LETTER 22-67;](#)

The purpose of this errata is to revise the Instructions for the STAT 47 Report in All County Letter (ACL) No. 22-67 issued on August 1, 2022, based on changes included in the Fiscal Responsibility Act of 2023. See ACL No. 23-80, issued on September 21, 2023, for more information on the impact of the Fiscal Responsibility Act of 2023 including new age requirements, exemption criteria and the reduction of discretionary exemptions.

The original and revised language for the impacted section are provided within the body of this ACL. Deletions are contained within brackets and marked with a ~~[strike through]~~ and additions are contained in **bold**.

The original language on page 3 of the Instructions reads:

Able-Bodied Adult Without Dependents (ABAWD)

An ABAWD is a CalFresh recipient, age 18 through 49, who is able-bodied without dependent children and does not meet the criteria for an exemption from the ABAWD time limit. ABAWD eligibility for CalFresh is time limited to any three full months of benefits in a 36-month period unless the individual satisfies the ABAWD work requirement, is exempt from the ABAWD time limit, qualifies for an additional three consecutive month period of eligibility, receives a discretionary exemption, or lives in a county or area with a waiver of the ABAWD time limit. Further information on the ABAWD time limit is located in All County Letter (ACL) No. 19-93.

Able-Bodied Adults Without Dependents (ABAWD) Exemptions

Persons are exempt from the ABAWD work requirement if they qualify for one of the CalFresh work registration exemptions at 7 CFR 273.7(b) (see list of work registration exemptions below). Individuals are also exempt from the work requirement if they are: under age 18 or over age 49; residing in a CalFresh household that includes a child under 18 years of age, pregnant, medically certified as physically or mentally unfit to work, or participating in an Office of Refugee Resettlement training program for at least half time. Further information on ABAWD exemptions can be located in ACL 19-93.

The revised language reads:

Able-Bodied Adult Without Dependents (ABAWD)

An ABAWD is a CalFresh recipient, age 18 through ~~49~~**52 (through 54 effective October 1, 2024)**, who is able-bodied without dependent children and does not meet the criteria for an exemption from the ABAWD time limit. ABAWD eligibility for CalFresh is time limited to any three full months of benefits in a 36-month period unless the individual satisfies the ABAWD work requirement, is exempt from the ABAWD time limit, qualifies for an additional three consecutive month period of eligibility, receives a discretionary exemption, or lives in a county or area with a waiver of the ABAWD time limit. Further information on the ABAWD time limit is located in All County Letter (ACL) No. 19-93 issued on September 12, 2019.

Able-Bodied Adults Without Dependents (ABAWD) Exemptions

Persons are exempt from the ABAWD work requirement if they qualify for one of the CalFresh work registration exemptions at 7 CFR 273.7(b) (see list of work registration exemptions below). Individuals are also exempt from the work requirement if they are:

- Under age 18 or over age ~~[49]~~**52 (through 54 effective October 1, 2024)**;

Inhofe National Defense Authorization Act of 2023, means an individual who served in the United States Armed Forces (such as Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, and National Guard), including an individual who served in a reserve component of the Armed Forces, and who was discharged or released therefrom, regardless of the conditions of such discharge or release.**
- **“An individual who is 24 years of age or younger and who was in foster care, under the responsibility of a State, on the date of attaining 18 years of age or such higher age as the State has elected as defined under Section 475(8)(B)(iii) of the Social Security Act (42 U.S.C. 675(8)(B)(iii)).” This includes any individual who was in a foster care program run by the State, District, Territory, or Indian Tribal Organization as of their 18th birthday or later and who is under 25 years of age.** Further information on ABAWD exemptions can be located in ACL No.19-93 issued on September 12, 2019, and ACL No. 23-80 issued on September 21, 2023.

REPORT (STAT 47)**

INSTRUCTIONS

CONTENT

The “CalFresh Work Registrant, Able-Bodied Adults Without Dependents, Employment and Training (E&T) Quarterly Statistical Report,” (STAT 47) includes data on the number of CalFresh Work Registrants, Able-Bodied Adults Without Dependents (ABAWDs), and participants in the CalFresh E&T program.

PURPOSE

The STAT 47 provides county, state, and federal entities with information needed for budgeting, staffing, program planning, and other purposes. The California Department of Social Services (CDSS) is mandated to submit quarterly reports to the United States Department of Agriculture, Food and Nutrition Services (FNS) 45 days after the end of each fiscal quarter in accordance with [Title 7 Code of Federal Regulations \(CFR\) 273.7\(c\)\(9\)](#).

COMPLETION AND SUBMISSION

The County Welfare Department (CWD) is responsible for ensuring that the STAT 47 report is complete and accurate. The CWD must designate an individual as the primary contact responsible for submitting the report to the CDSS, who will certify the report is complete and accurate. The CWD must retain an electronic (Excel) copy of all submitted STAT 47 reports to ensure the CWD’s records coincide with the records on file at the CDSS.

The CWD must submit a revised report if inaccuracies are identified for the applicable month(s) and provide an explanation for the revision in the Revised Report Explanation field. The CDSS may require the CWD to revise current Federal Fiscal Year (FFY) reports and two prior FFYs, if needed. Revisions for additional fiscal years will be evaluated by the CDSS and the CWD to determine whether corrections are needed.

Submission Schedule

If portions of the report are completed by entities within or outside the CWD, the designated contact person remains responsible for submitting the report to the CDSS on time with complete and accurate data. The reports must be received by the CDSS on or before the 15th calendar day of the month following the end of the federal fiscal quarter. When the 15th calendar day of the month following the end of the federal fiscal

quarter is on a Saturday, Sunday, or state holiday, the report is due the next business day.

DEFINITIONS

The definitions below must be applied to the methodology for the STAT 47 report.

Able-Bodied Adult Without Dependents (ABAWD)

An ABAWD is a CalFresh recipient, age 18 through 52 (through 54 effective October 1, 2024), who is able-bodied without dependent children and does not meet the criteria for an exemption from the ABAWD time limit. ABAWD eligibility for CalFresh is time limited to any three full months of benefits in a 36-month period unless the individual satisfies the ABAWD work requirement, is exempt from the ABAWD time limit, qualifies for an additional three consecutive month period of eligibility, receives a discretionary exemption, or lives in a county or area with a waiver of the ABAWD time limit. Further information on the ABAWD time limit is located in [All County Letter \(ACL\) No. 19-93](#).

Able-Bodied Adults Without Dependents (ABAWD) Exemptions

Persons are exempt from the ABAWD work requirement if they qualify for one of the CalFresh work registration exemptions at 7 CFR 273.7(b) (see list of work registration exemptions below). Individuals are also exempt from the work requirement if they are:

- Under age 18 or over age 52 (through 54 effective October 1, 2024);
- Residing in a CalFresh household that includes a child under 18 years of age, pregnant, medically certified as physically or mentally unfit to work;
- Participating in an Office of Refugee Resettlement training program for at least half time;
- “A homeless individual,” as defined in Section 3 of the Food and Nutrition Act (FNA) of 2008 and at [7 CFR 271.2](#), means an individual who lacks a fixed and regular nighttime residence or an individual whose primary nighttime residence is:
 - (1) A supervised shelter designed to provide temporary accommodations (such as a welfare hotel or congregate shelter);
 - (2) A halfway house or similar institution that provides temporary residence for individuals intended to be institutionalized;

- (3) A temporary accommodation for not more than 90 days in the residence of another individual; or
- (4) A place not designed for, or ordinarily used, as a regular sleeping accommodation for human beings (a hallway, a bus station, a lobby, or similar places)
- “A veteran,” as defined in Section 5126(f)(13)(F) of the James M. Inhofe National Defense Authorization Act of 2023, means an individual who served in the United States Armed Forces (such as Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, and National Guard), including an individual who served in a reserve component of the Armed Forces, and who was discharged or released therefrom, regardless of the conditions of such discharge or release.

“An individual who is 24 years of age or younger and who was in foster care, under the responsibility of a State, on the date of attaining 18 years of age or such higher age as the State has elected as defined under Section 475(8)(B)(iii) of the Social Security Act (42 U.S.C. 675(8)(B)(iii)).” This includes any individual who was in a foster care program run by the State, District, Territory, or Indian Tribal Organization as of their 18th birthday or later and who is under 25 years of age. Further information on ABAWD exemptions can be located in [ACL 19-93](#).

ABAWD Discretionary Exemptions

ABAWD discretionary exemptions allow CWDs to extend CalFresh eligibility to ABAWDs who are at risk of losing CalFresh benefits for failing to satisfy work requirements. As of FFY 2020, the Agriculture Improvement Act of 2018 reduced the number of discretionary exemptions to 12 percent of California’s annual CalFresh caseload that is subject to the ABAWD time limit. Each discretionary exemption is equal to one full month of CalFresh eligibility for one ABAWD in accordance with the [CFR 273.24\(g\)\(3\)](#).

ABAWD Waiver

A federally approved waiver of the ABAWD work requirement for areas within California with a high unemployment rate or lack of sufficient jobs.

CalFresh Work Registrant

CalFresh applicant or recipient who does not qualify for any of the work registration exemptions. Work registrants are not to be confused with ABAWDs or CalFresh E&T participants. ABAWDs are a subset of the work registrant population and CalFresh E&T participants are limited to persons engaged in the CalFresh E&T program.

CalFresh E&T Component

A CalFresh E&T component is defined as service, activity, or program designed to help CalFresh recipients gain skills, training, or work experience. Components include but are not limited to supervised job search, workfare, work experience, self-employment, education and job retention. Multiple activities may exist under each component. All components must be provided with case management services in accordance with [7](#)

[CFR 273.7\(c\)\(4\)](#). One or more components may be offered based on regional need, capacity, and funding availability. A participant may, if available, enroll in multiple components simultaneously or in sequence.

CalFresh E&T County

A California county that voluntarily offers a CalFresh E&T program as outlined in the CDSS CalFresh E&T Annual Plan.

CalFresh E&T Participant

A CalFresh E&T participant is defined as a CalFresh applicant or recipient who voluntarily begins at least one part of a CalFresh E&T program including orientation, assessment, case management, or a component. Therefore, all individuals who begin any CalFresh E&T activity, even if they do not engage in further component activities, are categorized as CalFresh E&T participants, and must be captured for reporting purposes. A person who is referred to case management, assessment or orientation but fails to show up is not considered a CalFresh E&T participant for reporting purposes in accordance with [7 CFR 273.7\(c\)\(11\)\(iii\)](#).

CalFresh E&T Program

The Food and Nutrition Act of 2008 provides that the purpose of the Employment and Training (E&T) program is to provide Supplemental Nutrition Assistance Program (SNAP) participant's opportunities to gain skills, training, work, or experience that will increase their ability to obtain regular employment and meet state or local workforce needs. In California, the program is called CalFresh E&T.

Federal Fiscal Year

The federal fiscal year (FFY) runs from October 1 through September 30. For example, FFY 2022 began October 1, 2021, and ended September 30, 2022.

Non-Able-Bodied Adult Without Dependents (non-ABAWD)

A CalFresh recipient that qualifies for one of the ABAWD exemptions defined above in ABAWD Exemptions. For purposes of this report, non-ABAWDs refer specifically to those CalFresh E&T participants who qualify for an ABAWD exemption.

Non-Qualifying CalFresh E&T Component

A CalFresh E&T component that does not satisfy the ABAWD work rule, such as any job search, supervised job search, or job search training component in accordance with [7 CFR 273.24\(a\)\(3\)\(iii\)](#).

Qualifying CalFresh E&T Component

An E&T component that satisfies the ABAWD work requirement. Qualifying activities consist of workfare (including the 30-day job search activity that can be assigned prior to workfare), work experience, self-employment training, job retention and education. A job search program, supervised or otherwise, when operated under Title I of the

Workforce Innovation and Opportunity Act (WIOA), under section 236 of the Trade Act, or a program of employment and training for veterans operated by the Department of Labor or the Department of Veterans Affairs, is considered a qualifying activity relating to the participation requirements necessary to maintain CalFresh eligibility for ABAWDs in accordance with [7 CFR 273.7\(e\)\(2\)\(i\)](#).

Work Registration Exemptions

In accordance with [7 CFR 273.7\(b\)](#), an individual is exempt from work registration if they are any of the following:

- Younger than 16 years of age or a person 60 years of age or older; a person age 16 or 17 who is not the head of a household or who is attending school, or is enrolled in an employment training program, on at least a half-time basis;
- Physically or mentally unfit for employment.
- Subject to and complying with any work requirement under Title IV of the Social Security Act.
- A parent or other household member responsible for the care of a dependent child under six or an incapacitated person.
- A participant in a drug addiction or alcoholic treatment and rehabilitation program.
- An employed or self-employed person working a minimum of 30 hours weekly or earning weekly wages at least equal to the Federal minimum wage multiplied by 30 hours; or
- Enrolled at least half-time in any recognized school, training program, or institution of higher education.

Work Registrant

All CalFresh recipients are subject to work registration unless they qualify for an exemption as defined in [7 CFR 273.7\(b\)](#).

ITEM INSTRUCTIONS

All counties must complete Part A of the STAT 47. In addition, counties that offer the CalFresh E&T program **must** complete Parts B, C, D, and item 49 of the report. Part E is automatically calculated based on entries made in Part D. Part E is used by CDSS in completing the federally mandated quarterly FNS 583 report. Part F of items 47 and 48 must be completed by all counties when completing the Quarter 1 October - December report each year.

PART A. WORK REGISTRANT AND ABAWD INFORMATION (All Counties)

Part A collects unduplicated counts of new work registrants and new ABAWDs who are approved for CalFresh in any month during the quarter. Individuals reported under this part are not counted in future quarters during the same FFY. Work registrants are individuals who do not qualify for a work registration exemption. ABAWDs are individuals who do not qualify for an ABAWD time limit exemption. See definitions section for further detail.

Note: The individuals counted on October 1 as work registrants and/or ABAWDs in part F should not be counted again in this section.

All CWDs in California must report work registration and ABAWD data. This includes CWDs with an approved ABAWD waiver. This part also contains data regarding a county's use of the ABAWD discretionary exemption and is only reported by counties where the ABAWD work requirements are not waived.

1. Unduplicated new work registrants during the quarter: Enter the number of all new individuals in receipt of CalFresh and determined to be work registrants by month during the quarter. **The quarter total is automatically calculated.** This item is an unduplicated count; an individual is counted as work registered in only one month during the FFY (October 1 through September 30). Do not include work registrants from previous quarters. A work registrant should be counted whether they are or are not an ABAWD. [Cells 1-4]
2. Unduplicated new ABAWDs during the quarter (Include in Item 1): Enter the number of all new ABAWDs during the quarter. **The quarter total is automatically calculated.** This is an unduplicated count; an individual is counted as a new ABAWD in only one month during the FFY. Item 2 is a sub-set of Item 1. [Cells 5-8]

The ABAWD population is a subset of the work registrant population. There should be fewer ABAWDs than work registrants due to additional exemptions for ABAWDs which are not applicable to work registration. Do not include ABAWDs from previous quarters. This count includes ABAWDs living in a county with an ABAWD waiver and those receiving a discretionary exemption.

3. Total number of discretionary exemptions used during the quarter: Enter the number of discretionary exemptions used during the quarter. **The quarter total is automatically calculated.** Counties with an ABAWD waiver should enter "0" (zero). [Cells 9-12]

**PART B. NEW INDIVIDUAL CALFRESH E&T PARTICIPANTS (CalFresh E&T
Counties Only)**

Part B gathers an unduplicated count of individuals who participated in CalFresh E&T during the quarter. Participants should only be counted once unless they had a break of more than 90 days in CalFresh E&T participation during two quarters of the same FFY, in which case they will be counted as a new participant after each break of 90 days or more. Participants should be counted:

- Only once for the FFY, unless they had a break of more than 90 days between two quarters in the same FFY.
- In only one month even if they are in more than one E&T component.
- As a new participant each time if there was a break in CalFresh E&T participation of 90 days or more.

Participants should not be counted:

- If they participated in CalFresh E&T during previous quarters in the same FFY.
- In future quarters in the same FFY.
- If they were counted on October 1 in part F.

4. New individuals who participated in a CalFresh E&T activity, including orientation/assessment (OA) during the quarter: **This item is automatically calculated.** This is the sum of Items 4a and 4b. [Cells 13-16]

- a. Unduplicated ABAWD participants: Enter the number of new ABAWDs who participated in a CalFresh E&T activity, including orientation/assessment. **The quarter total is automatically calculated.** [Cells 17-20]
- b. Unduplicated non-ABAWD participants: Enter the number of new non-ABAWDs who participated in a CalFresh E&T activity, including orientation/assessment. **The quarter total is automatically calculated.** [Cells 21-24]

**PART C. NEW CALFRESH E&T COMPONENT PLACEMENTS (CalFresh E&T
Counties Only)**

Part C gathers an unduplicated count of participants in each CalFresh E&T component during the FFY. A participant **must** be counted only once in the FFY for each component in which they are in unless there is a break in participation of 90 days or more.

For example, a participant in a workfare component in October would be counted in the "Month 1" column in the October – December quarter and for the purpose of this part,

the participant would not be counted as a workfare participant in future quarters in the same FFY. If that same participant is in supervised job search in December, one supervised job search placement would be counted in the "Month 3" column in the October – December quarter and the participant would not be counted in supervised job search for future quarters in the same FFY. If that same participant has a break in participation of 90 days or more and returns to the CalFresh E&T program, the individual will be counted as a new participant in parts B, C, and D.

5. New orientation/assessment (OA) participants in the quarter: **This item is automatically calculated.** This is the sum of Items 5a and 5b. [Cells 25-28]
 - a. ABAWD placements: Enter the number of new ABAWDs in orientation/assessment activities. **The quarter total is automatically calculated.** [Cells 29-32]
 - b. Non-ABAWD placements: Enter the number of new non-ABAWDs in orientation/assessment activities. **The quarter total is automatically calculated.** [Cells 33-36]

A program, supervised or otherwise, when operated under Title 1 of the Workforce Investment Opportunity Act (WIOA) under section 236 of the Trade Act, or a program of the employment and training for veterans operated by the Department of Labor or the Department of Veterans Affairs, is considered a qualifying activity relating to the participation requirement necessary to maintain CalFresh eligibility for ABAWDs. **The quarter total is automatically calculated.** [Cells 41-44]
 - b. Non-ABAWD placements: Enter the number of new non-ABAWDs in supervised job search component. **The quarter total is automatically calculated.** [Cells 45-48]
 - c. ABAWD in non-qualifying component placements: Enter the number of new ABAWDs in a non-qualifying supervised job search component. PART D. NEW AND CONTINUING E&T COMPONENT PLACEMENTS (CalFresh E&T Counties Only)

Part D gathers ongoing monthly CalFresh E&T participant counts. Individuals are counted every month they participate in any CalFresh E&T component.

For example, a participant who participates in supervised job search every month during the quarter would receive three counts in Item 27. If that same participant simultaneously participated in workfare throughout the quarter, the participant would also

be counted three times in Item 28.

Unlike Parts B and C which gather counts for new participants and unduplicated component placements, this part counts participants even if they have participated in previous quarters and such persons are counted in future quarters for every month they participate in E&T.

27. Supervised job search (SJS) participants in the quarter: **This item is automatically calculated.** This is the sum of Items 27a, 27b, and item 27c. [Cells 293-296]

A program, supervised or otherwise, when operated under Title 1 of the Workforce Investment Opportunity Act (WIOA) under section 236 of the Trade Act, or a program of the employment and training for veterans operated by the Department of Labor or the Department of Veterans Affairs, is considered a qualifying activity relating to the participation requirement necessary to maintain CalFresh eligibility for ABAWDs. **The quarter total is automatically calculated.** [Cells 297-300]
- b. Non-ABAWD placements: Enter the number of new and continuing non-ABAWDs in supervised job search. **The quarter total is automatically calculated.** [Cells 301-304]

PART F. POINT-IN-TIME WORK REGISTRANT, ABAWD, AND CALFRESH E&T PARTICIPANT COUNTS

Part F collects the counts of CalFresh work registrants, ABAWDs, and CalFresh E&T participants. Work registrants are those persons who do not qualify for a work registration exemption. ABAWDs are those persons who do not qualify for an ABAWD exemption. A CalFresh E&T participant is a CalFresh applicant or recipient who engages in at least one part of a CalFresh E&T program including orientation, assessment, case management, or a component. See definitions section for further detail.

All counties in California **must** report work registration and ABAWD data, regardless of waiver status. Only counties participating in CalFresh E&T must report participant data. Individuals counted in this section should not be counted as “new” again in Parts A and B. This section should only capture individuals who are work registrants, ABAWDs, and CalFresh E&T participants carried forward on October 1. Complete Part F each FFY when submitting the October - December report quarter only. Leave this part blank when completing the January - March, April – June and July – September reports.

51. Work Registrants on October 1: Enter the number of all CalFresh work registrants in the county on October 1. A work registrant should be counted irrespective of whether they are an ABAWD. [Cell 561]

52. ABAWDs on October 1 (Include in item 51): Enter the number of ABAWDs in the county on October 1. Item 52 is a subset of item 51. [Cell 562]

53. CalFresh E&T Participants on October 1 (CalFresh E&T Counties Only): Enter the number of CalFresh E&T participants in the county on October 1. [Cell 563]
