### Rules Regarding Special Populations

**SSI/SSP Recipients:** In California, people who receive SSI/SSP are not eligible for CalFresh because the benefit amount already includes money for food. However, other people living in the household who do not receive SSI/SSP may be eligible to receive CalFresh. If the SSP award is \$0, you may be eligible.

**Seniors and People with Documented Disabilities:** People age 60 or older and people with disabilities are not restricted to the gross income limits (above). They also may deduct certain expenses such as out-of-pocket medical costs and a higher amount of rent or mortgage costs.

**Immigrants:** Children of immigrants may be eligible for benefits, even if their parents do not qualify. *Using CalFresh will not affect your immigration status or the immigration status of your family.*
