and to private claims collection agencies for claims collection action.
- .234 Providing the requested information, including SSNs of each household member, is voluntary. However, failure to provide this information will result in denial of CalFresh benefits to each individual failing to provide an SSN.

(§63-300.23, effective August 10, 2001)

214-6

The CalFresh program requires fingerprint/photo imaging of each eligible adult household member prior to the issuance of CalFresh benefits. A minor applying as a separate household must also comply with these requirements. When the household has an authorized representative (AR) and none of the adults in the household is required or able to comply with the imaging requirements, the AR must comply with those requirements. (§§63-601.12 and .14; All-County Letter No. 00-32, May 11, 2000, Question 1)

214-6A ADDED 4/04

The CWD shall determine on a case-by-case basis when a household member will receive a postponement from the SFIS process. The conditions for a postponement include but are not limited to temporary medical conditions, drug or alcohol treatment, or a household that is entitled to expedited services and the county is not able to complete the SFIS process in time for the household to participate. (63-601.13)

214-7

Counties must systematically inform clients of the Statewide Fingerprint Imaging System (SFIS) requirements. During the period when forms (such as the SAWS-2A, DFA 285.A3, and CalFresh 8) are being revised, counties should provide the form TEMP 2173 to both CalWORKs and CalFresh applicants or recipients. (All-County Letter No. 00-32, May 11, 2000, Questions 8 and 9)

214-8

On August 10, 2001 the Sacramento County Superior Court issued a Judgment and Writ of Mandate. That Order provided, in pertinent part, as follows:

- "1. A writ of mandate shall issue commanding respondents and each of them and their agents, servants, employees, and representatives, and all persons acting in concert or participating with them:

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

- "b. To refrain from requiring compliance with the SFIS requirements by parents and caretaker relatives who are not themselves recipients of but were applicants on or before July 21, 1996, for AFDC (Aid to Families with Dependent Children, now CalWORKs) and/or CalFresh benefits for children with continuing eligibility who are currently receiving benefits.
- "c. To refrain from requiring that parents and caretaker relatives who are not applying for or receiving either CalWORKs benefits and/or CalFresh benefits for themselves be finger imaged and photo imaged as a condition of eligibility for benefits for other members of the family when another parent or caretaker relative in the family is applying for or receiving CalWORKs benefits and/or CalFresh benefits for themselves and has been finger imaged and photo imaged."

The Order also required the CDSS to issue written instructions to counties with 60 calendar days of the date of service of notice of entry of judgment of the writ, and to submit regulations to the Office of Administrative Law to conform with the judgment and the writ of mandate. [The CDSS appealed the judgment on August 17, 2001 and the petitioners cross appealed on September 5, 2001. It is the position of the CDSS that the portions of the Order adverse to it have been stayed on appeal, and remain stayed as of December 1, 2002.]

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

215-2B ADDED

1/13If a household has been determined eligible for expedited service, the subsequent verification procedures depend on when the application was filed:

- If the application was submitted on or before the 15th day of the month:

The household shall be issued prorated CalFresh benefits for the month of application only. Satisfaction of the verification requirements may be postponed until the second month of participation. The county will pend the subsequent month's CalFresh benefits until postponed verifications are completed. If verifications are not completed within 30 days of application the case will be discontinued and the household will need to reapply or restore eligibility. Households, who reapply or have their eligibility restored, are not entitled to expedited service. If the household fails to satisfy postponed verification requirements and does not appear for the interview, the CWD does not need to contact the household again.

- If the application was submitted after the 15th day of the month:

The household shall be issued both the prorated CalFresh benefits for the application month and subsequent month at the same time. Satisfaction of the verification requirements may be postponed until the third month of participation, if necessary, to meet the expedited timeframe. When the household has provided the required postponed verification, the CWD shall issue the third month's benefits within five working days from receipt of the verification or by the first working day of the third month, whichever is later. If verifications are not completed within 30 days of application, the case will be discontinued before the third month's benefits are issued and, the household will need to reapply or restore eligibility. Households, who reapply or have their eligibility restored, are not entitled to expedited service. For subsequent months, the household must reapply and satisfy the verification requirements which were postponed or be certified under normal processing standards. If the household fails to satisfy postponed verification requirements and does not appear for the interview, the CWD does not need to contact the household again.

(All County Letter No. 12 -74 (December 24, 2012))

215-2C ADDED

5/16For those found entitled to expedited service, the county shall schedule the household for their initial interview as soon as possible and within three days. If the household fails to attend the interview, the county will send a notice to remind the household to reschedule their interview prior to the 30th day after application. If the household fails to contact the county to schedule or keep their second interview under normal 30-day processing, and time has run out for processing the application the by 30th day, the county must deny the application for not completing the application process (MPP Section 63-300.46)

215-3

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

For households entitled to expedited service at initial application, the county shall make the authorization document, access device or coupons available, either by mail or for pickup at the household's request, no later than the third calendar day after the application was filed. For purposes of this section, a weekend (Saturday and Sunday) shall be considered one calendar day. If the third calendar day is a nonworking day when coupons cannot be issued, the coupons shall be made available the working day immediately preceding the nonworking day. (§63-301.531)

215-3B REVISED

5/16

When a household applies for expedited services, the county shall prospectively determine expedited services CalFresh eligibility for the month of application and shall consider the household's actual reported monthly income. Actual income determines the need for expedited services on a prospective basis. Once expedited service is determined using the prospective month's income, the county will then average the anticipated income over the current payment period to determine the actual benefit amount.

(MPP § 63-301.5; ACIN I-54-09, August 18, 2009)

215-4 ADDED 4/04

To the maximum extent allowable by federal law, each County Welfare Department shall provide transitional CalFresh benefits to households terminating their participation in the CalWORKs program. (W&IC §18901.6)

215-4A ADDED 4/04

When a CalFresh household loses CalWORKs cash assistance the household may then receive transitional CalFresh benefits for five months. The county must determine entitlement to CalFresh without requiring the household to apply.

Benefits are the same as the household received prior to termination of CalWORKs, adjusted for the loss of the CalWORKs grant. However, if the household is losing CalWORKs due to a sanction or was otherwise disqualified from the CalFresh program, the household is ineligible for transitional CalFresh benefits.

(All-County Letter 03-66, December 30, 2003)

215-4B REVISED 8/05

If the household receives CalWORKs benefits in the month that eligibility is terminated, the household will receive transitional CalFresh benefits for five months after the CalWORKs case closes unless the household moves out of state or the household loses CalWORKs or CalFresh benefits due to a sanction.

Transitional CalFresh shall be provided from the first of the month following the last month of CalWORKs participation.

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

Households are not required to report changes in their circumstances during the transitional period.

(§63-504.131 and .132)

215-4C ADDED 8/04

Benefits shall be issued in an amount equal to the allotment received in the last month of CalWORKs eligibility adjusted for the change in household income as a result of termination of CalWORKs. (§63-504.132(a))

215-4D REVISED 3/06

Counties are not required to issue a notice of action at the end of the five-month Transitional CalFresh period. Counties are only required to provide some form of informational notification prior to the expiration of the Transitional CalFresh period. However, the household must receive a timely NOA before Transitional CalFresh is discontinued for any reason other than the end of the five-month period.

If the household wants to receive CalFresh benefits after the CalFresh period ends, the household must submit an application for regular CalFresh benefits

The county shall adjust the CalFresh certification period to coincide with the end of the transitional period. The county shall notify the household of the change in the certification period with an adequate NOA. There are no Transitional CalFresh benefits beyond the five-month benefit period.

Aid paid pending is not applicable to hearing requests on termination of the five-month Transitional CalFresh period. At the end of the five-month period the household would have to apply for regular CalFresh benefits.

(§63-504.132(d); (§63-504.132(d)(Handbook));§63-504.132(e); All-County Information Notice I-21-04, April 8, 2004 questions and answers 6 and 7, ACIN I-75-05, question and answer 12)

215-4E ADDED 10/04

In a case where CalWORKs is discontinued for some members but other members do not receive CalWORKs, this "mixed" household would be eligible for TFS. However, if some household members continue to receive CalWORKs while others do not, then the household is not eligible for TFS. (All-County Information Notice I-21-04, April 8, 2004, question and answer 11)

215-4F ADDED 10/04

If during the Transitional CalFresh period, circumstances change that entitles the household to more CalFresh benefits than the household would receive under TFS, the household may apply for regular CalFresh benefits and CalWORKs. (All-County Information Notice I-21-04, April 8, 2004, question and answer 12)

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

215-4G REVISED 3/06

If a member of the Transitional CalFresh household becomes ineligible for CalFresh benefits during the Transitional CalFresh period, (e.g., received SSI/SSP or becomes a fleeing felon) the Transitional CalFresh benefit remains the same and the county may not readjust the benefit amount. (All-County Information Notice (ACIN) I-21-04, April 8, 2004, question and answer 21)

If an individual is convicted of an IPV during the Transitional CalFresh period, that person is ineligible to receive Transitional CalFresh benefits and his/her income and property continue to be counted to the household per §63-503.441(a) (ACIN I-75-05 question and answer 5)

215-4H REVISED 3/06

If a household loses CalWORKs because the only eligible child leaves the home, the household may receive TFS. However, if the child is approved for CalFresh benefits in another household, the county would need to remove the child from the Transitional CalFresh household. The same rule would apply if the individual is an adult who is approved for CalFresh benefits in another household. (All-County Information Notice I-21-04, April 8, 2004, questions and answers 13 and 16)

The individual leaving a Transitional CalFresh household to apply for CalFresh benefits in another household receiving regular CalFresh benefits should not be removed from the Transitional CalFresh household until he/she is approved for benefits in the new household. (All-County Information Notices I-72-04, October 12, 2004, question and answer 6, I-75-05, December 7, 2005 question and answer 2))

If the Transitional CalFresh household moves in with a household receiving regular CalFresh benefits, the Transitional CalFresh household may continue to receive CalFresh benefits as a Transitional CalFresh household even if under normal rules the household would have to be added to the household receiving regular CalFresh benefits. At the end of the Transitional CalFresh period the Transitional CalFresh household would be subject to normal CalFresh household composition rules. (All-County Information Notice I-72-04, October 12, 2004, question and answer 4)

215-4I REVISED 9/08

If a person leaves the household and is approved for benefits in another CalFresh household then that person's allotment would be removed from the household and the transitional CalFresh benefit amount would be adjusted. (§63-504.132(c))

Under CDSS policy prior to the issuance of this All County Letter, when a household member left a Transitional CalFresh household and was approved for benefits in another CalFresh household, the individual was removed from the benefit amount, but the individual's income was not removed for purposes of calculating the Transitional CalFresh benefit for the remaining members. This resulted in the income being considered in both households. The policy of

SHD Paraphrased Regulations - CalFresh

210 Responsibilities

counting the income of the individual leaving the household is out of compliance with federal regulations for Transitional CalFresh at 7 CFR 272.12(f)(4)(iii).

Effective no later than September 1, 2008, County Welfare Departments (CWDs) must recompute the Transitional CalFresh benefit for the remaining Transitional CalFresh household members by removing the individual from the Transitional CalFresh household along with his/her income, if any.

(ACL 08-22, June 23, 2008)

215-4J REVISED 10/10

When an adult with income is approved in another assistance units CalWORKs only benefits (not CalFresh benefits), the adult, and the adults' income/ deductions (such as the 20 percent earned income deduction or medical deduction) are removed for the purpose of calculating Transitional CalFresh benefits for the remaining Transitional CalFresh household members. (ACIN I-54-09, August 18, 2009)

215-4K ADDED 12/04

Resources are not a factor to determine Transitional CalFresh eligibility (All-County Information Notice I-72-04, October 12, 2004, question and answer 6)

215-4L ADDED 8/05

In a situation in which the CalWORKs case would have been discontinued at the end of August 2004, had the AU reported income but was not discontinued until the end of the next payment period ending November 2004, Transitional CalFresh begins on December 1, 2004 because the last month the recipient received a CalWORKs grant was November 2004. (All-County Information Notice I-34-05, June 24, 2005)

215-4M ADDED 3/06

If the county approves Transitional CalFresh benefits, then subsequently rescinds the CalWORKs discontinuance within 30 days of the discontinuance date with good cause and the case is determined to be eligible for regular CalFresh benefits, there would not be an overissuance of Transitional CalFresh benefits because Transitional CalFresh was correctly issued by the county based on available information (ACIN I-75-05, December 7, 2005, question and answer 1)

215-4N ADDED 10/10

If a household that was receiving Transitional CalFresh moves out of state during the Transitional CalFresh period, Transitional CalFresh is not discontinued unless the Transitional CalFresh household is approved for CalFresh benefits or TANF out of state. This is a policy change from an answer given in ACIN I-21-04. (ACIN I-41-10)

216-1B ADDED 9/08

At recertification, counties are required to send a Notice of Missed Interview (NOMI) to the household if they miss their scheduled interview regardless of whether the household mails back a completed application. This procedure replaces procedures stated in ACIN I-05-08 regarding the NOMI process at recertification.

Implementation of this new policy must be completed by counties no later than August 1, 2008.

(All County Letter 08-20, June 4, 2008)

(§63-408.21)

219-6

When the county determines that an individual has failed to meet the ABAWD work requirement for three months during the 36-month period specified in §63-410.1, the county shall issue a timely notice of action (NOA) in the third month to discontinue that individual's CalFresh benefits. In addition to the requirements of §63-504.21, the NOA shall:

- (1) Identify the reason the individual's CalFresh are being discontinued.
- (2) List those months the ABAWD work requirement was not satisfied.
- (3) Explain that the individual may present evidence to show that he/she met the work requirement in any of those months in (2) above.
- (4) Explain how the individual may regain eligibility in accord with §63-410.5.

(§63-410.4)

219-7

Effective January 1, 1990, all CalWORKs (formerly AFDC) notices of action concerning overpayments, or CalFresh notices of action concerning overissuances, must include substantially the following language:

WARNING: If you think this overpayment is wrong, this is your last chance to ask for a hearing. The back of this page tells how. If you stay on aid, the county can collect an AFDC overpayment by lowering your monthly grant. It can lower your CalFresh benefits to collect an overissuance unless it was the county's fault. If you go off aid before the overpayment or overissuance is paid back, the county may take what you owe out of your state income tax refund. (*Anderson v. McMahon*, Alameda County Superior Court, Case No. 620039-4; All-County Letter No. 90-14, February 9, 1990)

219-8

In order to comply with the *Saldivar v. McMahon* court order, counties must ensure that any CA 7 which is complete, as defined by §63-504.32, be processed. This includes the processing of a reported and verified income change. In all cases where the CA 7 is complete for FS, the

county shall take the appropriate action on all reported and verified income changes or other eligibility factors.

If the CA 7 is complete, but missing information/verification of a deduction(s), the county shall use either Option 1 or 2.

Option 1: The county must act upon a complete CA 7 which reports changes in income or other eligibility factors, but will not disallow any unverified deduction(s).

If income or other eligibility factors are involved, send a timely Notice of Action (NOA) informing the household that the allotment has changed, based on reported and verified information. The allotment amount should be computed using previously verified deduction amount(s). Also check the "Proposed Change in Benefits" box as a reminder to the household that verification/information of a claimed deduction is missing.

- If verification/information is received too late to effect any resultant decreases, the county shall issue the amount shown on the timely notice without disallowing the unverified deduction.

If no change in income has occurred, send a timely NOA, checking only the "Proposed Change in Benefits" box as a reminder to the household that verification/information of deduction(s) is missing.

- If verification/information is received too late to effect any resultant decreases, issue previous month's allotment.

Option 2: The county must act upon a complete CA 7 which reports changes in income or other eligibility factors, and will disallow any unverified deduction(s).

If income or other eligibility factors are involved, send a timely NOA (may be a combination NOA and reminder notice) informing the household that the allotment has changed because of increased income and also reflects the disallowance of the unverified deduction(s).

- If verification/information is received before the extended filing date, issue a supplement to reflect correct deduction amount(s) if the county cannot include the supplement in the household's normal issuance.

If no change in income has occurred, send a timely NOA informing the household of the effect of the disallowance of the unverified deduction(s) on the allotment amount.

- If verification/information is received before the extended filing date, issue a supplement to reflect the correct deduction amount(s) if the county cannot include the supplement in the household's normal issuance.

Each county using Option 2 must ensure that the NOA is timely, and the explanation is adequate. This means that the notice must inform the household in easily understood language, of the reason for the proposed change; how to remedy the negative action, if appropriate, and the effect the remedy will have on the allotment level; what the extended filing date is; and that the county will do to assist the recipient, if necessary.
