The Outcomes for Nonminor Dependents Child Welfare Youth Exiting Foster Care Quarterly Statistical Report (SOC 405X) collects information on all Nonminor Dependents (NMDs) for which the county has jurisdiction and who in the report quarter have exited foster care or Extended Foster Care (EFC). The Outcomes for Nonminor Dependents Probation Foster Youth Exiting Foster Care Quarterly Statistical Report (SOC 405XP) collects information on all Nonminor Dependents (NMDs) for which the county probation department has jurisdiction and who in the report quarter have exited foster care or Extended Foster Care (EFC).

The information entered on each youth is based on what is known about the youth’s status at the month of exiting foster care or EFC in the following five age categories: Youth Who Exit at Age 18 (or legally emancipate before age 18), NMDs age 18, NMDs Age 19, NMDs Ages 20 to 21, and Re-Entry NMDs Ages 18 to 21.

PURPOSE

In 2010, the California Legislature passed the California Fostering Connections to Success Act, Assembly Bill (AB) 12 (Chapter 559, Statutes of 2010). This bill allows California to implement provisions of Public Law (PL) 110-351. One of the provisions of AB 12 allows California to extend foster care benefits up to age 21 for youth who meet the federal participation criteria for eligibility. A workgroup representing the County Welfare Directors Association (CWDA) and the California Department of Social Services (CDSS) developed the Outcomes for Nonminor Dependents Exiting Foster Care Statistical Reports for both the Child Welfare Youth and Probation Foster Youth populations. These two reports allow for measurement of program performance in meeting state and federal issuance standards. In addition, these reports provide county, state, and federal entities with information needed for budgeting, staffing, and program planning.
COMPLETION AND SUBMISSION

The County Welfare Department (CWD) is responsible for ensuring that this report is fully and accurately completed. Depending on the practice within the county, probation departments have the option of submitting their SOC 405XP data directly to CDSS or submitting the data to the child welfare agency which will submit the data to CDSS. If portions of the report are completed by more than one entity within the probation department, the CWD and/or outside agencies, the contact person responsible for submitting the report to the state shall review the report for completeness and accuracy prior to submittal. Only one of each report (SOC 405X and SOC 405XP) per county will be accepted per quarter.

Reports are to be received on or before the 20th calendar day of the month following the report quarter. If the report’s due date is on a Saturday, Sunday, or state holiday, the report is due on the next business day.

If the county determines that a revision is needed to its previously submitted report, the county shall submit a revised report for the applicable quarter(s) and provide an explanation for the revision in the Revised Report Explanation box. The CDSS policy requires counties to revise current State Fiscal Year (FY) reports, and two prior FYs, if needed. Revisions involving additional FYs will be evaluated by CDSS and the county to determine the corrections needed. When sending revisions, only include one report per email. Emails containing multiple reports will not be accepted.

Download an Excel version of the report form from CDSS, Data Systems and Survey Design Section (DSSDS), complete the downloaded form, and email to the designated report inbox; SOC 405X at admsoc405x@dss.ca.gov, and SOC 405XP at admsoc405xp@dss.ca.gov. The electronic submission process contains automatic computations of some cells and provides for the email transmission of completed forms to DSSDS. The website contains specific instructions and guidance. For questions regarding policy and reporting, contact the Transition Age Youth Policy Unit at (916) 651-7464 or email the inbox at TAYPolicy@dss.ca.gov. For questions regarding the completion or submission of either report, contact DSSDS at (916) 651-8269 or email the appropriate report inbox. For technical assistance with the automated form, email the DSSDS tech unit inbox at admdssdachts@dss.ca.gov.

The report’s statewide and county specific data is available on CDSS’ Research and Data Reports (RADR) website. Counties are encouraged to keep an electronic/soft copy of their submitted data for each reporting period that coincides with the data on file at CDSS. For reference purposes, copies of the report form, instructions, and validations can be downloaded from the RADR website.
