[MANUAL OF POLICIES AND PROCEDURES \(MPP\) SECTION 21-115](#)

The purpose of this All County Letter (ACL) is to provide information regarding the extension of the CalFresh Water Pilot (Pilot).

BACKGROUND

The Pilot provides additional nutrition benefits to eligible CalFresh households in selected Kern County ZIP codes to purchase drinking water. Pilot households living in the selected ZIP codes have community water systems that did not meet drinking water standards under the California Safe Drinking Water Act.

The Pilot started on March 1, 2022, and was originally scheduled to last for 12 months, depending on ZIP code selection and available funding.

For additional background information and details regarding the Pilot, please refer to [ACL 20-97](#) issued September 2, 2020; [ACL 21-50](#) issued April 28, 2021; and [ACL 21-50E](#) issued March 4, 2022.

PILOT EXTENSION DETAILS

Due to available funds, the Pilot will be extended for an additional eight (8) months and end on October 31, 2023. All Pilot program guidance will remain the same unless otherwise noted in this letter.

Eligible ZIP Codes and Households

Households currently participating in the Pilot will continue to receive Pilot benefits through the extension, as long as they remain otherwise eligible. Eligible CalFresh Water Pilot ZIP codes are:

- **93241** (Lamont)
- **93220** (Edison)
- **93243** (Gorman-Lebec)
- **93311** (Bakersfield)
- **93387** (Bakersfield)
- **93386** (Bakersfield)
- **93528** (Johannesburg)
- **93560** (Rosamond).

No additional ZIP codes or households will be added to the Pilot with the implementation of the extension.

Reporting

CDSS will continue to internally track the number of pilot households and amount of benefits issued monthly. At the end of the Pilot, the California Statewide Automated Welfare System (CalSAWS) will transmit its final benefit issuance totals, household counts, and number of individuals served, sorted by month and ZIP code, to the CalFresh Policy Bureau.

Noticing

The CF 304D Notice of CalFresh Water Pilot Extension is a new notice developed to notify participating Pilot households of the extension. The notice will inform households of the extension date and details. The CF 304D will be issued to participating Pilot households before March 1, 2023.

The new Pilot extension notice will be provided in English and Spanish only and will be issued with a [Notice of Language Services \(GEN 1365 – 6/17\)](#). Issuance of the GEN 1365 will support language access and the provision of translation services as necessary on a case-by-case basis for languages other than English and Spanish.

The notice in English and Spanish have been issued with this ACL.

Quality Control Impacts

Pilot benefits are state-funded benefits as stated in [ACL 20-97](#). Therefore, Pilot benefits are not subject to federal or state Quality Control (QC) review procedures.

Copies and Translations

Forms referenced in this letter are available on the [CDSS Forms-Brochures web page](#).

When CDSS completes all translations of a form, they are posted on the [Translated Forms and Publications web page](#). When made available by CDSS, forms translated into an individual's preferred language must be provided to the individual pursuant to [MPP Section 21-115.2](#). For questions on translated materials, please contact Language Services at (916) 651- 8876. If translations are not available, recipients who have elected to receive materials in languages other than English should be sent the English version of the form or notice along with the [GEN 1365 - Notice of Language Services](#) and a local contact number.

Per [California Government Code Section 7290](#), et seq., the CWDs must ensure that effective bilingual services are provided. This requirement may be met through utilization of paid interpreters, qualified bilingual employees, and qualified employees of other agencies or community resources. These services must be provided, free of charge, to the applicant/recipient. If CDSS does not provide translations of a form, it is the county's responsibility to read and interpret the form if an applicant or recipient requests it.

Additionally, the CWDs must provide auxiliary aids and services to persons who are deaf or hearing impaired, or persons with impaired speech, vision, or manual skills, where applicable. More information regarding provisions for services to applicants and recipients who have limited English proficiency or who have disabilities can be found in [MPP Section 21-115](#) and [ACL 19-45](#) issued May 16, 2019.

If you have any questions or need additional guidance regarding the information in this letter, contact the CalFresh Policy and Employment Bureau at CalFreshPolicy@dss.ca.gov.

Sincerely,
