TO: ALL COUNTY WELFARE DIRECTORS
    ALL CALWORKS PROGRAM SPECIALISTS
    ALL WELFARE-TO-WORK COORDINATORS
    ALL COUNTY REFUGEE COORDINATORS
    ALL COUNTY CALFRESH SPECIALISTS
    ALL CONSORTIA REPRESENTATIVES
    ALL TRIBAL TANF ADMINISTRATORS

SUBJECT: CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS (CalWORKs) PROGRAM: CALWORKS EDUCATIONAL OPPORTUNITY AND ATTAINMENT PROGRAM

REFERENCE: SENATE BILL (SB) 89, (CHAPTER 24, STATUTES OF 2017); WELFARE AND INSTITUTIONS CODE (WIC) SECTIONS 11340-11346, MANUAL OF POLICY AND PROCEDURES (MPP) SECTIONS 42-711.54, 42-713.21, 42-750.1, and 44-101(l).

The purpose of this All County Letter (ACL) is to provide guidance for the implementation of SB 89 (Chapter 24, Statutes of 2017) that creates the new CalWORKs Educational Opportunity and Attainment (EOA) program. This letter transmits implementation instructions and noticing requirements for recipients to County Welfare Departments (CWDs) for the CalWORKs EOA program. The CalWORKs EOA program will be effective January 1, 2018. SB 89 adds WIC Sections 11340-11346 whereby a CalWORKs recipient may apply to receive a one-time education incentive award in the amount of five hundred dollars ($500) for completion of a high school diploma or its equivalent and a CalWORKs recipient may apply to receive a one-time education stipend of one thousand dollars ($1,000) for enrollment in a term of an education or training program leading to a career technical education program certificate, an associate’s degree, or a bachelor’s degree.
FUNDING

Four million dollars ($4M) in one-time funding has been appropriated in the Fiscal Year (FY) 2017-18 annual Budget Act for this program. The California Department of Social Services (CDSS) has collaborated with the County Welfare Directors Association of California (CWDA) to develop the allocation methodology to distribute the CalWORKs EOA program funds to the CWDs.

County allocations are provided on Attachment A. Specific information, including guidance on claiming codes for the CalWORKs EOA program will be issued under separate cover.

The education incentive awards and education stipends authorized by SB 89 as the CalWORKs EOA program are not entitlement benefits. CWDs are required to comply with the provisions of the CalWORKs EOA program only to the extent funding for the CalWORKs EOA program is allocated. When CalWORKs EOA program funding is exhausted, CWDs are not required to expend any other funds for the provisions of the CalWORKs EOA program authorized by SB 89.

IMPLEMENTATION

The CalWORKs EOA program is intended to provide incentives to encourage and support CalWORKs recipients to pursue education and improve the opportunities and outcomes for adults and their children in the CalWORKs program.

$500 High School Graduation Award

Except for a Cal-Learn teen, any individual receiving cash aid on his or her behalf, regardless of whether he or she has a Welfare-to-Work plan, may apply to receive a once in a lifetime education incentive award in the amount of $500 for completion of a high school diploma or its equivalent achieved on or after January 1, 2018. The Cal-Learn teen population has a separate bonus program and is therefore not eligible for the $500 high school education incentive award offered under the CalWORKs EOA program.

A CalWORKs recipient who applies for an education incentive award must submit evidence of completion of the high school diploma or its equivalent to the CWD. Upon verification of completion of the high school diploma or its equivalent received after January 1, 2018, the CWD must issue the award of $500 directly to the recipient in the month following receipt of the record of completion if submitted by the 11th day of the month, or in the second month following receipt of the record of completion if submitted later than the 11th day of the month, as long as the county has CalWORKs EOA program funds remaining in its allocation.
$1,000 Education Stipend

A CalWORKs recipient may apply to receive a once in a lifetime education stipend of $1,000 for enrollment in a term of an education or training program that is designed to lead to a career technical education program certificate, an associate’s degree, or a bachelor’s degree which begins on or after January 1, 2018. Teens who leave Cal-Learn, enter the Welfare-to-Work program, and have education in their plan are also eligible for the $1,000 education stipend offered under the CalWORKs EOA program.

A CalWORKs recipient who applies for a $1,000 education stipend must submit verification of enrollment to the CWD. A CalWORKs recipient is eligible when all of the following criteria are satisfied:

A) The recipient is enrolled in an education or training program that is included in the recipient’s approved Welfare-to-Work plan that is designed to lead to a career technical education program certificate, an associate’s degree, or a bachelor’s degree.
B) The recipient is enrolled in an education or training program consistent with MPP Section 42-711.54. (note: the recipient does not need to be in a Self-Initiated Program (SIP) to be eligible for the CalWORKs EOA program.)
C) The recipient is enrolled in an education or training program while receiving CalWORKs cash aid.
D) The term for which the recipient is enrolled will begin on or after January 1, 2018.

After making the CalWORKs EOA program eligibility determination, the CalWORKs case worker must document the qualifying criteria in the recipient’s case file. Within 10 business days of verifying that a recipient is enrolled in an eligible education or training program, the CWD must certify that the recipient is eligible for the $1,000 education stipend and must issue the stipend payment to the recipient at the outset of the term for which he or she is enrolled, as long as the county has CalWORKs EOA program funds remaining in its allocation. Completion of the term of enrollment is not required for the recipient to obtain the stipend.

ADDITIONAL GUIDANCE

Application process for the education incentive award and/or the education stipend will begin on or after January 1, 2018.

A CalWORKs recipient may only receive an education incentive award or education stipend once in a lifetime. If a CalWORKs recipient goes off of cash aid, and begins to receive cash aid again in the future, he or she is not eligible for the same education incentive award or education stipend.
A CalWORKs recipient **cannot** receive an education incentive award or education stipend in any month during which he or she is sanctioned or removed from aid for not complying with Welfare-to-Work rules.

A CalWORKs recipient is **permanently ineligible** for an education incentive award or education stipend under either of the following circumstances:

1. The recipient has exhausted his or her CalWORKs 48-month time limit.
2. The recipient has committed public assistance fraud.

For CalWORKs eligibility purposes, the education incentive award or education stipend must be considered a nonrecurring lump sum payment according to MPP Section 44-101(l). Nonrecurring lump sum payments must be considered property in the month of receipt and any subsequent months, but shall not be considered income.

For CalFresh eligibility purposes, the education incentive award and the education stipend are both excluded as income and resources. The education incentive award must be excluded as a nonrecurring lump sum payment in accordance with MPP Section 63-502.2(j). The education stipend must be excluded as educational assistance in accordance with MPP Section 63-502.2(e).

The CWDs cannot use the CalWORKs EOA program funds for Welfare-to-Work supportive services. CWDs are reminded that necessary supportive services must be available to every recipient in order to participate in the Welfare-to-Work program activity(ies) to which he or she is assigned or to accept or retain employment according to MPP Section 42-750.1. If necessary supportive services are not available, the recipient will have good cause for not participating according to MPP Section 42-713.21. In addition, payments for supportive services must be advanced to the recipient when necessary and desired by the recipient so that the recipient need not use personal funds to pay for these services as per MPP Section 42-750.2.21.

**FORMS**

In order to implement the CalWORKs EOA program, the CDSS has provided the following forms and Notice of Action (NOA) documents as attachments to this letter:

These are required forms and no substitutes are permitted. Required forms may not be modified or restructured by CWDs. However, overprinting or reformatting under the
conditions outlined in MPP Section 23-400.211, Overprinting Required Forms, and MPP Section 23-400.212, Electronic Data Processing Modifications, is permitted.

NOTICING

All CWDs must inform recipients that they may be eligible for the CalWORKs EOA program. A notice must be mailed within 30 days of the transmittal of this ACL. Sample language is included below and may also include appropriate reference to individual CWD programs:

You may be able to receive a once in a lifetime payment of $1,000 if you enroll in an education or training program designed to lead to a career technical education program certificate, or a college degree program. Partnerships and Best Practices

The CDSS encourages CWDs, through the CalWORKs EOA and ongoing efforts, to support the educational opportunities and pathways of CalWORKs recipients. Research demonstrates that postsecondary education boosts social mobility particularly for those at the low income distribution scale and that a parent’s level of education has positive effects on a child’s future success. The CDSS requests that CWDs review current practices, and maximize partnerships with local high schools, adult education providers, community colleges, and other key stakeholders to provide intensive case management to CalWORKs recipients to support them in reaching self-sufficiency.

The CWDs shall ensure that effective bilingual services are provided. This requirement may be met through utilization of paid interpreters, qualified bilingual employees, and qualified employees of other agencies or community resources. These services shall be provided free of charge to the applicant/recipient.
