SUBJECT: CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO
KIDS (CalWORKs) CHILD CARE PROGRAMS - REGIONAL
MARKET RATE (RMR) CEILINGS

REFERENCE: [ASSEMBLY BILL \(AB\) 99](#); [ALL COUNTY LETTER 16-70](#);
[CALIFORNIA CODE OF REGULATIONS](#)

This letter provides information on the implementation of the RMR ceiling changes effective January 1, 2018 for California's subsidized child care providers.

BACKGROUND

The RMR ceilings are the maximum amount child care providers can be reimbursed from the state for subsidized child care. It applies to the CalWORKs Stage One child care program administered by the California Department of Social Services (CDSS), and the CalWORKs Stages Two and Three and other voucher based child care programs administered by the California Department of Education (CDE). The CDE is responsible for the contract awarded on a competitive basis to conduct the biennial RMR survey of child care providers. The survey is based on a methodology of zip code groupings that have similar socio-economic characteristics (e.g., housing costs, population density, and employment rates). The survey results are utilized to create the RMR ceilings based on an aggregate of the survey data for each county.

The California Code of Regulations, Title 5, Division 1, Chapter 19, Subchapter 2.5 Sections 18074 to 18076.3 provides guidance regarding the use of the RMR ceilings.

CHANGE IN RMR CEILINGS

Effective January 1, 2017, RMR ceilings were updated to the 75 percentile of the 2014 RMR survey. Until December 31, 2017, AB 99 (Chapter 15, Statutes of 2017) establishes the RMR ceilings at the greater of either the 75 percentile of the 2014 RMR survey for that region or the RMR ceiling for that region as it existed on December 31, 2016. Commencing January 1, 2018, and until December 31, 2018, the RMR ceiling shall be established at the greater of the 75 percentile of the 2016 RMR survey for that region or the RMR rate ceiling as it existed in that region on December 31, 2017. Effective January 1, 2019, all ceilings will be established at 75 percentile of the 2016 RMR survey.

Effective January 1, 2017, reimbursement to license-exempt child care providers is not to exceed 70 percent of the family child care home ceiling.

The changes to the RMR ceiling effective January 1, 2018, should be automated into the consortia systems by the effective date or counties must have a manual process in place to meet the requirements of the change until the automation changes are completed.

On January 1, 2018, the [New Ceilings](#) will be available at:

<http://www3.cde.ca.gov/rcsc/>

Clients may see a change to their reimbursement as a result of AB 99. Counties must review each child care case to determine if there is a change to a client's reimbursement and notify those clients in accordance with the Manual of Policy and Procedure (MPP) Section 47-420.3 cited below. To assist counties in preparing for this change, the new RMR ceilings that will go into effect January 1, 2018, are attached.

NOTICE OF ACTION (NOA)

Implementation of the RMR ceiling changes described in this letter will likely impact many clients' child care subsidies. The CDSS MPP Section 47-420.3, specifies that County Welfare Departments (CWD) shall notify clients whenever there is an approval, denial, change, or discontinuance in the amount of a child care subsidy.

To provide timely notice to these individuals, CWDs shall issue the NA 833 (10/14) NOA Child Care Change (or a CDSS approved substitution) to these clients at least ten days before the change in child care benefit occurs. The reason for the change will be listed as, "The State of California changed reimbursement limits." If this NOA language is not programmed by the consortia by the effective date, county workers must use shelf stock

containing the same language until the new language is automated. A copy of the NA Back 9, Your Hearing Rights, must accompany each of these notices. The CWDs are reminded that clients have the right to a hearing for the purpose of determining an incorrect subsidy or grant computation in accordance with MPP Section 22-003.

If you have any questions regarding this letter, please contact the Child Care Programs Bureau at (916) 657-2144.

Sincerely,
