SUBJECT: ERRATA TO [ALL COUNTY LETTER \(ACL\) 23-57](#)
CALIFORNIA FOOD ASSISTANCE PROGRAM EXPANSION

REFERENCE: [SENATE BILL 187 \(CHAPTER 50, STATUTES OF 2022\);](#)
[ASSEMBLY BILL \(AB\) 135 \(CHAPTER 85, STATUTES OF 2021\);](#)
[WELFARE AND INSTITUTIONS CODE \(WIC\) 18930-18935, WIC](#)
[18930.5, WIC 18932; AB 1576 \(CHAPTER 287, STATUTES OF](#)
[1997\); ACL 23-57](#)

The purpose of this errata is to revise language in [ACL 23-57](#), released on June 29, 2023, regarding the California Food Assistance Program (CFAP) expansion. The revisions include updates to the Disaster CalFresh and Disaster Supplements and Aid Code sections; the *Nutrition Program Aid Code Case Examples* attachment; and the *Notice to CalFresh Recipients* (CF 12) form.

All references in the ACL regarding the October 1, 2025, CFAP expansion implementation date, are now amended to October 1, 2027. This change reflects the two-year delay of the program expansion established via the Fiscal Year 24-25 State Budget (Assembly Bill 107 (Chapter 22, Statutes of 2024)). Applicants may apply beginning September 1, 2027, and may be approved to receive benefits effective October 1, 2027, if all other eligibility criteria are met.

County Welfare Departments (CWDs) are required to comply with the revised policies outlined in this letter effective October 1, 2027. Additionally, the CF 12 has been updated to pre-populate the correct implementation date.

The original and revised language for the impacted sections is provided below. Deletions are contained within brackets and marked with a ~~[strike through]~~ and additions are contained within braces in **{bold}**.

Disaster CalFresh and Disaster Supplements Section

The original language on page six, paragraph two, second sentence under the section titled “Disaster CalFresh and Disaster Supplements” reads:

Pending approval from FNS, CFAP recipients will be treated the same as any other CalFresh-ineligible persons for the purposes of Disaster CalFresh.

The revised language reads:

~~[Pending approval from FNS,]~~ CFAP recipients will be treated the same as any other CalFresh-ineligible persons for the purposes of Disaster CalFresh.

CFAP Benefit Types Section

The original language on page nineteen, paragraph three, second bullet, under the section titled “CFAP Benefit Types” reads:

- CFAPNWR (CFAP New Replacement) - replacement CFAP benefit issuance

The revised language reads:

- CFAPN[W]R (CFAP New Replacement) - replacement CFAP benefit issuance

Aid Codes Section

The original language on page twenty-one, paragraph one, under the section titled “Work Incentive Nutritional Supplement (WINS) Aid Codes” reads:

Effective October 1, 2025, the existing WINS CFAP and WINS TCFAP aid codes must be used for WINS eligible individuals:

- R6 WINS CFAP – WINS for non-two parent or two parent/caretaker relative households receiving CFAP benefits.
- R9 WINS TCF CFAP – WINS for non-two parent or two parent/caretaker relative households receiving TCFAP benefits.

WINS determinations must continue to be made at the household level because only one work-eligible-individual is required to meet the work requirement for the household to receive the WINS benefit ([ACL 13-71](#)). If a CalFresh or CFAP household is determined to be eligible for the WINS supplemental nutrition program benefit, then the

appropriate WINS aid code must only be assigned to the head-of-household while the other household members must be assigned the appropriate nutrition program aid code(s), depending on eligibility. If an individual is assigned a WINS aid code, the WINS aid code identifies whether that individual is also receiving CalFresh, CFAP, TCF or TCFAP.

The revised language reads:

~~[Effective October 1, 2025, the existing WINS CFAP and WINS TCFAP aid codes must be used for WINS eligible individuals:~~

- ~~• R6 WINS CFAP – WINS for non-two parent or two parent/caretaker relative households receiving CFAP benefits.~~
- ~~• R9 WINS TCF CFAP – WINS for non-two parent or two parent/caretaker relative households receiving TCFAP benefits.]~~

WINS determinations must continue to be made at the household level because only one work-eligible individual is required to meet the work requirement for the household to receive the WINS benefit ([ACL 13-71](#)). **{Previously, WINS eligibility was tracked in the system using WINS aid codes, which would be assigned to eligible households. Now that food program aid codes will be assigned at the individual person level, a separate “WINS code” will be assigned and transmitted at the household level. This WINS code will enable the payment of WINS benefits to eligible households. WINS codes will remain the same}.** If a CalFresh or CFAP household is determined to be eligible for the WINS supplemental nutrition program benefit, then the appropriate WINS [aid] code must [only] be assigned to the [head-of]-household **{and the}** while the other household members must be assigned the appropriate nutrition **{food}** program aid code(s), depending on eligibility. ~~[If an individual is assigned a WINS aid code, the WINS aid code identifies whether that individual is also receiving CalFresh, CFAP, TCF or TCFAP].~~

{Effective October 1, 2027, the existing WINS CFAP and WINS TCFAP codes must be used for WINS eligible households:

- R6 WINS CFAP – WINS for non-two parent or two parent/caretaker relative households receiving CFAP benefits but not CalFresh benefits.**
- R9 WINS TCF CFAP – WINS for non-two parent or two parent/caretaker relative households receiving TCFAP benefits but not TCF benefits.**
- Previous CalFresh WINS aid codes will be assigned as WINS codes to mixed-status households with some CalFresh and some CFAP participants}.**

The details and Case Examples of WINS Aid Codes are in the Appendix A of this letter.

Notice to CalFresh Recipients Section

The original language on the CF 12 form, paragraph one reads:

The revised language reads:

{Getting} CalFresh **{or CFAP does}** [is] not **{make you}** [considered] a public charge **{and}** [Participating in CalFresh] will not impact your immigration status or the immigration status of your household members.

The revised language reads:

2. If you or someone in your household is 55 years or older and they do not want to participate in the program, no action is required from you. If you do nothing, your current CalFresh benefits will stay the same.

The revised language reads:

2. If you or someone in your household is **{age}** 55 [~~years~~] or older and [~~they do~~] **{does}** not want to participate in the program, no action is required from you. If you do nothing, your current CalFresh benefits will stay the same.

NOTICE TO CALFRESH RECIPIENTS

IMPORTANT - PLEASE READ

Starting _____ more people can get the California Food Assistance Program (CFAP) food benefits. Your family is getting CalFresh benefits, but at least one person in your home may not be getting benefits because of their immigration status. People who are not getting CalFresh may be able to get CFAP instead. CFAP gives the same type of food benefits as CalFresh. Your household may be able to get more food benefits.

In the past, some Californians were unable to get CalFresh benefits due to their immigration status. Starting _____, anyone age 55 or older may be able to get CFAP food benefits, regardless of immigration status. CFAP provides food benefits to some immigrants who are not able to get CalFresh.

Getting CalFresh or CFAP does not make you a public charge and will not impact your immigration status or the immigration status of your household members.

What to Do Next:

You have two options:

1. If you or someone in your household is age 55 or older and is not getting CalFresh benefits due to their immigration status, you may contact your county to ask benefits today. A new application is not required.
2. If you or someone in your household is age 55 or older and does not want to participate in the program, no action is required from you. If you do nothing, your current CalFresh benefits will stay the same.

If you or someone you know is age 55 or older and is not getting CalFresh benefits due to their immigration status, they may be eligible under this expansion. Learn more using the contact information below.
