This All County Letter provides County Welfare Departments (CWDs) with updated form revisions due to the Expansion of CalFresh to Supplemental Security Income Recipients. In addition to providing the forms in a regular font sized version that is digitally accessible, each form is also being issued in a large print and digitally accessible version. The California Department of Social Services is able to provide a braille version of each form to the CWDs, upon request, to assist the CWDs in their responsibilities to provide reasonable accommodations to blind and visually impaired or otherwise disabled applicants and recipients in compliance with Title II of the Americans with Disabilities Act (42 USC § 12131, et seq.) and other applicable federal and state laws.

**County Responsibilities**

The revised forms and notices are available on the CDSS website and CWDs must begin using these forms as of June 1, 2019. As necessary, revised forms and notices will be automated as soon as administratively feasible.

Counties are reminded that they must provide individuals with disabilities, as defined under the ADA, with auxiliary aids and services whenever necessary to communicate effectively. (28 CFR § 35.160(b)(1).) If an individual with a disability requests a particular auxiliary aid or service, the county must give primary consideration to that request. (28 CFR § 35.160(b)(2).) CWDs are also responsible for documenting in the case file whether the applicant or recipient has disclosed a disability, their format preferences, and the alternative format(s) provided.
This ACL does not limit counties’ obligations to provide these or any other forms in these or other alternative formats or to provide other auxiliary aids. Likewise, this ACL does not limit counties’ obligations to provide any other reasonable accommodations to individuals who are Blind and Visually Impaired or who have other physical or mental disabilities.

**Camera Ready Copies and Translations**

For a camera-ready copy in English, contact the CDSS Forms Management Unit at fmudds@dss.ca.gov. You may obtain these forms from the CDSS webpage at: http://www.cdss.ca.gov/inforesources/Forms-Brochures/Forms-by-Program.

When all translations are completed per MPP §21-115.2, they are posted on an on-going basis on the CDSS webpage. Copies of the translated forms can be obtained at: http://www.cdss.ca.gov/inforesources/Translated-Forms-and-Publications.

For questions on translated materials, please contact the CDSS Language and Services at (916) 651-8876. Until translations are available, recipients who have elected to receive materials in languages other than English should be sent the English version of the form or notice along with the GEN 1365 – Notice of Language Services and a local contact number.

The CWDs must ensure that effective bilingual services are provided. This requirement may be met through utilization of paid interpreters, qualified bilingual employees, and qualified employees of other agencies or community resources. These services must be provided, free of charge, to the applicant/recipient. If CDSS does not provide translations of a form, it is the CWD’s responsibility to provide interpreter services if an applicant or recipient requests them. Additionally, the CWDs must ensure that individuals with disabilities are provided services such as auxiliary aids and services to persons who are deaf or hearing impaired, or persons with impaired speech, vision, or manual skills, where necessary. More information regarding translations can be found in MPP §21-115.
